Falls to Toburg 12 days

Day 1: Victoria Falls

Saturday. Welcome to Victoria Falls, one of the most spectacular natural wonders of the world! Included transfer to our campsite in the centre of town. On day 1 there is a pre-departure meeting at 17:00hrs. Overnight - <u>Victoria Falls</u>

Day 2: Victoria Falls

Today is spent relaxing or participating in a myriad of optional excursions. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops. A 20 minute walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia. Victoria Falls, or Mosi-oa-Tunya (the Smoke that Thunders), was named by David Livingstone on his explorations, and is one of the Seven Natural Wonders of the World. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! Our exciting range of optional excursions include elephant back safaris, horseback safaris, walking with lions, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is also world class. Overnight - Victoria Falls

Day 3: Chobe N. P.

Victoria Falls - Chobe (Botswana). This morning we leave Victoria Falls and cross the border into Botswana, and head to Kasane on the banks of the Chobe River. Chobe is one of Botswana's premier game parks, renowned for the large herds of elephant around the river. This afternoon enjoy a boat cruise along the river spotting the elephants and hippos. (Please note, from Jan 2014 onwards the Chobe River Cruise will be an optional excursion, payable locally). Overnight - Kasane

Day 4: Maun

Kasane - Maun. Heading out early, we cross the western end of the Chobe National Park area along the main route in a south-westerly direction to the southern reaches of the Okavango Delta and our destination, Maun. Maun is our base camp for the optional 3-day/2-night Okavango Delta Mokoro excursion. Overnight - Maun

Days 5 - 6: Optional Okavango

Maun - Okavango Delta (optional). On day 5 we have the opportunity to take the optional 3 Day / 2 Night Drive in Mokoro Excursion into the Delta. We drive north for two hours on day 5 to the Okavango Delta; a huge expanse of water, studded with exotic islands and renowned for its incredible variety of birdlife and animals. In mokoros (dugout canoes) replete with skilled polers, our crafts will glide through the waterways of the flora and fauna rich wetlands of the Delta, the largest inland waterway on earth. Experience the Delta wilderness on two game walks and enjoy free time on day 6 to partake in a number of optional activities, perhaps try your hand at poling your own Mokoro!

If you choose not to take the Okavango Delta Excursion you can spend a relaxing three days in Maun, relax by the pool at the campsite, explore the town and its local markets. Overnight -Maun OR Okavango Delta (optional)

Day 7: Maun

Okavango Delta - Maun. For those on the optional Okavango Delta excursion, this morning gives us a final opportunity for a game walk before packing up and setting off back to Maun. After our Mokoro ride and vehicle transfer, we arrive back in the afternoon and have the chance to complete our picture of the Okavango Delta by taking an optional scenic flight over The Delta (dependent on weather conditions & availability). Overnight - Maun

day 8, we drive to the small town of Palapye, situated about halfway between Francistown and Gaborone (Botswana's Capitol). This popular 'stopover' town for those en route to South Africa.

The following morning we cross into South Africa and continue across to our camp overlooking the impressive Blyde River Canyon. Named for the Blyde River that runs through it, the canyon is 26km long, and averages 800m deep and forms the northern edge of the impressive Drakensberg Mountain Range. The main viewpoints along the canyon are the 3 Rondavels, named for the shape of the traditional huts or houses the indigenous people of the area used to live in; and Gods Window that affords a breathtaking view across the canyon and surrounding area. Overnight - Palapye (1) Blydepoort (1)

Days 10 - 11: Kruger N.P.

Blydepoort - Hazyview. Heading through the breathtaking Panorama Route, we stop off at various viewpoints today including scenic God's Window. We travel in our truck along the main game viewing routes within the park and stop off at some of the camps along the way.
