DETAILED ITINERARY

Day 1 : Cairo

Tuesday. Welcome to Egypt and the start of your holiday! Arrival at Cairo, where after you have attended to customs and immigration formalities, you will be met by a representative from on the go. The prominent sign depicting our company logo easily identifies our representative. Cairo

International Airport can appear to be a little chaotic to the uninitiated. This is normal! Our capable airport representative will streamline your arrival. You will then be transferred to your hotel in central Cairo. Your Egyptian adventure will start from the moment you leave the airport! Dependent upon the hour of your arrival, Cairo traffic can be quite heavy and slow going. Roads can be crowded with cars, trucks, motorbikes, bicycles, donkeys, horses and people. The cacophony of constantly sounding horns has to be heard to be believed! The later it is in the day, the smoother the traffic flow.

For those arriving a day or two earlier than Day One of the tour, one of our staff will be on hand to advise on where best to enjoy your extra time in Cairo in advance of the tour commencing. There are plenty of attractions in Cairo. Our comfortable Cairo pre-tour hotel is centrally located to all attractions including restaurants, shops and city attractions. Day One is designed to be an arrival day for all passengers, so there are no formal arrangements on this first day. **Overnight - Cairo**

Day 2 : Pyramids of Giza & Saqqara

Cairo – Luxor. After a good night's rest, we have a full day of touring planned for today. You'll need to have your bags packed as we'll be travelling down to Luxor tonight. Throughout the tour, you'll be fully briefed by your tour leader as regards touring arrangements. This morning your entrance fees and small tipping kitty will be collected from everyone. The tip kitty will cover all the tipping throughout the tour, except tips for your tour guide. We then visit the famous pyramids and lion-headed Sphinx at Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stonecutters did the job of building the Pyramids. 100,000 slaves were used to carry out the backbreaking task of moving and laying the stones of the largest pyramid-Cheops. About 2.5 million limestone blocks, quarried locally and

This Go Guide has been compiled with care and good faith. It gives an accurate illustration of the proposed arrangements for this holiday. Circumstances beyond our control such as changes in local conditions, inclement weather or other reasons could force us to make changes to this itinerary. This document does not form part of a contract between the traveller and on the go and their affiliates. weighing in excess of 6 million tonnes, were used in the construction of Cheops.

Leaving the Pyramids of Giza, we'll sometimes drop into a Government supervised papyrus emporium. Here, you can buy genuine papyrus at quite reasonable prices. Continuing to the necropolis of Saqqara, we can explore the myriad tombs and temples at this site and see Zoser's step pyramid - constructed by Imhotep, the pharaoh's chief architect in 2700 BC! Later there will be a chance to have dinner before we journey to Luxor by overnight train. Option to upgrade to sleeper train cabins. At the train station, there'll be the opportunity to buy more water and snacks for the trip ahead. Option to upgrade to sleeper train cabins. See brochure or website for details. **Overnight - Train (B)**

Day 3 : Explore Ancient Thebes

Luxor. Arrive and check into our hotel. Home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at it's best. Enjoy some rest and relaxation. Tonight, an optional visit is available to the Temple of Luxor. The excursion is payable locally. The Luxor Temple, a strikingly graceful piece of architecture built by the New Kingdom pharaoh Amenophis III, was originally joined to Karnak by an avenue of sphinxes. The temple comprises a striking array of great halls, courts and colonnades decorated with colossal statues of great pharaohs including Ramses II and splendid columns. An obelisk, one of a pair, remains at the temple. Its towering counterpart now stands in the Place de la Concorde in Paris, France. The temple is beautifully illuminated at night with powerful lights, making a visit all the more evocative as the artificial light creates an eerie spectacle as shadow and light play off the colossal statues and reliefs.

For those not wishing to go to the Luxor Temple, there is time to relax and have something to eat. As we have an early start tomorrow, you might want to retire early but if you have energy there are plenty of bars and late night entertainment available at all the big hotels. **Overnight - Luxor (B)**

Day 4 : Valley of the Kings

Luxor - Dahab. An early start allows us to avoid some of the fierce heat as we venture to the awesome Valley of the Kings. Sightseeing on the West Bank is far more enjoyable if undertaken in the cooler temperatures of the morning. After breakfast, we meet at reception early before our drive to the mighty West Bank.

Even in the morning, the temperatures start to increase at the Valley of the Kings. For this reason we suggest that you take a large bottle of drinking water to satiate your inevitable thirst. Vendors charge outlandish sums for cold drinks at this important archaeological site that is an obvious draw-card to tourists! Stopping to buy tickets for the attractions of the West Bank, we proceed to the Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which represent the remains of the temple of the hedonistic Amenophis III.

Further highlights include the legendary Valley of the Kings and the Temple of Queen Hatshepsut. The Valley of the Kings is studded with often highly decorated tombs. Attempting to confound thieves and grave-robbers, the New Kingdom pharaohs awaiting their passage into the after-life were secretly entombed with their worldly wealth in the cliffs of the valley. The cliffs, bereft of vegetation are home to a vast necropolis of tombs, some of which you can enter and visit. Some of the tombs are so well preserved; the colors of some of the incredible pharaonic friezes are still as vibrantly coloured as when first painted.

Some of the best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamen. Discovered intact in 1922 by Howard Carter, it represented possibly one of the most dazzling archaeological finds ever. King Tutankhamen's solid gold funerary mask and his priceless cache of treasures entombed with him for his journey to the afterlife, are now on display at the world famous Egyptian Museum in Cairo. In all, more than 60 tombs have been excavated, though possibly the greatest find since the tomb of King Tutankhamen, is that of the largest tomb believed to be the burial place of more than 50 sons of Ramses II. So far more than 110 chambers and corridors have been discovered, coupled with 4 mummies!

Beyond the Valley of the Kings is Deir al-Bahri, otherwise known as the famous Temple of Queen Hatshepsut. Rising out of the desert plain, in a series of terraces partly rockcut, partly

freestanding, it is one of Egypt's finest and most photographed monuments. Hatshepsut, the 3rd Queen ever to rule ancient Egypt eventually declared herself pharaoh! We return to the east bank around midday, where we have a chance to relax awhile.

Meeting up mid afternoon, we visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt's Middle and New Kingdom rulers. Gigantic in proportion, at over 1.5km by 800m and the fact that almost every pharaoh left his (or her) mark here with evolving artistic and architectural styles, wandering through the temple is one of the highlights of a visit to Egypt. The further into the complex you venture the further back in time you go. See it for yourself in full technicolour. There's time for R&R by the pool this afternoon, before returning to Cairo by overnight seater train. Sleeper train upgrade available. **Overnight - Train (B)**

Day 5 : Cairo & The Egyptian Museum

Arriving to Cairo, we set off on a guided tour of the Museum of Egyptian Antiquities, commonly referred to as the Egyptian Museum. The museum is home to an extensive collection of some 120 000 ancient Egyptian antiquities, with a representative amount on display, the remainder in storerooms. Opt to visit the Royal Mummy Room, where 9 royal mummies from the New Kingdom is displayed.

The discovery, by eminent archaeologist Howard Carter of King Tutankhamen's treasure-filled tomb at the Valley of the Kings in 1922 is one of the archaeological world's greatest finds. The Egyptian Museum offers an exhibition dedicated to the showcasing of the treasures found in the boy King's tomb, along with the prize exhibit which has to be the priceless funerary treasures of King Tutankhamen, including his legendary solid gold death mask. This afternoon we offer an optional Cairo City tour for those interested. **Overnight - Cairo (B)**

Day 6 : Dahab

Cairo - Dahab. Today we cross the Suez Canal and travel onto beautiful Dahab, located on the Red Sea. Journey time approx 7 hours. Arriving at Dahab, our base for the coming days, there is plenty of time to explore the Sinai - a region of awesome beauty. Dahab offers great

diving, snorkelling, swimming and sun-worshipping possibilities. Indeed, there is an optional excursion to the awesome Blue Hole, which is good for snorkelling. An energetic optional excursion to the summit of Mt Sinai and St Katherine's Monastery is available (book locally). The climb commences in the early hours of the morning and experiencing the magnificent sunrise atop a mountain is a truly great experience. During winter we offer this as a sunset trek, firstly visiting St.Katherine's Monastery in the morning. Dahab waterfront is dotted with relaxed cafes, bars and shops, perfect for eating, drinking and a little relaxing retail therapy. **Overnight - Dahab (B)**

Days 7-8 : Red Sea R&R

Spend the following days at leisure. Optional activities include a snorkelling excursion to the Blue Hole. 80 metres deep, the Blue Hole boasts an abundance of colourful coral, fish and marine life. Most of the aquatic species live within the first 5 metres beneath the sea level, allowing even the novice a fantastic display of the underwater world. You can also opt for an energetic climb to the summit of Mt Sinai and visit St Katherine's Monastery. Camel and jeep treks into the surrounding Sinai Desert are also available locally. **Overnight - Dahab (B:2)**

Day 9 : Dead Sea - Jordan

Dahab - Aqaba - Madaba. This morning, we transfer to Nuweiba to take a private ferry crossing to Aqaba in Jordan. From Aqaba we commence our included excursion to the Dead Sea for lunch and a swim. Onward we explore Mt. Nebo - the single most important biblical site in Jordan. Having led the Israelites for 40 years through the wilderness, Moses finally saw from this panoramic vantage point, the Promised Land. We too can enjoy excellent views of the Jordan River Valley, the northern shore of the Dead Sea, Jericho and on clear days Jerusalem. We travel onto the bustling

market town of Madaba. We travel onto the bustling market town of Madaba. **Overnight - Madaba (B, L)**

Day 10 : Explore Petra - your own way

Madaba - Petra. Explore Christian Madaba this morning before noon time transfer to Petra. The late afternoon offers free time. Choose to explore the town on foot, stop off at a cafe for a cup of rich dark arabian coffee, browse the village shops, pop into the 'Made in Jordan' store for quality hand made items or simply spend the afternoon relaxing by the pool.

Tonight, it maybe possible to take a candlelit walk through the Siq by attending the 'Petra by Night' excursion. **Overnight - Petra (B)**

Day 11 : The Rose City of Petra

Welcome to the Rose City! Access to the city on our guided exploration is through the famous narrow, deep siq. The rocks then give way to the most amazing site – that of the fantastically impressive Treasury. Walking down the gravel tracks, we'll explore the ancient Nabatean tombs and the Roman rock-carved streets lined with temples, royal tombs, staircases, arched gates and public buildings. There is also a gigantic amphitheatre originally built to house 3000 spectators, though the Romans increased capacity to a whopping 7000. After the guided tour, you're free to head off and further explore, haggle for a horse and chariot or just relax and take it all in.

Free evening or why not test your culinary skills in the Petra Kitchen. Visit our website for more info. **Overnight - Petra (B)**

Day 12 : Wadi Rum - Lawrence of Arabia Land

Petra - Wadi Rum. A free morning in Petra to further explore independently or with your guide. If following in the footsteps of our guide we enter the Nabataean city via the 'secret road' of al-Madras, and visit the High Place of Sacrifice for a panoramic view of the ancient city centre.

Later this afternoon, we depart Petra and drive to Wadi Rum. A vast, silent landscape of ancient riverbeds, pastel coloured stretches of sandy desert and amazing rock formations known as jebels, dating from when time began that rise from the desert floor, Wadi Rum is our base for an exciting 4 x 4 desert safari. We'll jump aboard open-top 4 x 4s for our sunny, sandy and scenic adventure into Jordan's wilderness. Tonight, we'll enjoy an included Bedouin dinner and bed down in our permanent tents surrounded by a galaxy of twinkling stars and the striking desert landscape. **Overnight - Wadi Rum (B, D)**

Day 13 : Crossing the Gulf of Aqaba

Wadi Rum - Aqaba - Cairo. Today we drive to Aqaba. Returning by private ferry to Egypt, we travel onward to Cairo (approx 7 hours) arriving very late in the evening. **Overnight - Cairo (B)**

Day 14 : Cairo - your way

Cairo. Our tour concludes after breakfast and included departure transfer to the airport. Happy Travels!

Note: Please ensure that you book a flight departing Cairo after 7am today. This will allow a window of time in the rare event that our ferry returning from Jordan is delayed.(B)

Crossing by ferry from Egypt to Jordan

In line with Aqaba visa regulations and the rules of the private passenger ferries running from Taba (or Nuweiba) to Aqaba, all passengers must return to Egypt. As such it is in no way possible to leave the tour in Jordan and make your own arrangements from there onward. If wishing to end your tour in Jordan consider our Tutankhamen to the Treasury 14 day tour that uses a public ferry and port terminal that allows for a continued stay in Jordan.

IMPORTANT: On the rare occasion (3 - 4 times per year, often in winter) and at very late notice the ferry between Jordan/Egypt maybe cancelled. In such situations alternative arrangements (at an additional cost to travellers) via the land borders of Israel OR (if possible), arrange a flight from Amman, Jordan to Cairo, Egypt.

If re-routing via the land border and you do not want your passport stamped by Israeli Immigration, it is sometimes possible for a visa card to be stamped instead. Most Middle Eastern countries do not take issue with passports containing Israeli stamps i.e. Egypt, Jordan, United Arab Emirates or Turkey. Syria and Lebanon will refuse bearers of passports containing Israeli stamps. Should you wish for your passport NOT to contain evidence of having travelled to Israel, you also need to have your Jordanian exit stamp, stamped upon a separate piece of paper, which Jordanian officials are willing to do. Then upon entering/departing Israel politely specify, 'NO STAMP PLEASE' and request a visa card.

The additional cost to travellers for re-routing via the Israeli Land border is approx USD\$48.

If we are able to arrange a flight from Amman, Jordan to Cairo, Egypt. Travellers will be transferred to Amman airport, fly to Egypt (1.5 hr flight), be met at Cairo airport and onward transfer to your hotel. The cost of a flight from Amman to Cairo is approx USD\$175 - \$220. On The Go Tours will decide at the time which of the above arrangements will be best for the group (according to local conditions/ border opening and closing times, security and flight availability), often it is by flight. Payment for each of these alternatives is required at the time, ie prior to the commencement of the alternative arrangement. As such all travellers should carry cash funds in USD (appropriate to the highest value of the amount specified above) whilst travelling in Jordan.

Further this eventually may also occur when travelling from Egypt to Jordan.

Etiquette

Despite the inevitable ups and downs of travelling abroad, you will generally be shown great hospitality in Egypt. In return, please demonstrate sensitivity and respect for the local customs. Egypt is a Muslim country; so care should be taken to dress respectfully in large cities and towns, for example, when at markets and in public places.

- Ladies should avoid wearing 'clingy, tight or suggestive' attire, and stick to cool, flowing, cottons in busy city areas and markets
- Take care to dress conservatively and ensure that limbs are covered and remove footwear prior to entering a mosque.
- Ex-military style clothing should not be worn
- Ask permission before taking photographs of people.
- Beach attire is fine on board felucca cruises, at beach resorts or touristic areas i.e. at the Pyramids.
- Particular respect should be shown to Muslim women.
- The standard form of greeting is a handshake. Men and women do not kiss at any time as a form of greeting.

Mosques, Religion & Ramadan

90% of the population are Muslim. Others are Coptic Christians or followers of other faiths. All mosques (with the exception of Sayyida Zeinab and Al-Hussein in Cairo) are open to non-Muslims but cannot be visited during prayer times. For Egypt's best mosques, go to Islamic Cairo. Dress

conservatively. Ensure limbs are covered and shoes removed when entering any Mosque. Men must refrain from wearing shorts, as must women.

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As such we will start our tour earlier during this period to make the best use of time, leisure time will be offered in the late afternoon. Note: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast.. Forthcoming Ramadan dates are as follows, (approximate) - 21 July - 20 August 2012 09 July - 07 August 2013

Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan, so our itinerary is slightly altered to ensure we visit all itinerary attractions. Non Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street. Ramadan

Trouble Shooting

These things will most likely never happen, but it's good to be prepared if they ever do. Here are a few tips to keep your trip hassle-free. Egypt is no worse than anywhere else when it comes to crime. The biggest problem seems to be petty theft, including pick-pocketing and bag snatching. Minimise your chances of being robbed with these tips:

- Leave valuables in the hotel safe deposit or better still, at home
- Carry your passport on your person or a photocopy as ID
- Carry your bag close to your person rather than over your shoulder
- Travel in a group or pair, especially if you are female
- Don't catch cabs late at night on your own
- Never drink anything offered to you in the street, unless you opened it yourself

Please note On The Go Tours will not be held liable for loss or damage to personal property under any circumstances.

It's not like home

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Climate

Temperatures in Egypt are generally high (25 - 30 degrees) and even hotter in the summer months from May to September, when the sun can be fierce and temperatures soar, so pack light comfortable clothing, sunscreen and a hat.

In Cairo and the Nile Delta region, winter (October to February) can be cooler - so take a jacket, long-sleeved tops and trousers for the cooler evenings. The south remains warm during this time but again, temperatures do drop in the evenings. Rainfall is negligible with the most falling along Egypt's Mediterranean coastline.

Health Requirements

It is recommended that you be vaccinated for Tetanus and Polio, if you haven't had a booster in the last ten years. Food and waterborne diseases are more common, so we recommend vaccinations for typhoid (valid 3 years) and Hepatitis A (validity varies). Vaccination requirements can change so please check with your local health care provider before travel.

Currency

Egyptian Pounds (EGP or LE). Pounds Sterling, US Dollars and Euros are easily exchanged. You can obtain Egyptian Pounds (LE) at any major bank or your hotel. Exchange rates are subject to fluctuations.

- USD 1 = EGP 6.0
- GBP 1 = EGP 9.3
- AUD 1 = EGP 6.0
- EURO 1 = EGP 7.70

Holiday Money

All funds collected in Egypt for entrance fees or optional excursion that you may wish to undertake are payable in local currency (EGP).

Time

Egypt is two hours ahead of Greenwich Mean Time (GMT)

Essential Packing

- Sleeping bag for the felucca or for camping in the White Desert (if applicable to your tour).
- Lightweight cotton garments.
- Comfortable walking shoes for the Pyramids and Valley of the Kings Pack flip flops/thongs/jandals to wear aboard the Nile felucca or Nile Cruiser
- DEET based mosquito repellent & antihistamine cream
- 2 pin, European electrical adaptor.
- Two spare passport photos & a photocopy of your passport
- A small daypack for your day-to-day needs.
- Sunglasses, hat, sunscreen, swim costume and torch

If doing a felucca cruise, undertaking the Mt Sinai excursion in Dahab or travelling between November and March, pack warm clothes (i.e. - fleece, jacket, trousers, jeans, hat and scarf) as temperatures plummet at night. Due to sometimes icy conditions at the summit of Mt Sinai, hiking boots and thermal clothing are a sensible consideration if undertaking the optional climb in winter (November - March).

Arrival Transfers

A complimentary airport arrival transfer is included in your tour. Upon arrival at Cairo Airport you will be met by a representative from On The Go Tours either just before immigration or in the baggage hall near the luggage belt of your respective arriving flight. The prominent sign depicting our company logo easily identifies our representative. Please have your tour voucher handy and make it available to our representative. After collecting your luggage you will be escorted to our awaiting transportation.

If, for any reason you have trouble locating our representative (after waiting 20 minutes in the arrival hall) or your flight to Egypt is delayed, please call or send a text message to the emergency contact number as stated on your tour voucher.

Travelling by overnight train

SEATER TRAIN: On many of our group tours journeying south from Cairo to Aswan and/or Luxor, we utilise the overnight SEATER train service. This style of train offer basic and a modest level of comfort. Seating is reserved in air-conditioned Nefertiti Class or 1st Class Reserved seater wagons. Nefertiti style seats are located within 6 person, semi enclosed cabins. Whilst seats don't recline, the lights can be switched off inside your cabin. While 1st Class Reserved wagons are open, lights can not be turned off though the seats are wide and do recline. It is suggested you bring some ear plugs and also an eye mask for personal comfort. A neck pillow is also good idea, for a little added comfort. Rest rooms (which are very basic in standard) are located at the end of each wagon.

It is possible to upgrade to a sleeper cabin, reservations need to be made PRIOR to departure. Please ask your reservation consultant for more information.

Occasionally, the Nefertiti Class and the 1st Class Reserve train service are cancelled, in which case we would need to revert to a sleeper service at an additional cost to the passenger. You would be advised in Egypt, as although this occurrence is rare, there would be little notice offered.

SLEEPER TRAIN SERVICE, SLEEPER CABIN UPGRADE: On our Jewel of the Nile and Family tours we include the Sleeper Cabin Train as part of your journey. If you book our SLEEPER TRAIN UPGRADE this is also the service that you will be travelling on. Sleeper Train Cabins are equipped with 2 bunk beds with linen provided. Cabins are lockable, A/C and lighting are also controlled from the inside. Each cabin has a washbasin and small towel and western style bathrooms are located at

the end of the carriage. Dinner and breakfast (of an average standard) are served throughout the journey.
