There are 18 en suite cabins on the main and lower deck.

At the rear of the boat you can find a shaded lounge area with club tables and comfortable sofas.

Top deck, also called the sun deck offers 165 m<sup>2</sup> of space and is equipped with sun tanning chairs and jacuzzi.

WIFI is available free of charge in the salon and in the rear part of the boat

## Life Onboard

### Luggage

We recommend that you use a large holdall or rucksack rather than a suitcase due to limited space in the cabins though suitcases can be accommodated.

### What will I eat?

Aboard the cruise, Continental breakfast and lunch are provided. Continental breakfast will comprise tea or coffee, fruit juice, bread, butter and preserves, plus cold cuts and cheeses. Lunch will include a main course of pasta or risotto-type dishes served with a side salad. Dessert will be either seasonal fruits or perhaps pancakes. All menus are designed and cooked by the on board cook.

### Is there a bar on board?

A bar operates on board all boats. Prices are in line with those one will pay in port at bars/cafes for beers, wines, basic spirits, mixers, soft drinks and bottled mineral water. Since there is a bar aboard, it is not possible to consume personal supplies of alcohol or beverages not purchased aboard. If you were

found to be flouting this rule, you would be asked to consume such personal supplies when ashore. The same would happen if you were drinking BYO drinks in a hotel lobby - you'd be asked to consume the drink(s) beyond the confines of the hotel.

### Can I smoke on board?

Smoking is restricted to outside only – on deck.

### Should I book an 'on deck' or 'below deck' cabin?

There are small differences between 'above deck' and 'below deck' cabins. 'Above deck' cabins are arranged on the main or top deck of the boat and have windows allowing fresh air and views. Whilst 'below deck' cabins are arranged within the hull of the boat below the main deck. 'Below deck' cabins may have port holes but these will not necessarily open.

## Pre-Tour Accommodation

On our Group Sailing Holidays we are able to offer pre/post tour accommodation for those looking at spending additional time in Dubrovnik before or after their cruise.

The hotels we've selected for pre/post tour accommodation factor in comfort and travellers' needs such as proximity to local transport, restaurants, shops and attractions. On all our programs, we utilise superior tourist class hotels (locally rated as 3 - 4 star) with the emphasis on accommodating you in well-managed hotels that factor in comfort, cleanliness and a modest range of guest facilities rather than putting on the Ritz. All guest rooms offer an en suite bathroom, a television and occasionally a fridge. Most of our Croatian hotels offer a range of guest facilities such as a restaurant or coffee shop and sometimes additional facilities such as a bar, shops, and currency exchange.

## Families Onboard

Family groups, including parents with children from 5yrs are accepted on our Dubrovnik and the Dalmatian Coast sailing holiday and so may form part of your sailing group.

# Wonders of the Adriatic

## Captain's Call

The Captain has the right to change the scheduled route at any point in time to ensure the safety of all travellers and to ensure the cruiser stays on schedule. Changes may become necessary due to weather, sea conditions, port regulations or any other reason.

## KNOW BEFORE YOU GO

### Visas

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Croatia.

UK, Australia, New Zealand, Canada and USA passport holders don't require a visa for a stay of less than 90 days.

South African passport holders REQUIRE a visa (issued before departure). Requirements for the procurement of a Croatian visa are subject to change but application requirements include the need to show proof of sufficient funds to cover duration of stay, proof of pre-paid accommodation or documentation regarding the purpose and means of travel (such as a return or onward ticket, details of holiday arrangement etc).

### Health Requirements

You should seek medical advice before travelling to Croatia from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Diphtheria, Hepatitis A and Tetanus is strongly recommended. The tap water in Croatia is generally considered safe to drink, but as a precaution against stomach upsets you may want to drink bottled mineral water, which is readily available from shops, hotels and restaurants.

### Holiday Money

The official currency in Croatia is the Croatian Kuna.

Any money paid locally for optional excursions that you may wish to partake in can be paid in local currency only - Kuna.

If travelling with Euro, British Pounds, US Dollars and other major currencies these can be exchanged locally or in advance of departure. Internationally recognized debit/credit card can be used for cash machine withdrawals (available in all bigger towns). It's advisable to request bank notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended as they're often difficult to exchange and incur high fees.

### Time & Voltage

Croatia is 1 hour ahead of Greenwich Meantime (GMT). From the last Sunday in March to the last Sunday in October, Croatia observes Daylight Saving and is 2 hours ahead of GMT. Standard voltage is 220 volts, AC 50Hz. Primary sockets generally require European plugs, of the two round pin variety. We recommend that you pack a universal travel adaptor. You will need a voltage converter, and plug adaptor in order to use U.S. appliances.

### Climate

Croatia is a northern hemisphere destination with Mediterranean and continental climatic conditions. The continental climate is predominant with hot summers and cold winters. Along the Adriatic coast, dry summers are experienced with mild winters. Our cruises operate during the Croatian summer, when temperatures are generally high (particularly from June through September), so pack sunscreen and a hat, as the sun can be strong.

## Croatia: Money

### Croatia: Money

Prices quoted in this country dossier are in euros unless otherwise specified.

ALL prices mentioned are for guidance only and are subject to change.

### Local currency

The monetary unit in Croatia is the kuna (HRK). For up to date exchange rates with your own currency visit [www.oanda.com](http://www.oanda.com) or [www.xe.com](http://www.xe.com). You might find kuna difficult to obtain overseas, however it should be no problem to change currency on arrival

### Changing money, credit cards & ATMs

The easiest way to obtain money in Croatia is to draw it out of an ATM (cash machine) on a credit or debit card (e.g. visa or cirrus). ATMs are widely available throughout Croatia and credit cards are accepted in many restaurants and shops. Another option is to bring cash, in either US dollars or euros (pounds sterling and other currencies cannot always be easily changed) but we advise against bringing all your money in this form, in case of theft. In all of the cities that we visit there are many places to change money and your tour leader will be able to show you where to get the best rates of exchange.

### Tipping

In a restaurant, round up the bill unless a service charge has already been added or the service was not up to standard. You should also round up bar bills and taxi fares.

## Croatia: Optional excursions

A full list of the main excursions available on each tour can be found in the daily itinerary on these trip notes. All prices given are approximate and are subject to change due to local inflation or exchange rates.

## Croatia: Security

Most people find Croatia a very friendly and safe and feel quite comfortable wandering around alone during the day. However, as with any area you are not familiar with (particularly in the capital cities) it is recommended that you exercise more caution at night especially if you are a lone female.

## Croatia: Local food and drink

Some breakfasts are included in your tour. Breakfasts can be basic so if you tend to get hungry it may be a good idea to buy some fruit or snacks to eat during the day. All other meals, extra snacks and drinks on the tour are at your own expense.

Ask your tour leader if they can recommend any restaurants in the area to suit your taste or budget or have fun exploring independently.

### Food

Croatian specialities include Dalmatian or Istrian prosciutto, Pag or Lika cheese, sheep's cheese, Slavonian paprika-flavoured salami ("kulen" and Samobor or Zagorje garlic sausages ("èe#njovka"). There is also a wide selection of meat dishes, including turkey with a special pasta known as "mlinci", roast lamb, roast suckling pig, and boiled or baked "#trukli" (pasta with cheese). Croatian vineyards produce reasonable wine – particularly red and you will almost certainly come across plum brandy, a national favourite.

### Drink

All drinks such as bottled water or soft drinks are at your own expense at all times and are fairly inexpensive. Alcoholic drinks vary in price, with wine and beer generally being the cheapest options.
