Hello Cairo! Today, enjoy a guided visit to the famous pyramids and huge Sphinx at Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Gaze in awe at Cheops (Khufu) - the largest of the three great pyramids. Constructed from over 2.5 million limestone blocks it is thought to have taken more than 20 years to construct. Not built for the purpose of accommodating curious travellers, a visit inside one of the pyramids is hot, humid and not recommended for the claustrophobic! For a real Arabian experience, perhaps opt to hire a camel for a trot across the sands of Giza.
