Essential Jordan & Egypt

Day 2 : Optional Jerash & Ajloun

Spend today exploring the city of Amman at your leisure. Alternatively, join our optional excursion to Jerash, home to spectacular 2,000-year-old ruins, and the 12th century Ajloun Castle which commands stunning views of the Jordan Valley. **Overnight - Amman (B)**

Day 3 : Amman City tour & Karak Castle

Amman - Karak - Petra. This morning we take a guided tour of Amman, with highlights including the Citadel and the National Archaeological Museum. We then visit the magnificent Crusader castle of Karak and marvel at its crumbling remains as we travel south to Petra. **Overnight - Petra (B)**

Day 4 : Petra

We spend today exploring the remarkable Rose City of Petra. Dating back to the 6th

century BC, Petra was once the thriving capital of the Nabatean empire before being lost to the world for hundreds of years and rediscovered in the 1800s. Recently voted one of the New Seven Wonders of the World, it's one of the world's most incredible archaeological sites.

We access Petra by walking through a narrow gorge known as the Siq, where 200-metre-high rocks give way to reveal the spectacular façade of The Treasury. From here, the hidden valley widens to reveal the impressive Amphitheatre, tombs and temples that constitute the remains of this ancient city.

Following a fascinating guided tour, those feeling energetic can climb the hundreds of rock-cut steps to the Monastery, which offers incredible views over the surrounding landscape. Those staying on the ground can enjoy free time to explore and take more photographs.

This evening we have the opportunity to revisit Petra after dark on the optional Petra By Night excursion (payable locally). Walking back through the Siq, we see The Treasury's magnificent façade illuminated by thousands of candles. **Overnight - Petra (B)**

Day 5 : Free time in Petra & 4x4 in Wadi Rum

Petra - Wadi Rum. Spend this morning enjoying some free time or revisit Petra on an optional hike. Entering via the Al Madras secret road, the route takes in views of The Treasury from above and visits the High Place of Sacrifice, which served as the venue for religious ceremonies.

This afternoon we drive to the vast desert landscape of the Wadi Rum. Boarding 4x4 vehicles we take an exhilarating ride past rolling red dunes and epic rock formations on the way to our desert camp. Once there, we enjoy a Jordanian dinner and some time around the campfire, before exchanging our ceiling of stars for a permanent tent to bed down for the night. **Overnight - Wadi Rum (B, D)**

Day 6 : Dead Sea & Mt Nebo

Wadi Rum - Dead Sea - Mt Nebo - Madaba. This morning, early risers can enjoy a spectacular sunrise over the desert. Then after breakfast we travel north from Wadi Rum to reach the Dead Sea. At over 400 metres below sea level, this is the lowest point on Earth and its hypersaline waters are famous for their buoyancy. Here we spend a leisurely few hours floating about and smothering ourselves in some of the black Dead Sea mud, which is said to have curative properties.

Next we visit Mount Nebo, which offers views across the Jordan River Valley, the Dead Sea, Jericho and even as far as Bethlehem. It was from this site that Moses viewed the Promised Land and Mount Nebo is one of the country's most revered holy sites. We spend our final night in Jordan in Madaba. This ancient market town is famed for its beautiful Byzantine-era mosaics, the most impressive of which is found in St George's Church and is the oldest known map of the Holy Land. **Overnight - Madaba (B)**

Day 7 : Fly Amman to Cairo

Amman - Cairo. Today marks the end of the Jordanian section of our tour and the beginning of our Egyptian Adventure. Included transfer to Amman's Queen Ali Airport for your included flight to Egypt. Once

Essential Jordan & Egypt

at Cairo International Airport, you'll be met by our team and transferred to our hotel.

Overnight - Cairo (B)

Day 8 : Pyramids of Giza, Saqqara & Khan el-Khalili

This morning we travel to the Giza Plateau to see the only survivors of the Ancient Seven Wonders of the World. Built over 4,500 years ago, the Pyramids of Giza were designed to protect the mummies of pharaohs and the treasures they took with them to the afterlife. Of the three pyramids known as Cheops, Chephren and Mycerinus, Cheops is the largest and was constructed from over 2.5 million limestone blocks. There is also the option of hiring a camel for a ride across the sands of Giza.

Our next stop is the necropolis of Saqqara, where we'll explore Zoser's famous step pyramid. Rising to a height of 65 metres, this pyramid was an architectural marvel of its time and was constructed by the pharaoh's chief architect Imhotep. We complete our day souvenir shopping at the bustling Khan el-Khalili bazaar. **Overnight - Cairo (B)**

Day 9 : Egyptian Museum

Cairo - Luxor. We spend this morning exploring the famous Egyptian Museum, which contains one of the world's most important collections of ancient artefacts. Amongst the fascinating Egyptian relics, we see the treasures of King Tutankhamun, including his famous solid gold funerary mask.

We then board our coach this afternoon for the 9 hour journey south to Luxor. Our hotel for the night is located by the River Nile. **Overnight - Luxor (B)**

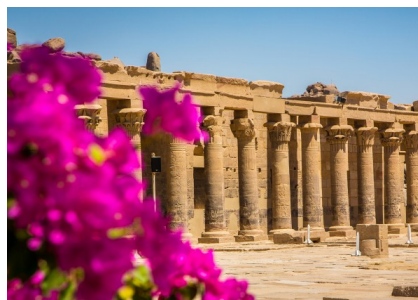

Day 10 : Valley of the Kings

Luxor - Aswan. We venture to Luxor's West Bank this morning to explore the elaborate tombs of the Valley of the Kings. We're greeted by the towering Colossi of Memnon, a pair of 18-metre high statues of Pharaoh Amenhotep III, before heading to the beautiful Temple of Queen Hatshepsut. This memorial temple is one of ancient Egypt's greatest architectural achievements, featuring a series of terraces rising out of the desert plain and surrounded by imposing limestone cliffs.

Our afternoon sees us travel south to Aswan, where we enjoy a leisurely evening and stroll along the picturesque banks of the River Nile. **Overnight - Aswan (B)**

Day 11 : Optional Abu Simbel & Philae Temple

Today we have the option of an excursion to the temple of Abu Simbel, where four giant statues of King Ramses II look out across Lake Nasser. We then take a short boat ride out to Agilkia Island for a guided tour of the beautiful Philae Temple. Dating back to the 4th century BC, this is the last classical Egyptian style temple and is dedicated to the goddess Isis.

The rest of the day is free to either go shopping in Aswan's colourful souks or relax by the hotel pool, followed by watching a

beautiful sunset over the Nile. **Overnight - Aswan (B)**

Day 12 : Elephantine Island

Today we board an Egyptian felucca for a relaxed sailing trip along the River Nile. These traditional boats have plied the Nile since ancient times and, alongside watching life on the riverbanks, we stop to explore Elephantine Island. The Island is so-named as its rocks form the shape of an elephant's back. Here we explore a colourful Nubian Village and you can opt to see an ancient Nilometer, which measures the depth of this great river. Remainder of the day at your leisure. **Overnight - Aswan (B)**

Day 13 : Kom Ombo & Luxor Temple

Aswan - Kom Ombo - Luxor. We say goodbye to Aswan and journey back to Luxor. En route we stop to visit the remarkable riverside temple of Kom Ombo, built to honour the crocodile-headed god Sobek. This evening we have an optional excursion to Luxor Temple, which is at its most spectacular after dark when it's lit up with hundreds of lights. **Overnight - Luxor (B)**

Day 14 : Luxor

Our final destination this morning is the vast temple of Karnak, where we enjoy a guided tour of this incredible religious complex.
