This morning we take a short transfer to a local husky farm. A welcoming party of friendly excitable husky dogs will be waiting as we make our way in. We'll then have a tutorial on how to ride the husky sleigh before we head off into the Arctic wilderness with these beautiful creatures powering our momentum. Your guide will lead the train of huskies and sleighs through the magnificent taiga forest and frozen marsh. It will be two people to a sleigh, with each person getting the opportunity to be in the driving position. Returning to the husky farm you'll have the opportunity to enjoy a warm drink and hear interesting stories about the huskies.

This evening you'll have the option to travel to a frozen lake, where, after getting wrapped up in a thick rescue suit, you'll ease in and enjoy a relaxing float. Whilst it might sound a little different, the high quality rescue suit will
