Perseids Meteor Shower

Amman - Jerash - Umm Qais - Amman. Your tour leader will usually be at your hotel at approximately 7.30am for your welcome meeting. Throughout the tour, you'll be fully briefed by your tour leader as regards touring arrangements. Also, a modest tipping kitty will be collected from everyone. This will cover all the tipping throughout the tour (to baggage handlers, porters, drivers and ancillaries), except tips for the tour leader.

Driving north, we visit the awesome Roman ruins of Jerash. Second only to Petra in touristic appeal, the 2,000 year-old Graeco-Roman ruins of Jerash are recognised as one of the best-preserved member cities of the Decapolis, a confederation of 10 Graeco-Roman cities. When Emperor Hadrian paid a visit in 129 AD, the place was buzzing. The citizens threw up a Triumphal Arch for him which still stands today.

Exemplifying the finesse of Roman urban life, the town boasts a hippodrome, the old sports field that once held 15,000 spectators, a stunning amphitheatre with amazing acoustic abilities, the forum which gracefully links the main north-south axis of Jerash, a colonnaded street paved with original stones and the rut marks of chariots, a nymphaeum replete with ancient fountains trimmed with dolphins and various temples.

From here, we travel to the modern town of Umm Qais, which is the site of the ancient Graeco-Roman town of Gadara, one of the cities of the Decapolis with panoramic views over the Sea of Galilee and the Golan Heights. Gadara was renowned for its cosmopolitan atmosphere, attracting an array of writers, artists, philosophers and poets. It also served as a resort for Romans vacationing in the early al-Hemma hot springs.

Gadara was blessed with fertile soil, abundant water and a location astride a number of key trading routes connecting Asia and Europe. The city thrived until the Byzantine era which witnessed the decline of Gadara into relative obscurity. Earthquakes destroyed many buildings, and by the dawn of the Islamic era Gadara had become just another village. The town became known by the Arabic name Umm Qais during the Middle Ages. Today,

a considerable portion of the original Roman amphitheatre has survived. The seats face west, and are brought to life at sunset. Next to the theatre is a colonnaded street that once probably was the town's commercial heart. Also near the black basalt theatre are the columns of the great Basilica of Gadara. Further west along the colonnaded street are a mausoleum and public baths.

Later this evening we head out for a meal and a stroll along Rainbow Street to experience modern Amman with its hip bars, rooftop restaurants, art studios, bookshops and curios. **Overnight - Amman (B, D)**

Day 3 : Mt Nebo & Umm ar Rasas

Amman - Mt Nebo - Umm ar Rasas - Petra. This morning, we tour the citadel of Amman, Archaeological Museum and enjoy free time shopping in the local souq, before visiting the Christian market town of Madaba and Jordan's finest Byzantine mosaics. Next is Mt Nebo - the single most important biblical site in Jordan. Having led the Israelites for 40 years through the wilderness, Moses finally saw, from this awesome vantage point, the Promised Land, that God forbid him to set foot in. We too can enjoy the excellent views offered of the Jordan River Valley, the northern shore of the Dead Sea, Jericho on the opposite bank and (on clear days) the towers on the Mount of Olives in Jerusalem.

Later we visit Umm ar Rasas, a haunted deserted city on the ancient caravan routes. The village is the site of the now ruinous Roman garrison town of Kastron Mefaa, which developed during the Byzantine and Umayyad periods into a relatively important city. Large mosaic floors from two of its dozen or more churches have been painstakingly cleaned and protected. The mosaic floor of

the Church of St Stephen dates to 785, over 150 years after Muslim rule was established in Jordan, and depicts the cities of the day including Jerusalem, with Palestinian cities below such as Nablus and Gaza and seven Trans-Jordanian cities including Philadelphia (modern-day Amman), Madaba and Karak.

If you'd like to learn how to cook Middle Eastern food consider opting to book our Petra Kitchen Add-on tonight.

Overnight - Petra (B)

Day 4 : The Rose City of Petra

Chief among Jordan's many archaeological riches is the UNESCO World Heritage Site of the Rose City of Petra. The city was first settled around the 6th century BC by the Nabataean tribe from Western Arabia. A succession of habitation, leadership and further development followed, but as the caravan trade routes were gradually displaced by the advent of sea trade routes, the city's importance gradually declined and Petra passed into obscurity. Rediscovered in 1812 by the young Swiss explorer Jean Louis Burckhardt, it remains on the list of many travellers. The approach to Petra is very undulating. The town itself is set across some rather steep hills that wend downwards to the star attraction, the Rose City. We access the hidden archaeological treasures of the Rose City on a walk through a narrow, deep siq, where the rocks finally give way to reveal the famous facade of the Kazneh - the Treasury of Petra. It's natural to have an Indiana Jones moment here as it was this building that served as the Holy Grail's resting place and the prize Indy so coveted. As the Treasury is passed, the hidden valley widens to reveal the remains of the city proper. Continuing our walk, we'll then go on to explore more of this fantastic once-lost city.

Perseids Meteor Shower

In all, there are some 800 registered sites in Petra, including some 500 tombs. Just as fascinating as the rock-carved monuments are the rocks themselves. Petra is an erosion-hewn masterpiece. Sandstone shot with minerals burst into colour giving off blue, red, orange and green hues. Amongst the rocky and sometimes jagged scenery, it's sometimes hard to know what is man-made and what is the result of pure nature. Our exploration takes us past many tombs, temples, an impressive amphitheatre and a Roman colonnaded street. Concluding the guided aspect of the tour, you're free to head off and further explore. The intrepid can ascend the hundreds of rock-cut steps to Ad-Deir. Better known as the Monastery, Ad-Deir has a similar facade to that of the Treasury, but is far bigger and the views from the nearby cliff-tops are awesome.

Today's sightseeing tour of Petra is conducted at a moderate pace covering approximately 12 - 15km (including the Monastery). Much of the ground will be rocky and uneven and you will need to have an average level of fitness to complete the full tour. There will be short breaks along the way. Some travellers choose not to complete the full tour and skip the climb to the Monastery and should you do this you'll be able to independently explore and stroll back toward the siq at a leisurely pace.

Please note: Petra by Night (candlelight walk along the Siq) is not offered on this departure as the site is closed on both Friday and Saturday evenings. **Overnight - Petra (B)**

Day 5 : Wadi Rum & Perseids

Petra - Wadi Rum. There is a chance to revisit Petra this morning before leaving at noon to drive to Wadi Rum. Upon arrival in Wadi Rum, we enjoy a jeep safari through the area once favoured by the legendary Lawrence of

Arabia and his Arab uprising. Wadi Rum is a vast, silent landscape of ancient riverbeds, pastel coloured stretches of sandy desert and amazing rock formations known as jebels that rise from the desert floor, the desert scape of Wadi Rum represents some of the most stunning countryside on the planet.

Tonight, we'll tuck into a Jordanian dinner before the stargazing begins. The Perseids Meteor Shower occurs once a year and has been observed for the last 2000 years. At its peak the meteors rain down at a rate of about 60 meteors per hour. The clear and night sky of the Jordanian desert is the ideal place from which to view these celestial wonders. The Perseids were traditionally known as the "tears of St Lawrence" because they often appeared around the saint's feast day.

In previous years our groups have enjoyed a spectacular show staying up well into the night and counting well over 150 meteors shooting across the sky and we hope to have the same experience this year. **Overnight - Wadi Rum (B, D)**

Day 6 : Camel Trekking, Wadi Mujib & Dead Sea

Wadi Rum - Wadi Mujib - Dead Sea. Today we get the chance to experience Wadi Rum as the Bedouins do - by camel. Until recently, the Bedouins were a nomadic people who made their living through looking after their herds of goats. Although most of the Bedouins have now become villagers, they still rely on the goats for the milk, yoghurt and cheese, and some families do return for a part of the year to a wandering existence, minding their flocks. As we ride through Wadi Rum on camel back we have a chance to see some of the desert wildlife including many small birds and various Geckos and Agamas, including the striking bright blue Agama.

Departing Wadi Rum, we'll head up the King's Highway to Wadi Mujib. We'll embark on a moderate -paced two hour trek along the Siq Trail. Measuring 500 metres in depth and spanning 4 kilometres across, the impressive Wadi Mujib is one of Jordan's most remarkable natural features. This dramatic canyon features sheer rocky walls and sparkling waterways that range from puddle

height to depths that are perfect for swimming (chest height or deeper) depending on the rainfall. When the water level is high you should be prepared for having to climb up ladders, clamber across boulders and be happy to wade through water. The canyon is just one feature of the Mujib Biosphere Reserve, the lowest nature reserve in the world, home to a surprising diversity of wildlife and plant species. After our trek we make our way to the Dead Sea. For those not interested in taking the full hike, you can walk part of or wait by the Visitor Centre till the group returns. After our trek we make our way to the Dead Sea.

After check in at the Dead Sea, re-confirming your departure transfer time to Amman Airport and answering any questions you may have, it will be time to say goodbye to your tour guide who will be returning to Amman today. Your time at the Dead Sea is offered purely as rest and relaxation and with no formal arrangements your guide will take his leave.

Note: Lunch and dinner at the Dead Sea are not included in our stay. A buffet lunch is offered daily at a cost of 13 JD and a dinner buffet nightly at a cost of 19 JD per person. There is also an a la carte menu and other restaurant choice available onsite. **Overnight - Dead Sea (B)**

Day 7 : Dead Sea Relaxation

The lowest point on the earth's surface at more than 400m below sea level, the Dead Sea is a natural phenomenon and high on most travellers' bucket lists. Lucky for us we have a whole day to spend here, whiling away the time bobbing in its mineral-rich buoyant waters and lathering up with a detoxifying mud bath. Later today there will be an optional visit to the Ma'in hot springs - a series of waterfalls and hot springs, and a sacred

baptism site where Jesus Christ is thought to have been baptised (book locally).

A few top tips to make your dip in the Dead Sea a memorable one;

- Don't shave shortly before swimming (the high mineral content will leave you with a stinging face, neck, legs or armpits).
- Take some eye drops along (getting even a tiny drop of the thick water in your eye is painful).
- After swimming be sure to use the freshwater shower facilities where you can rinse off. Otherwise, the sea's minerals will leave an uncomfortable crust on your skin.

Overnight - Dead Sea (B)

Day 8 : Dead Sea

Thursday 15 Aug 2019. Dead Sea - Amman Airport. Hotel check out and included onward transfer to the airport in Amman. Departure transfers are offered on day 8 at 23:00 (evening of day 7), 04:00, 07:00, 09:00 12:00 and 16:00. If you would like a departure transfer at any other time or a transfer with post tour accommodation this can be arranged at an additional cost.

HOTELS

The hotels listed below are ones which we frequently use on this tour. We reserve the right to substitute these hotels to ones of a similar standard when necessary.

Recently refurbished, the Al Qasr Metropole is a modern and chic boutique hotel. Guest rooms are beautifully furnished and include free Wi-Fi connection and luxury en suite facilities. All guests at the Al Qasr gain free access to the on site Fitness First gym as well as a complimentary breakfast. Old Village Resort

Located above Wadi Mousa, Old Village Resort has a wonderfully traditional feel about it with open stonework and original architecture. Rooms are full of character, some with delightful archways and all directly accessed from the outside. The hotel boasts an indoor swimming pool and sauna and beautiful views of the surrounding mountains. For dinner why not dine al fresco at the restaurant overlooking the mountains. Rainbow Camp

A row of permanent tents in the desert make up the popular Rainbow Camp. Inside the tents are comfortable camp beds and warm bedding. Showers and toilets are close by and are cleaned thoroughly every day. Guests can relax in the communal area which is adorned with colourful rugs and cushions. The food at Rainbow Camp always gets rave reviews. Taking an evening stroll around the beautiful surroundings is a great way to work up an appetite before dinner. Wadi Mujib Gorge

If travelling between 01 Apr - 31 Oct, you have the option to take a walk through the canyons of Wadi Mujib. Starting at the visitor's centre near the Mujib Bridge we walk/ wade upstream through the gorge nestled deep within the sandstone outcrop to the base of a large waterfall. Depending on seasonal rainfall levels, the gorge may contain pools deep enough for swimming. It's an ideal walk to take slowly and enjoy the cool water and shade, especially in the heat of the summer. Despite being relatively easy at times, it does have hidden risks. When the water level is high you should be prepared for having to climb up ladders, clamber across boulders and be happy to wade through water. The river bed changes after each winter flood and this can create deep pools and strong currents making this walk harder (speak to your guide about the current conditions). Always take care along the walk, avoid pools and rapids, respect any rope barriers and take care if scaling up wet rocks using the ropes. Depending on conditions this would be unsuitable for travellers that are not confident swimmers.

What you need to bring:

Clothes: Should be light and comfortable. T-shirts and long shorts are advisable (to protect legs). You are advised to wear a bathing suit under your clothes and bear in mind that all your clothes will get totally wet so don't wear anything that you don't mind getting ruined. Shoes will also get totally wet. Therefore wear something that is not slippery and avoid flip

flops or thongs - rugged water shoes are a good option. You may wear hiking sandals as well. Sunscreen is important along with caps. (The beginning of the hike is under the sun but later you are shaded by the mountains). You may want to bring clothes to change into after the walk. Prescription eye glasses and sunglasses may get damaged and are best left behind.

Mosques, Religion & Ramadan

93% of the population are Muslim. Others are Christians or followers of other faiths. All mosques are open to non-Muslims but cannot be visited during prayer times. If visiting a mosque you will need to dress conservatively. Ensure limbs are covered and shoes removed when entering any Mosque. Men must refrain from wearing shorts, as must women.

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As such we will start our tour earlier during this period to make the best use of time and itineraries will be slightly altered to ensure we visit all attractions, leisure time will be offered in the late afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street.

Note: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are as follows, (approximate) -
05 May – 04 June 2019
24 April – 23 May 2020
14 April – 13 May 2021

Wadi Rum Desert Camp

On all group tours in Jordan we include a night in Wadi Rum at a Bedouin desert camp, where camping is the best way for us to experience the beautiful desert landscape. You can choose to spend the night camping under the stars or bedding down in our comfortable permanent tents with twin beds and linen provided, although you may want to bring your own sleeping bag liner. If visiting in winter (Nov - Mar) it can be very cold at night in the desert and you may wish to bring your own sleeping bag for warmth. There are environmentally friendly shared bathroom facilities with hot and cold running water, toilets and showers. Our communal tent furnished with small tables and cushioned seating area, is the place to gather at night where we enjoy a hearty Jordanian meal and some traditional Bedouin music.

Shopping

Jordan offers a range of quality souvenirs. Look out for high-quality artefacts including rugs, pottery, paintings, jewellery, embroidery and woven items produced by local Jordanian women under the auspices of the Noor-Al Hussein Foundation and the Queen Alia Fund. A popular form of ceramic ware is 'Jerusalem Pottery'. Platters are highly decorated with biblically-inspired designs including fish, peacocks, grapes and goblets of wine. Known as Hebron glass, colourful handmade glassware in brilliant colours is a nice buy, as is silver jewellery crafted by the Bedouin people. Dead Sea products of all guises, olive oil and soaps, sweetmeats and olive wood objects are also uniquely Jordanian souvenirs.

IMPORTANT: Set your budget and don't be swayed, remember the caveat – 'Let the buyer beware'. Any purchases made whilst on holiday with us, irrespective of whether the store is recommended by us or other, are at your own discretion. Please make sure that you are completely happy with the product you are purchasing and the delivery arrangements (we would recommend you take away with you any purchases rather than rely on shipping services). Entrance Fees & LP

Entry fees to sites are not included in your holiday and are subject to change at the discretion of the Ministry of Tourism. There is no reduction for ISIC student card holders at Jordanian sites. A two day pass for Petra is currently 55JD (approximately USD\$77) and a one day ticket is 50JD (approximately USD \$70), included in the above budget.

In Jordan, we collect entrance fees on Day 2 of the tour, the amount is noted under exclusions on page one of this document. On our Road to Jordan, Temples Tombs & Treasury and Pyramids Petra, Promised Land tours entrance fees will be collected upon your arrival to Petra or the following morning. You can take advantage of exchanging money and ATM facilities at the airport. All funds collected in Jordan are payable in Jordanian Diner (JD).

If travelling onto Egypt, your entrance fees for this part of your holiday is payable in EGP and will be collected on the second day of arriving to Cairo

If your tour includes a Local Payment of GBP 150 or USD equivalent (noted under exclusions) this amount will also be collected on Day 2 in Jordan.

Tipping Kitty

At the start of your holiday we will collect a tip kitty (the amount is noted under exclusions) from all participants on the tour to cover gratuities throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, and other support staff throughout the tour.

This amount does not include a tip for your tour guide. For a job well done, we would suggest USD\$5 - 7 per day for your tour guide, however the decision to tip or how much is entirely up to you.

If you are travelling on to Egypt, the tip kitty for the Egyptian sector of your holiday will be collected in EGP on the second day of arriving there. You should also allow a tip of USD\$5 - 7 per day for your Egyptian tour guide, though ultimately the decision to tip or not and the amount is a personal choice.

If travelling onto Israel we would also recommend you budget USD5 - 7 per day, per traveller for your guide and USD2 -3 for your driver. Tipping your guide and driver is an entirely personal gesture.

Petra Park Services Charge

The cost of the entrance ticket to Petra includes a compulsory 7JD fee to ride an Arabian horse. This Government-approved directive is in support of the local Bedouin who own the horses and also live in the surrounding town of Wadi Musa. As you have paid this obligatory charge, you are indeed entitled to ride a horse 800 metres down to the entrance gate at Petra. However, please be aware that you'll need to tip the horse handler an extra 2JD. IMPORTANT- On The Go Tours only recommends that you do so if you are an experienced rider. The decision to ride a horse is a personal one.

Health Requirements

You should seek medical advice before travelling to Jordan from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a

guide Tetanus, Diphtheria and Hepatitis A are strongly recommended. As tap water is not safe to drink in Jordan, only drink bottled mineral water which is readily available from hotels, shops and restaurants.

Currency

The currency of Jordan is the Jordanian Dinar. Pound Sterling, US Dollars, Euro and other major currencies can be exchanged in Jordan. Exchange facilities are available at various bureau de changes and all major towns have ATMs. It's advisable to request bank notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended.

Climate

The maximum daily temperature in Amman ranges from 12°C in January to 32°C in August. The weather in the Jordan Valley (Petra) and south of the country is very hot during the summer months of April through to September. At this time of year daytime temperatures can exceed 38°C and increase to as high as 49°C. The sun can be fierce so it is advised to apply plenty of sunscreen, especially at the Dead Sea.

In winter (December to February) temperatures can range from 0°C to 12°C. If visiting during winter you will need to pack warm clothes for sightseeing, although the Dead Sea region will still be quite warm. If your holiday includes a stay in the Wadi Rum desert, winter wear items such as hat, scarf and gloves are also advised.

Time & Voltage

Jordan is 2 hours ahead of Greenwich Meantime (GMT). From the last Sunday in March to the last Sunday in October Jordan observes Daylight Saving and is 3 hours ahead of GMT. Standard voltage is 220 volts. Primary sockets require 3 pin UK and often European, 2 pronged variety. In Israel the preferred variety is European 2 prong. We recommend that you pack a universal travel adaptor. You will need a voltage converter, and plug adaptor in order to use U.S. appliances.

Guides & Groups

Many of our tours offered are sectors of a larger tour. As such, on your holiday you may have travellers join you part way through your tour or end their holiday when you continue on. You also may have a number of escorting guides throughout your tour, ie one guide escorting your time in Jordan and the remainder of the holiday another in Egypt (or in reverse depending on your tour booked).

Essential Packing

- Camping at Wadi Rum - All bedding (of a well-laundered standard) is provided at our Bedouin camp. It is of a personal choice should you wish to bring your own sleep sheet or sleeping bag.
- Pack insect repellent and a torch or headlamp if staying in Wadi Rum
- If visiting in winter pack warm clothes and an umbrella
- In summer bring lightweight clothing, sunscreen and a hat
- UK 3 pin and European 2 prong (European more so for Israel) electrical adaptors as the sockets vary from one hotel to another
- A copy of your travel insurance policy, spare passport photos and a photocopy of your passport
- Proper walking shoes (joggers/ trainers) for sightseeing in Petra
- If visiting Wadi Mujib Siq trail/canyon you'll need clothing and footwear that can get wet. Ideally a t-shirt & shorts or swimmers and trainers/walking shoes that will spend most of the walk submerged.
- Binoculars IMPORTANT - are considered as surveillance equipment. Should you be carrying binoculars expect that you'll be asked to hand these over briefly at times (with your passport) by police or military for inspection. You should not be concerned by the event, as this is merely a routine inspection of the item.
