New Years in Morocco

Climate

Morocco is a great year round destination, blessed with lots of sunshine and a temperate climate. It can become incredibly hot in the summer months with temperatures 38°C or higher, particularly in July and August so use plenty of sun screen, cover up and drink plenty of water. The nights can be cooler especially in the mountains or in the desert and it is windy along the coast throughout the year.

During the winter months (November to February), temperatures usually remain pleasant in the cities, averaging around 20°C, but it is very cold at nights, in the desert and in the Atlas Mountains. There is often snow in the Atlas Mountains from November through until March and temperatures can drop to below freezing - so take plenty of warm clothes including jacket, long-sleeved tops, jumper, gloves and trousers.

Sleeping bag & torch

A lightweight sleeping bag is required for the Sahara Desert camp or a cotton sleep sheet will be adequate if travelling from May to September. You will also need to bring a torch for your night in the Sahara.

Please note that the sleeping bag/sleep sheet and torch are only required if you are camping and will not be needed if you have booked our Sahara Hotel Upgrade.

Time & Voltage

Morocco is on Greenwich Mean Time (GMT). Daylight Savings is currently being observed; however, it changes frequently and is not observed during the holy month of Ramadan. Standard voltage is 220 volts. Primary sockets require the European, 2 pronged variety. We recommend that you pack a universal travel adaptor. You will need a voltage converter, and plug adaptor in order to use U.S. appliances.

Currency & Holiday Money

The currency of Morocco is the Moroccan Dirham.

Pound Sterling, US Dollars and Euro can be exchanged in Morocco at various bureau de changes in major cities and towns (please note Australian and New Zealand Dollars as well as South African Rand are often tricky

to exchange and often not accepted so we advise against bringing them for exchange), and most banks have ATMs. Credit cards are virtually useless outside main cities and towns. It's advisable to request bank notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended as they're often difficult to exchange and incur high fees.

How much you spend depends largely on individual tastes and often how much you eat, drink or shop. We currently recommend an average of Euro 20 - 30 per day on top of optional excursions.

Shopping

Morocco is a shoppers' paradise. The souks of Fes, Marrakech and Meknes are full of pottery, carpets and kilims, leather goods, spices and cloth. Keep space in your backpack for your purchases! Our best buys are: carpets – from the High Atlas mountains or a woven and embroidered Kilim; the burnoose, an elegant hooded cape; spices; or traditional pottery and leather from Fes.

IMPORTANT: Set your budget and don't be swayed, remember the caveat – 'Let the buyer beware'. Any purchases made whilst on holiday with us, irrespective of whether the store is recommended by us or other, are at your own discretion. Please make sure that you are completely happy with the product you are purchasing and the delivery arrangements (we would recommend you take away with you any purchases rather than rely on shipping services). On The Go cannot be held responsible or accountable for items bought in country or shipping arrangements. Proceed with caution.

Hotels in Morocco

The hotels on our group tours in Morocco are simple, clean, comfortable and centrally located. We try to use local and traditional hotels with plenty of character wherever possible. In smaller towns, the choice of accommodation may be limited, but we will always book the best accommodation available for our groups. Please be aware that hotels in Morocco are not of the same

standard as Western hotels and facilities are often basic.

It's not like home

Travel to far-flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Mosques & Religion

Although freedom of religious faith is permitted by the Moroccan law, about 99% of people are Sunni Muslim. About 1% of the population is Christian, and less than 0.2 percent is Jewish. With the exception of the Hassan II mosque in Casablanca, it is not permitted for non-Muslims to enter mosques in Morocco. If you are entering the Hassan II mosque, please remember to dress conservatively. Ensure limbs are covered and shoes removed when entering any mosque. Men must refrain from wearing shorts, as must women.

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As such we will start our tour earlier during this period to make the best use of time and itineraries will be slightly altered to ensure we visit all attractions, leisure time will be offered in the late afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street.

Note: Traffic is exceptionally heavy during Ramadan, especially toward the time of

breaking the fast. Forthcoming Ramadan dates are as follows, (approximate) -

05 May – 04 June 2019

24 April – 23 May 2020

14 April – 13 May 2020

Etiquette

Despite the inevitable ups and downs of travelling abroad, you will generally be shown great hospitality in Morocco. In return, please demonstrate sensitivity and respect for the local customs. Morocco is a Muslim country; so care should be taken to dress respectfully in local towns or villages.

- Ladies should avoid wearing 'clingy, tight or suggestive' attire, and stick to cool, flowing, cottons in small towns, local villages and in rural areas
- Take care to dress conservatively and ensure that limbs are covered and remove footwear prior to entering a mosque
- Ex-military style clothing should not be worn
- Ask permission before taking photographs of people
- The standard form of greeting is a handshake. Men and women do not kiss at any time as a form of greeting

Calling home from Morocco

It is currently not always possible to use VoIP (voice over internet protocol) services like Whatsapp, Viber, Skype and Facebook Messenger in Morocco. The text options on these services are still fine to use but the calling functions might not always work. It is understood that the Moroccan telecom providers have done this in order to push as much voice calls onto their networks rather than people being able to use these free services.

Troubleshooting

These things will most likely never happen, but it's good to be prepared if they ever do. Here are a few tips to keep your trip hassle-free. Morocco is no worse than anywhere else when it comes to crime. The biggest problem seems to be petty theft, including pick-pocketing and bag snatching. Minimise your chances of being robbed with these tips:

- Leave valuables in the hotel safe deposit or better still, at home

- Carry your passport on your person or a photocopy as ID
- Carry your bag close to your person rather than over your shoulder
- Travel in a group or pair, especially if you are female
- Don't catch cabs late at night on your own
- Never drink anything offered to you in the street, unless you opened it yourself

Please note On The Go Tours will not be held liable for loss or damage to personal property under any circumstances

Health Requirements

You should seek medical advice before travelling to Morocco from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide, Tetanus and Hepatitis A are strongly recommended. While tap water in Morocco is generally considered safe to drink in main cities, it is not advisable in smaller towns and remote areas. It's recommended to only drink bottled mineral water, which is readily available in hotels, shops and restaurants.

Drones Not Permitted

It is forbidden to bring drones into Morocco (even small ones that might fit in hand luggage), a special permit has to be arranged with the appropriate department in Rabat and this can take months to arrange.
