Africa and Namibia. Our accommodation for the evening is situated on the South African side of the river with beautiful views. **Overnight - Orange River** (B, L, D)

Day 4 : Fish River Canyon

Orange River - Fish River Canyon. An exciting day starts with a canoe trip on the Gariiep River, home to a fantastic array of birdlife. You'll get the opportunity to take a paddle in the river as we explore by boat. After lunch we cross the border into Namibia and make our way to Fish River Canyon, the second largest canyon in the world. Formed by tectonic activity and erosion it measures 161km in length, 2km in width and roughly 550m in depth. Following the eastern rim we'll get the chance to stop at a number of vantage points for breathtaking views across the canyon. **Overnight - Grunau** (B, L)

Day 5 : Sesriem

Fish River Canyon - Sesriem. It's an early start today as we make our way north through the Namib-Naukluft desert, one of the oldest in the world. With a sea of towering sand dunes, some of which are reputed to be the highest in the world, it's an incredible part of the world. Our base for the next two nights is the Sossuvlei area, a great place to explore the region from. **Overnight - Sossusvlei Region** (B, L)

Day 6 : Namibia's Sand Dunes

Today we further explore the amazing Namib-Naukluft National Park. We have the opportunity

to climb Dune 45, so named because it's at the 45th kilometre on the road that connects Sesriem gate and Sossuvlei. This impressive dune stands at around 80 metres at its highest point and is made up of 5 million-year-old sand. Later today you'll have the opportunity to join one of the desert shuttles that heads a further 5km into the desert, reaching Sossuvlei, characterised by salt pans surrounded by imposing red sand dunes. **Overnight - Sossusvlei Region** (B, L)

Days 7-8 : Swakopmund

Sesriem - Swakopmund. After breakfast we head north-west in the direction of the Atlantic Ocean and the town of Walvis Bay before continuing to the seaside town of Swakopmund. During our journey we'll cross the Tropic of Capricorn.

On day 8 you have some free time to explore this beautiful colonial town or partake in some of the optional adrenaline activities on offer here. Founded in 1892 by the Germans, Swakopmund still holds a lot of colonial charm with the added excitement of various adventurous pursuits. Optional excursions include sky diving, quad biking, sand boarding, scenic desert flights, dolphin cruises, fishing trips, golf, horse riding and more. **Overnight - Swakopmund** (B:2, L:1)

Day 9 : Brandberg

Swakopmund - Brandberg. We make an early departure from Swakopmund this morning and head through Spitzkoppe, often referred to as the 'Matterhorn of Namibia'. This 1728m-high rock formation is one of Namibia's most recognised landmarks. We'll explore this area, visiting the rock paintings that have been discovered in the area. We end the day at our accommodation in Brandberg. **Overnight - Brandberg** (B, L, D)

Days 10-11 : Etosha National Park

Brandberg - Etosha National Park. On day 10 we depart for Etosha National Park. Covering over 22,000 square kilometres, Etosha is Namibia's most significant and impressive national park.

On day 11 we explore Etosha National Park further. Located around the Etosha Pan, the national park is home to a huge variety of

animal and birdlife. The network of unpaved roads give us a fantastic opportunity to get deep into the remotest parts of the park. This afternoon we explore the southern area of Etosha, with a thriving Oryx and Springbok population to be seen. This evening we return to our accommodation just outside the national park where you might wish to have a quick dip in the pool or enjoy a sundowner before dinner. **Overnight - Etosha National Park** (B:2, L:2, D:2)

Day 12 : Etosha National Park

Today we make our way through the park heading northwards, en route we'll see many different fascinating animals. Moving to a different part of the park shows the change in vegetation and how this affects the wildlife. Arriving to our accommodation this evening we can take some time to relax. You may wish to head to the waterhole where you can sit and observe the animals that come and go. **Overnight - Etosha National Park** (B, L)

Day 13 : Windhoek

Etosha - Windhoek. After our breakfast this morning, we head out of the park. Today's drive will take us through small rural towns and scenic landscapes. Nestled between the hills, Windhoek is a rather small capital city but has many places of historical interest. Our tour ends in Windhoek this afternoon, we recommend booking post tour accommodation.
