will be a predeparture meeting at 17:00 hours today where you will meet your tour leader.

Please note that you will be joining passengers who have travelled from Nairobi, some of whom may leave us at the end of our excursion to Zanzibar. **Overnight - Dar es Salaam**

Days 2-4 : Zanzibar

Included Activity: Zanzibar excursion.

Included Activity: Spice Tour & Dhow cruise excursion.

Dar es Salaam - Zanzibar. A ferry from Dar es Salaam takes us to the "Spice Island," where we spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands.

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

Whilst in Zanzibar you'll stay at the Safari Lodge or similar in Stone Town and the 2nd and 3rd night at either Sunset Bungalows or Amaan Bungalows on Nungwe Beach.

PLEASE NOTE: Meals are for your own account whilst on Zanzibar. The Trip Leader joins you while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer,

please see the price guide at the end of this document for more details.

We will stop in the town of Mikumi for our overnight stay. Arrival to camp is usually in the late afternoon, or early evening.

On day 6, Departing early this morning we continue towards Iringa where we spend the night in a beautiful rustic campsite famous for its Amarula Hot Chocolates and its steamy showers! Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night you'll see the 'fairy' lights of the fishermen out on the lake. The various beachside campsites along Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school (see pricing guide at the end of these Trip Notes).

An African Adventure Southbound

Days 12-13 : Livingstone

Easter Zambia - South Luangwa - Livingstone. On day 12 we depart this amazing national park and make our way down south. As we drive, we pass through a few of the villages and towns of Zambia along the way. Prosperous during the copper boom in the 60s, Zambia was able to build infrastructure at the main mining and farming communities. After the fall of the copper industry, the country was left virtually bankrupt and existing infrastructure was left to fall to ruin. Due to foreign investment and a rise in the mining industry, Zambia is today once again starting to prosper.

Heading further south on day 13, we journey to Livingstone. The Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Mosi-oa-Tunya National Park, Zambia - a fantastic photo opportunity. Tonight we have the option of enjoying a sunset dinner cruise on the mighty Zambezi. **Overnight - Eastern Zambia (1), Livingstone (1)** (B:2, L:2, D:2)

Day 14 : Chobe National Park

Included Activity: Chobe National Park Overnight Mobile Excursion.

Livingstone - Kasane - Chobe (Botswana). We leave Zambia and cross the border into Botswana at the Kazangula Ferry. Once we've completed the border formalities, we continue to the town of Kasane, situated on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and is the main water source to the Chobe National Park. Once we return

and are packed and prepared, we leave for our Chobe National Park Overnight Mobile excursion – an overnight experience in the wilds of the Chobe National Park. Chobe is one of Botswana's premier game parks, renowned for its large elephant herds. Spend the afternoon in search of wildlife while we game drive to our camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. Look out for the rare Sable and Roan Antelope on your game drive, with their majestic backward slanting horns, or try keep a count of the Lilac Breasted Roller's that swoop by! **Overnight - Chobe National Park** (B, L, D)

Day 15 : Victoria Falls

Chobe - Victoria Falls (Zimbabwe). After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane. Once we have returned to camp, we get back on our truck and continue to the border of Zimbabwe. Once we've completed border formalities, we have a short drive to the nearby Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops. A 20 minute walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia.

After our adventure activities briefing (see price guide at the end of this document for options), the afternoon is spent relaxing at the campsite's swimming pool, viewing the Victoria Falls, or exploring the many sights and delights of this town! **Overnight - Victoria Falls** (B)

Days 16-17 : Victoria Falls

Included activity: Entry into Victoria Falls NP. Optional activities: Lots of optional activities are available, see below.

The next 2 days are spent relaxing or participating in a myriad of optional excursions. Some of our fellow passengers

will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trek.

Optional excursions include a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks. **Overnight - Victoria Falls** (B:2)

Days 18-19 : Chobe National Park

Included Activity: Chobe National Park Overnight Mobile excursion

Victoria Falls - Chobe (Botswana). We head out from Victoria Falls to the Botswana border crossing. Once we've completed the border formalities, we continue to the town of Kasane, situated on the banks of the Chobe River. Here we have a second opportunity to take part in the Chobe Overnight Mobile Excursion. For those who'd prefer to stay behind at the campsite in Kasane, there is an option to do an early morning game drive on the morning of day 19 instead.

After returning to camp on day 19, we have a bit of free time to relax and further explore Kasane. **Overnight - Chobe National Park** (B:2, L:2, D:2)

Day 20 : Maun

Chobe - Maun. Heading out early, we cross the western end of the Chobe National Park area along the main route in a south-westerly direction to the southern reaches of the Okavango Delta and our destination, Maun. En route, we have routine stops at Botswana's 'meat' borders – check points that were set up to protect its thriving beef export industry from the spread of disease. Maun is the starting point for travel into the Delta and it is from

An African Adventure Southbound

here that we set off to explore the Okavango Delta. Tonight we prepare our provisions and packs for our optional 2 night excursion. We suggest bringing along a smaller daypack on your trip which can be used to pack the supplies needed for this short excursion. Your trip leader will brief you fully on what is needed, and what to expect prior to your trip into the Delta. **Overnight - Maun** (B, L, D)

Days 21-22 : Okavango Delta

Included Excursion: 2 Day / 1 Night Drive in Mokoro Excursion.

Maun - Okavango Delta - Maun. On day 21 we take the included overnight excursion into the Delta. After an early rise, we pack our expedition vehicle and from Maun we drive north for a couple of hours to reach the mokoro polder's station. The Delta region is studded with many local villages where many families live in a traditional way. Some of the villages are very remote and can only be reached by the traditional mode of transport – the Mokoro. Mokoros are dugout canoes manoeuvred through the waterways by local guides who "pole" them through the reeds. At the Mokoro station, we meet our 'Polers' and pack our supplies before heading out into the waterways. After a couple of hours along the waterways, we arrive at our mobile tented camp situated in the heart of the Okavango.

On arrival you will meet the local staff who will be your host during your stay. A brief introduction to the camp will show you your dome tent with twin beds and a bush ensuite bathroom – long drop toilet and a bucket shower. Relax in the tent with a cold drink or take a paddle in the Delta in a canoe. The activities at the camp include Mokoro trails and guided walking.

The following morning we pack up and set off back to Maun. After our Mokoro

ride and vehicle transfer, we arrive back around lunch time and have the chance to complete our picture of the Okavango Delta by taking an optional scenic flight over The Delta (dependent on weather conditions & availability). **Overnight - Okavango Delta (1) Maun (1)** (B:2, L:2, D:2)

Days 23-24 : Ghanzi & Windhoek

Optional Excursions: Bushmen Experience in Ghanzi and dinner at Joe's Beerhouse in Windhoek.

Okavango Delta - Ghanzi - Windhoek (Namibia). On day 23 we head towards the small village of Ghanzi which will be our last night in Botswana. Ghanzi is home to the San / Bushman and you can learn more about them by partaking in the Bushman experience offered by the campsite.

On day 24 our drive will take us through small rural towns and scenic landscapes. Nestled between the hills, Windhoek is a rather small capital city but has many places of historical interest. This afternoon is spent at your leisure with time to visit the local museum or haggling at the street side markets. There are also many shops for those in need of a bit of retail therapy. **Overnight - Ghanzi (1), Windhoek(1)** (B:2, L:2, D:1)

Day 25 : Etosha National Park

Optional Activity: Night game drive in Etosha National Park

Windhoek- Etosha. From Windhoek, we head to Etosha National Park. Covering 20 000 km², Etosha is Namibia's premier nature and wildlife reserve. Situated around the Etosha Pan with a large variety of animal and bird life, the extensive network of gravel roads affords us the opportunity of accessing even the most remote areas of the park. After lunch,

and once it has cooled off a bit, we spend the remainder of the day exploring the park's northern area. Keep an eye out for the striking Oryx and Springbok as these are endemic to desert national parks! After dinner why not head to the waterhole where you can sit and observe the animals may come to drink in the evening. **Overnight - Etosha National Park** (B, L, D)

Days 26-27 : Safari in Etosha

Included Activity: Game drive through Etosha National Park in the our overland truck. Optional Activities: Night drive (day 26) and game drive (day 27)

On day 26 we make our way 150 km across the park, keeping a look out for the many different mammals, reptiles, birds and insects in the various regions. As the vegetation types change, so does the animal and bird life that relies on it, and so different sections of the Park offer a variety of different game options. After a full day of game viewing, we exit the park through Anderson gate and head to our campsite just 10kms away; perhaps the chance for a quick dip in the pool before dinner, followed by a relaxing evening in the very interesting bar. The following day takes us further south through the Namibian countryside to a campsite, located in the vicinity of Etosha National Park. **Overnight - Etosha National Park area** (B:2, L:2, D:2)

Day 28 : Brandberg

Etosha National Park area - Brandberg. Today we head down south to the area of the Brandberg. All depending on the time of arrival we will have the opportunity to explore the area. **Overnight - Brandberg** (B, L, D)

Budgeting

Africa is not as cheap as many people believe and we recommend that you budget between US \$50-70 per day for expenses such as drinks, snacks and curios. Budget more if you plan on buying a lot of souvenirs and

budget for your optional excursions and visas separately.

Transport on Tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating

space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat

between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. There is no air-conditioning on board, instead vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Meals on Tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available

seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home. The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQs and even roasts!

Participation on Tour

All of our overland safaris are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may

be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

KNOW BEFORE YOU GO

Passports & Visas

Please ensure that you have at least two blank pages in your passport, plus an additional blank page for each visa/African country you are visiting. If travelling on one of our longer overland safaris we recommend that you have at least 12 blank pages in your passport.

Please also note that your passport must be valid for a minimum of six months from the end date of your trip.

Any visa information provided in this document is for general guidance purposes only, visa requirements and fees are subject to change. It is essential that you check current entry requirements with each relevant embassy/consulate prior to departure. Visa procurement is the responsibility of the traveller and not of On The Go.

Booking Your Flights

When booking your departure flight you should allow time at the end of your African safari for any unexpected delays. We recommend that you book your onward flight no earlier than 24 hours after the end of your safari. In the case of our longer overland camping safaris (22 days or more) we advise against making any firm arrangements for at least 48 hours after the scheduled departure date. We can help to arrange post tour accommodation upon request.

Allergies/Likes/Dislikes

Whilst all will be done to accommodate everyone, sometimes the choice available is limited as your cook may be making the best of very limited availability, so some flexibility may be required when encountering something you're not particularly fond of or have chosen not to eat as a lifestyle choice. Should you possess allergies which will result in a medical emergency or a life threatening situation then please ensure you speak to your cook on arrival so you can discuss the options available whilst en-route. This will

Visa

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Africa.

UK, Ireland, Australian, New Zealand, USA, Canadian and South African citizens do not require a visa for entrance into Botswana.

The few countries that do require visas; mostly Eastern European and Asian Nationals, need to obtain them prior to arrival at the border. Visas are not issued at Botswana ports of entry, if you arrive without a visa, immigration officials will refuse you entry to Botswana.

The border crossings we use in Botswana include:

Muhembo (Botswana/Namibia border)

Kazangula (Botswana/Zimbabwe or Zambia border)

Groblersberg/Martin's Drift (South Africa/Botswana)

Botswana Tourism Levy from 1st June 2017 - postponed until further notice

From the 1st June 2017 a tourism levy of \$30USD is payable when entering Botswana. Payment is taken at the border in US dollars cash, debit or credit card. The Levy is valid for a 30 day period and can be used for multiple entry.

Please note this Levy has been postponed until further notice.

Vaccinations

You should seek medical advice before travelling to Botswana from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A and Tetanus is strongly recommended. Rabies may also be recommended.

There is the risk of malaria in certain areas of Botswana so it is very important to check with your doctor before you go, to see

whether malarial medication is required for the areas you are visiting. A valid Yellow Fever vaccination certificate is also required if travelling into Botswana and you have previously been in an infected country.

Currency & Banking

The currency of Botswana is the Botswana Pulas (BWP) 1 Pula = 100 Thebe. Notes are in denominations of BWP10, 20, 50 and 100.

Coins are in denominations of BWP1, 50, 25, 10, 5, 1.

There are no restrictions on the import of local or foreign currencies, provided they are declared on arrival. Export of local currency is limited to BWP50 and foreign currencies up to the amount declared on arrival. It is easy to change most forms of currency including US\$, GB£, Euros and South African Rand. The best place to change money in Botswana is the bureau de changes as banks charge commission to change either cash or travellers cheques. ATMs are available in all main towns, cities, shopping centres and most petrol stations. MasterCard, Visa, American Express and Diners Club are all widely accepted.

Travellers cheques should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Proof of identity may be requested in some instances, so it's useful to carry a passport or some form of photo identification. In large cities travellers cheques can incur a high surcharge.

Banking hours: Mon-Fri 0900-1530, Sat 0830-1100.

Time & Voltage

Time Zone - Botswana is 2 hours ahead of GMT. Daylight saving time is not observed.

The standard voltage is 220 - 240V. Primary sockets require a 'Type M' - South African, electrical plug which has three thick circular pins. You will need a voltage converter, and plug adapter in order to use U.S. appliances.

Climate

Botswana's climate is mainly temperate. During the summer months (October-April) the weather can be very hot with daytime temperatures of around 30 Celsius and higher. The rainy season (typically lasting from January to March) can be hot with

temperatures still in the mid 30's and only dropping to around the mid 20's overnight. Winter (May-September) brings a cool change yet is still reasonably warm and mostly pleasant with an average temperature of around 25°C. Early mornings and evenings may be cold and frosty especially in the Kalahari region. The amount of rainfall decreases the further you travel west or southwards during the winter and rainy season months.

Travelling with children in Botswana

The Ministry of Nationality, Immigration and Gender Affairs informs the general public that it has imposed requirements for minors (children under 18) travelling through the country's ports of entry.

Effective from the 1st October 2016 minors travelling through the country's borders will be required to produce certified copies of unabridged birth certificates in addition to their valid passports. In the event that one parent is not travelling with the child, the other parent's affidavit consenting to such travel should be availed. However, an affidavit will not be required if the father's name does not appear on the child's birth certificate."

To summarise the above, should families be travelling with children below the age of 18 they will require the following:

- Valid Passports
- Certified unabridged birth certificates for all minors below the age of 18
- An Affidavit signed by the non-travelling parent should the minor be travelling with one parent.

Unfortunately these regulations are very strict therefore we urge all parents travelling to Africa with their children to contact all relevant embassies well prior to departure to ensure they have the correct documentation as if you do not, there is a high chance you will be denied entry.

As of the 1st October 2015 passport holders of (but not limited to) UK, USA, Canada, Australia and New Zealand will be charged a visa fee at the border into Malawi. The cost is \$50 for a 7 day transit visa and \$75 for a 90 day single entry visa.

Please check with your local Malawi Embassy or High Commission prior to departure.

The border crossings we use in Malawi include:

Machinji (Malawi/Zambia border)

Vaccinations

Seek advice from your doctor or travel clinic at least six weeks prior to departure about what vaccinations you require. Typically the list includes typhoid, tetanus, polio, hepatitis A and B and meningitis.

A malaria risk exists throughout the country, we strongly recommend that you take anti-malaria medication.

A Yellow Fever Vaccination Certificate is required from travellers over one year of age coming from infected areas.

Currency

The currency of Malawi is the Malawian Kwacha (MWK, symbol MK).

1 MWK = 100 tambala.

Notes are in denominations of Mk500, 200, 100, 50, 20, 10 and 5.

Coins are in denominations of Mk1 and 20, 10, 5, 2 and 1 tambala.

On arrival in Lilongwe you will be able to convert money into MKW. The bureau de changes are the easiest place to change money, and US\$ and GB£ are accepted in both cash and travellers cheque format. Travellers cheques attract a commission charge and a lower exchange rate than cash, which is changed with no commission.

If coming south from Tanzania, MKW can be purchased on the border using US\$ cash. ATMs are effectively non-existent for foreign cards in Malawi.

Time & Voltage

Time Zone - Malawi is 2 hours ahead of GMT. Daylight saving time is not observed. Standard voltage is 220-240V. Electrical sockets in Malawi are the "Type G " British BS-1363 type. You will need a voltage converter, and plug adapter in order to use U.S. appliances

Climate

There are three seasons in Malawi. The rainy season extends from November to April, the cool season from May to July and the dry season from August to October. Temperatures and rainfall are greatly influenced by Lake Malawi and altitude, which varies from 37 metres (in the Lower Shire Valley) to 3050 metres (Mount Mulanje). Along the lakeshore, the mean annual temperature is 24°C, and humidity can be high during the rainy season.

Tanzania Country Guide

Plastic Bag Ban

Effective 1st June 2019: All passengers arriving at any Tanzania airport including tourists can possibly face very heavy fines for using plastic bags in any way, shape or form. Using, manufacture or importation of plastic bags, including garbage bags and shopping bags is illegal. Offenders, including tourists, could face very heavy fines.

Visitors/Citizens and Residents alike are advised to avoid packing any plastic bags in their suitcases or in carry-on hand luggage before flying to Tanzania. Items purchased at the airport before boarding the aircraft should be removed from plastic bags. Please check hand luggage before disembarking at entry points and any plastic bags should be left in the plane.

Similarly the transparent "zip-lock" plastic bags that some airlines require passengers to use for keeping liquids, cosmetics, toiletries etc separately in hand luggage are also not permitted to be brought and should be removed and left on the plane before disembarking.

Visas

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Africa.

UK, Irish, Australian, New Zealand, USA, Canadian and RSA citizens require a visa for Tanzania. A single entry visas can be obtained by most nationalities upon arrival at Dar es Salaam, Kilimanjaro and Zanzibar Airport or at Namanga border crossing point, between Tanzania and Kenya. The current visa cost is US\$50 for all nationalities, which can be paid in US\$, GB£ or Euro cash. The three East African countries of Kenya, Tanzania and Uganda have an agreement that you can travel freely between these countries and do not have to get another visa when returning to each. If you exit this region and enter any other country, including Rwanda and the Democratic Republic of Congo, you will need to get new visas to re enter Kenya, Tanzania and Uganda.

The border crossings we use in Tanzania include:

Namanga (Kenya/Tanzania border)
Isebania (Kenya/Tanzania border)
Songwe (Tanzania/Malawi)

Vaccinations

You should seek medical advice before travelling to Tanzania from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A & B, Typhoid and Tetanus is strongly recommended. Meningitis and Rabies are also recommended.

There is the risk of malaria in Tanzania so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting.

A Yellow Fever International Certificate of Vaccination is required from travellers over one, arriving from countries infected with yellow fever or who were in transit through infected areas (unless they remained onboard or at the airport); this is particularly relevant if traveling from neighbouring African countries. If visiting Zanzibar from mainland Tanzania, a yellow fever certificate must be produced to gain entry.

The Tanzanian Shilling is non exportable or importable. You can exchange US Dollars, Pound Sterling or Euro cash at bureau de changes or banks in larger towns/cities. Cash is changed with no commission. Exchange rates vary depending upon the denomination of the note that you want to change and generally smaller notes attract a lower exchange rate than high ones. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes. Alternatively most large towns/cities have an ATM where cash can be withdrawn using Visa or MasterCard. Credit cards are very rarely accepted for making purchases.

Banking hours: Mon-Fri 0830-1230; Sat 0830-1300. Bureaux de change have longer hours and in the cities open on Sundays.

In coastal regions and on the islands of Zanzibar and Pemba it is hot and humid year-round with higher rainfall, whilst inland, the central plateau is dry and hot and the north-western highlands are cooler. You should seek medical advice before travelling to Zambia from your local health practitioner and ensure that all you receive all of the appropriate vaccinations. As a guide Tetanus, diphtheria, polio, hepatitis A and hepatitis B (for stays over 4 weeks) are strongly recommended.

Zambia has a malaria risk throughout the year in the whole country, therefore we strongly recommend that you take anti-malaria medication.

The yellow fever vaccination is required for passengers travelling to and from Zambia. All in-transit passengers travelling between Zambia and South Africa, irrespective of the time period in transit, will also be required to present their Yellow Fever Vaccination Certificate.

Currency

Zambia's currency is the Zambia Kwacha (ZMW)

Notes are in denominations of ZMW100, 50, 20, 10, 5, and 2.

Banking hours vary but most are open from Mon - Fri 0815-1430

ATMs are available at Standard Chartered and Barclays Bank which accept Visa. Most large stores and hotels accept credit cards.

If travelling on one of our overland safaris there is no real need to convert any of your money to ZMW, as you will only be in Zambia for a short period of time. Campsites readily accept US\$ cash for food and beverages.

Time & Voltage

Time Zone - Zambia is 2 hours ahead of GMT. Daylight saving time is not observed.

Standard voltage is 230V. Zambia has several varieties of electrical sockets. The 3 primary sockets are 'Type C' - European, 'Type D' - Indian and 'Type G' - British. You will need a

voltage converter and plug adapter in order to use U.S. appliances.

Climate

Zambia is warm all year round, but has three distinct seasons. Between December and April the weather is hot and wet; from May to August it is cooler and dry; between September and November conditions are hot and dry. Average summer temperatures range between 25°C to 35°C, while in winter they can fall as low as 6°C at night, although daytime temperatures average 24°C.

Zimbabwe Country Guide

Visas

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Africa.

UK, Ireland, Australian, New Zealand, USA and Canadian passport holders require a visa to enter Zimbabwe, these visas are available at the border for the following costs: Australian, New Zealand and US citizens: US \$30 single/\$45 double entry visa. British and Irish is US\$55 single/\$70 double. Canadians can only obtain a single entry visa at the border for US \$75. South African passport holders can obtain a visa for free. Visas can

be brought using post 2003 US\$ notes, GB£ or South African Rand.

KAZA Visa

Zimbabwe and Zambia have re-introduced the popular, and much-awaited KAZA (Kavango-Zambezi) "Uni-Visa", which allows visitors to stay in either (or both) countries for up to 30 days for a single payment of US\$50. The UniVisa is available at Harare, Victoria Falls, Lusaka and Livingstone International airports, the Victoria Falls land border (Zimbabwe/Zambia) and the Kazungula land border (Zimbabwe/Zambia/Botswana).

The border crossings we use in Zimbabwe include:

Kazungula (Botswana/Zimbabwe)

Vaccinations

Seek advice from your doctor or travel clinic at least six weeks prior to departure about what vaccinations you require. Typically the list includes typhoid, tetanus, diphtheria, polio, hepatitis A and B (for stays over 4 weeks).

In Zimbabwe a malarial risk exists from November to June in all areas below 1200m and throughout the year in the Zambezi Valley. We strongly recommend that you take your anti-malaria medication. Other precautionary measures to prevent contact with mosquitoes include: insect repellent, cover up at sundown, sleep under a mosquito net and wear long sleeve clothing and long trousers in the evenings.

Yellow fever: A yellow fever vaccination certificate is required from travellers over one year of age coming from infected areas.

Currency

The Zimbabwean Dollar was abandoned in April 2009. The country has adopted a multi-currency scheme; the US Dollar and South African Rand can be used for domestic transactions.

Zimbabwe is essentially a cash-only society now with ATMs pretty useless for the foreigner. Credit cards only used in a handful of places, however all major hotels will now accept this payment. We recommend bringing enough cash to cover your stay in Zimbabwe (in either USD or ZAR) especially in the smaller denominations (US\$1-20 and ZAR10 - 200) as there is always a shortage of change and shopkeepers will often refuse larger bills.

Please also be aware it is illegal to leave Zimbabwe with over \$1000 (or equivalent) in cash.

Zimbabwe introduced Bond Notes into circulation on 28 November 2017 which will be used alongside the US dollar and other currencies. These Bond Notes will be at a 1:1 parity with the US dollar. However, they are only legal tender within Zimbabwe and as such can only be used there. These Bond notes will be in \$2 and \$5 denominations and there will also be a new \$1 Bond coin.

Banking hours: Mon, Tues, Thurs, Fri - 0800-1500, Wed 0800-1300 and Sat - 0800-1130. In major towns/cities most banks have an ATM. American Express, Diners Club and Visa cards are widely accepted. Major foreign currencies can be exchanged at bureaux de change and banks at the official exchange rate. Please also be aware it is illegal to leave Zimbabwe with over \$1000 (or equivalent). As of June 2016 it is becoming increasingly difficult to withdraw money from ATMs in Zimbabwe. There is a cash limit of \$500 per day - however a lot of banks are not replenishing the ATMs. It is strongly advised that you bring enough money with you before you enter Zimbabwe and don't rely on getting any whilst there.

Travellers cheques are accepted at banks, these should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Most banks will want to see your passport and proof of purchase receipt before cashing your travellers cheques. Please Note: Travellers cheques can be difficult to cash so do not rely upon them as your sole source of funds.

Time & Voltage

Standard voltage is 220-240V. Primary sockets require a 'Type G' - British plug, or 'Type D' - old English plug or Indian plug. You will need a voltage converter and plug adapter in order to use U.S. appliances. Zimbabwe is 2 hours ahead of GMT. Daylight saving time is not observed.

Climate

Although located in the tropics, temperate conditions prevail all year round in Zimbabwe as the climate is moderated by altitude and the inland position of the country.

Zimbabwe has a rainy season from November/December to March, during this time days are hot and sunny with possible afternoon thunderstorms. By April and May most of the rain is gone, skies are clear and days are sunny and warm. Night time temperatures drop dramatically between June and August although daytime temperatures remain pleasantly warm. Late August sees the start of the hot and dry season which continues until October.
