DETAILED ITINERARY

Day 1 : Nairobi

Monday. Welcome to Nairobi! You will be met in Nairobi Airport arrivals hall by our representative holding an On The Go tours/ Africa Travel Company sign and transferred to the Kenya Comfort Hotel. Tonight you will stay in shared dorms. Today there is a pre departure meeting at 17:00. **Overnight - Nairobi**

Day 2 : Masai Mara

Nairobi - Masai Mara. After breakfast we continue on to the Masai Mara National Reserve. We enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, and continue our drive possibly getting a glimpse of some wildlife along the way. The main section of road between Nairobi and the Reserve is in a very poor state, so be prepared for a rough ride! We arrive at our campsite, Acacia Camp in the evening. Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve. The Reserve remains unfenced, allowing wildlife to roam freely across into the surrounding area and if they choose – through our own

camp! No need to be afraid, as the local 'Askari' will keep a look out for any unwanted predators. **Overnight - Masai Mara** (L, D)

Day 3 : Masai Mara

Masai Mara. We depart shortly after sunrise on our game drive into the Masai Mara Reserve. The Masai Mara is well known as one of East Africa's best National Reserves and is home to a wide variety of wildlife species. Most famous for the Annual Migration, that consists of the impressive herds of over 1 million wildebeest, zebra and Thomson's gazelle that cross over from the Serengeti National Park in Tanzania; the Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here. Following these herbivores are Africa's predators that are often seen at a kill during this period. We game drive through a section of the park in search of the 'Big 5'- elephant, rhino, buffalo, lion & leopard; along with the many other species of animals, reptiles and birds who make call this wilderness home.

After our game drive, we have the option to visit one of the nearby Masai Manyatta's – this is a traditional hamlet where the Masai still live in their traditional way. This evening we sit around the camp fire, and watch the sun set over this "Garden of Eden". **Overnight - Masai Mara** (B, L, D)

Day 4 : Lake Nakuru

Masai Mara - Lake Nakuru. We overnight EAMO East Africa Mission Organisation where we will have the opportunity to interact with the local children as well as learning more about this wonderful organisation. Nakuru is Kenya's 4th largest town and capital of the Rift Valley Province and lies adjacent to the small

but wildlife rich Lake Nakuru National Park. **Overnight - Lake Nakuru** (B, L, D)

Day 5 : Lake Nakuru

Lake Nakuru NP. This morning we begin our exploration of the Lake Nakuru National Park. The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, various antelope and the occasional hippo along the way. After our game drive, we head back to EAMO, arriving in the late afternoon.

Overnight - Lake Nakuru (B, L, D)

Day 6 : Kisii & the Gusii Highlands

Lake Nakuru - Kisii/Kericho Area. After breakfast we leave the Masai Mara and head to Kisii/Kericho passing through the picturesque tea plantations along the way. These towns are the main commercial centres in the Gusii Highlands, where cash crops like tea and coffee thrive because of its equatorial climate. We replenish our stocks before heading for Tanzania tomorrow. **Overnight - Kisii/Kericho Area** (B, L, D)

Day 7 : Musoma

Kisii/Kericho - Musoma. We depart Kenya and head south into Tanzania. After border formalities, our drive takes us through the

scenic granite landscapes adjacent to Africa's largest lake – Lake Victoria. We spend the night at a campsite on the banks of Lake Victoria in the fishing town of Musoma. **Overnight - Musoma** (B, L, D)

Day 8 : Serengeti National Park

Musoma - Serengeti. After stocking up on supplies for the next couple of days, we head to the Serengeti National Park, entering the park after lunch. The Serengeti (Masai for "endless plains") is famous for its enormous concentration of game (especially the big cats) and for the annual migration of millions of wildebeest, zebra and Thomson's gazelles. The abundance of plains game in this area is truly astounding. We enter the park through the lesser travelled western corridor and game drive en-route to our campsite in the centre of the park. Tonight we bush camp (no ablutions) in the wild surrounded by the sounds of the African bushveld, pierced only by the calls of the nocturnal wildlife. **Overnight - Serengeti National Park** (B, L, D)

Day 9 : Ngorongoro Crater

Serengeti - Ngorongoro Crater. After an early start we pack up our camp and continue our game drive through the Serengeti National Park in search of the resident wildlife and head to the southern part of the park where we have the chance to see the endless plains this park is renowned for. With some luck, we may see some of Africa's 'Big 5'! We cross from the Serengeti to the Ngorongoro Conservation area at lunch time and begin our climb up the steep Crater edge. Tonight's camp (basic ablutions) on the crater rim sharply contrasts the warmer plains below - we suggest you bring your winter woollies

as it can get very cold at night. **Overnight - Ngorongoro Crater** (B, L, D)

Day 10 : Arusha

Ngorongoro Crater - Arusha. The Ngorongoro Crater with its 600 m high walls and 20 km width is a natural marvel. The Crater's rim offers spectacular views, but the true scale of this caldera is only appreciated from the floor itself where the abundance of its animal inhabitants becomes apparent. It is home to nearly every species of African animal and offers a chance to view an incredible concentration of East African mammals, such as elephant, rhino, buffalo, hippo, lion and plain's game. After spending the morning game driving in The Crater we continue to our campsite outside Arusha where we spend the evening musing over our thrilling wildlife experience. **Overnight - Arusha** (B, L, D)

Day 11 : Pangani

Arusha - Pangani. This morning we change trucks and head to Arusha to stock up on supplies before continuing on towards Dar es Salaam. On the way we drive through the town of Moshi situated at the magnificent Mount Kilimanjaro – Africa's highest mountain. Moshi is the base for Mount Kilimanjaro climbing expeditions, and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! We pass through vast sisal plantations surrounded by The Usambara and Pare Mountain ranges, before reaching our lovely campsite nestled between these mountains, midway between Arusha and Dar es Salaam. **Overnight - Pangani** (B, L, D)

Day 12 : Dar es Salaam

Pangani to Dar es Salaam. Today we continue on to Dar es Salaam. Travelling through lush

scenery and palm trees, we near the warm Indian Ocean. Today's drive time is extended due to the heavier amount of traffic heading in to the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

Overnight - Dar es Salaam (B, L, D)

Days 13-15 : Zanzibar

Included Activity: Zanzibar excursion.

Included Activity: Spice Tour & Dhow cruise excursion.

Dar es Salaam - Zanzibar. A ferry from Dar es Salaam takes us to the "Spice Island," where we have the option to spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

Whilst in Zanzibar you'll stay at the Safari Lodge or similar in Stone Town and the 2nd and 3rd night at either Sunset Bungalows or Amaan Bungalows on Nungwe Beach.

PLEASE NOTE: Meals are for your own account whilst on Zanzibar. The Trip Leader joins you while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer, please see the price guide at the end of this document for more details.

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops

to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

For those not opting to visit the island of Zanzibar, the next 3 days are spent at leisure at the beach campsite in Dar es Salaam. There are various optional excursions available from the camp including diving, snorkelling and fishing trips. The driver and cook remain behind in Dar es Salaam during the excursion.

Overnight - Zanzibar (B:1)

Day 16 : Dar es Salaam

Zanzibar - Dar es Salaam. Leaving Zanzibar in the afternoon, we return to the mainland. Arrival back to camp is usually in the late afternoon, or early evening, when our adventure comes to an end.

About Overlanding

- To get the most out of your overland tour of Africa we highly suggest you read the 'About Overland Safaris' page on our website. It can be found under the Africa travel guide section on our website and is a comprehensive resource for understanding what to expect on an overland tour in Africa
- Overlanding is not considered a luxury holiday but is undoubtedly a lot of fun if camping under the stars and being part of

an entirely self-sufficient travelling group is to your liking

- Africa is a vast continent and distances between the highlights we visit can be very far apart, but some early morning starts and late arrivals into camp will ensure that your time is maximised to see as many sights as possible
- We believe that a flexible approach to travel and good sense of humour are essential when undertaking overland safaris, although we trust that any hiccups in the itinerary will be resolved as soon as possible by our trusted partners

Please Note

This tour is operated in conjunction with our trusted partner and you will join travellers from different operators, not solely On The Go.

This itinerary should be used as a guide only and may vary from day to day depending on road & weather conditions, political situations and group decisions.

All prices & Local Payments are subject to change.

Due to Tourism Laws in some of the countries we visit, there may be a truck and crew change during the trip.

This safari is modular and a portion of this trip may coincide with a family departure which welcomes children aged 6 and over.

Who's on tour?

People from all over decide that the back to basics and close-up approach to viewing Africa is for them – from Canada to New Zealand to Singapore and the UK. Generally people are 30-50yrs, easy going and happy to participate. They have a love of camping and as some days are long, don't mind a drive. Whilst the truck is purpose built and ideal for this style of safari, for those who require more comfort we suggest you opt for one of our lodge safaris.

Things To Bring

- A rucksack/back pack is the best luggage to bring as your main bag
- A sleeping bag
- For extra comfort, bring a travel pillow
- A towel
- Spare camera batteries/film and dustbag

- Mosquito spray (with active DEET ingredient)
- Your own personal first aid kit
- A torch
- A small daypack for your day-to-day needs.
- Antibacterial wipes
- A photocopy of your passport data pages
- Your Yellow Fever Vaccination Certificate
- Your travel insurance policy details
- Hat, sunglasses & sunscreen
- Warm clothing - raincoat, warm hat, socks, gloves etc as across Africa wet/dry and hot/cool climatic periods change invariably.

Budgeting

Africa is not as cheap as many people believe and we recommend that you budget between US \$50-70 per day for expenses such as drinks, snacks and curios. Budget more if you plan on buying a lot of souvenirs and budget for your optional excursions and visas separately.

Transport on Tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat

between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. There is no air-conditioning on board, instead vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Meals on Tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our

safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home. The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQs and even roasts!

Participation on Tour

All of our overland safaris are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

KNOW BEFORE YOU GO

Passports & Visas

Please ensure that you have at least two blank pages in your passport, plus an additional blank page for each visa/African country you are visiting. If travelling on one of our longer overland safaris we recommend that you have at least 12 blank pages in your passport.

Booking Your Flights

When booking your departure flight you should allow time at the end of your African safari for any unexpected delays. We recommend that you book your onward flight

no earlier than 24 hours after the end of your safari. In the case of our longer overland camping safaris (22 days or more) we advise against making any firm arrangements for at least 48 hours after the scheduled departure date. We can help to arrange post tour accommodation upon request.

Allergies/Likes/Dislikes

Whilst all will be done to accommodate everyone, sometimes the choice available is limited as your cook may be making the best of very limited availability, so some flexibility may be required when encountering something you're not particularly fond of or have chosen not to eat as a lifestyle choice. Should you possess allergies which will result in a medical emergency or a life threatening situation then please ensure you speak to your cook on arrival so you can discuss the options available whilst en-route. This will ensure also that they are fully aware of what you can or cannot eat and make adjustments.

Currency

The currency of Kenya is the Kenyan Shilling (code KES, symbol KSh).

1 KSh = 100 cents. Notes are in denominations of: KSh1,000, 500, 200, 100 and 50.

Coins are in denominations of KSh20, 10 and 5.

Banking hours: Mon-Fri 0900-1500, Sat 0900-1100. You can exchange money in banks or bureau de changes. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes! In major towns/cities most banks have an ATM. American Express, Diners Club, MasterCard and Visa cards are all widely accepted.

Travellers cheques can be changed at banks, these should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Most banks will want to see your passport and proof of purchase receipt before cashing your travellers cheques. Please Note: Travellers cheques can be difficult to cash and often have restrictions of about US\$100 a day maximum. They also tend to attract high commission charges, especially when exchanging for hard currency.

Climate

Kenya is an excellent year round destination with a favourable climate and reasonably low rainfall. In general the hottest months are December to March, although the climate varies enormously from place to place. The lowland coastal areas are tropical, with year round high temperatures and humidity, which is at its peak in April and May, although tempered by monsoon winds. The highlands are more temperate with four seasons. Nairobi has a very pleasant climate throughout the year due to its altitude. Near Lake Victoria, the temperatures are much higher and rainfall can be heavy.

Plastic Bag Ban

Effective August 2017: All passengers arriving into Kenya including tourists can possibly face very heavy fines for using plastic bags in any way, shape or form. Using, manufacture or

importation of plastic bags, including garbage bags and shopping bags is illegal. Offenders, including tourists, could face very heavy fines. Visitors/Citizens and Residents alike are advised to avoid packing any plastic bags in their suitcases or in carry-on hand luggage before flying to Kenya. Items purchased at the airport before boarding the aircraft should be removed from plastic bags. Please check hand luggage before disembarking at entry points and any plastic bags should be left in the plane.

Similarly the transparent "zip-lock" plastic bags that some airlines require passengers to use for keeping liquids, cosmetics, toiletries etc separately in hand luggage are also not permitted to be brought and should be removed and left on the plane before disembarking.

Currency

The currency of Tanzania is the Tanzanian Shilling (code TZS, symbol TSh).

1 TSh = 100 cents. Notes are in denominations of TSh10,000, 5000, 2,000, 1,000 and 500. Coins are in denominations of TSh200, 100, 50, 20 and 10.

The Tanzanian Shilling is non exportable or importable. You can exchange US Dollars, Pound Sterling or Euro cash at bureau de changes or banks in larger towns/cities. Cash is changed with no commission. Exchange rates vary depending upon the denomination of the note that you want to change and generally smaller notes attract a lower exchange rate than high ones. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes. Alternatively most large towns/cities have an ATM where cash can be withdrawn using Visa or MasterCard. Credit cards are very rarely accepted for making purchases.

Banking hours: Mon-Fri 0830-1230; Sat 0830-1300. Bureaux de change have longer hours and in the cities open on Sundays.

Travellers cheques are more difficult to change and require proof of purchase and often have restrictions of about US\$100 a day maximum. Please note that there is a surcharge when paying by travellers cheques.

Time & Voltage

Tanzania Time Zone - 3 hours ahead of GMT. Daylight saving time is not observed.

Standard voltage is 220-240V. Primary sockets require a Type G British BS-1363 or Type D Indian BS-546 type, three pin plug. You will need a voltage converter, and plug adapter in order to use U.S. appliances. We recommend getting a universal adapter.

Climate

Tanzania is sunny and tropical (accept in the mountain regions). Given the sheer size of the country, the climate varies dramatically in different regions. In coastal regions and on the islands of Zanzibar and Pemba it is hot and humid year-round with higher rainfall, whilst inland, the central plateau is dry and hot and the north-western highlands are cooler. The long rains occur between mid-March and the end of May and there are also short, lighter

rains during November and December. The driest months are June to October.

OPTIONAL ACTIVITIES

We offer a number of locally operated optional activities and excursions on each of our expeditions. We feel that offering optional excursions affords a greater degree of flexibility, independence and choice to our travellers. To help you budget, below is a selection of optional excursions available on this trip.

Please note the following:

All prices are in US Dollars and are subject to change. Where activities occur away from your base, there may be an additional transfer cost. Make sure you have \$US dollars with you before you travel to Africa as it is notoriously difficult to get them here.

Victoria Falls activities (if applicable) - must be paid for in US\$ cash (GBP & ZAR also accepted at a lower rate).

Gorilla Trekking (if applicable) - the price varies dependant on where gorilla trek takes place ie Uganda, DRC or Rwanda.

We offer camping excursions in the Serengeti/ Ngorongoro Crater and Okavango Delta.

All optional excursions are offered by 3rd parties and independently of On The Go Tours. They are undertaken at your own risk and On The Go Tours take no responsibility for personal loss/injury caused.
