Gorilla Trek & Tanzania Northbound

Days 2-4 : Zanzibar excursion

Included Activity: Zanzibar excursion.

Included Activity: Spice Tour & Dhow cruise excursion.

Dar es Salaam - Zanzibar. A ferry from Dar es Salaam takes us to the "Spice Island," where we spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands.

Whilst in Zanzibar you'll stay at the Safari Lodge or similar in Stone Town and the 2nd and 3rd night at either Sunset Bungalows or Amaan Bungalows on Nungwe Beach.

PLEASE NOTE: Meals are for your own account whilst on Zanzibar. The Trip Leader joins you while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer, please see the price guide at the end of this document for more details.

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner

at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

Overnight - Zanzibar

Day 5 : Zanzibar

Zanzibar - Dar es Salaam. Leaving Zanzibar in the afternoon, we return to the mainland and another night in Dar es Salaam. Arrival back to camp is usually in the late afternoon, or early evening. **Overnight - Dar es Salaam (D)**

Days 6-7 : Arusha

Dar es Salaam - Pangani - Arusha. From Dar es Salaam we continue north towards the coastal town of Pangani where we spend the night. The following day we continue through vast sisal plantations and African bushveld to Arusha. On the way, we pass The Pare and Usambara Mountain ranges before driving through the town of Moshi. Moshi is the base for Mount Kilimanjaro climbing expeditions and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! Tonight we stay at a campsite in Meserani on the outskirts of Arusha, before heading out on our excursion to the Serengeti and Ngorongoro Crater tomorrow. **Overnight - Pangani (1) Arusha (1) (B:2, L:2, D:2)**

Days 8-10 : Serengeti & Ngorongoro

Included Activity: Serengeti & Ngorongoro excursion.

Meserani - Serengeti & Ngorongoro. On the morning of day 8 we visit the Meserani Reptile Park and Masai Cultural Museum. A few minutes' walk from the campsite is a gallery selling the bright and iconic Tinga Tinga paintings. Alternatively the town of Arusha is nearby to explore. After enjoying lunch at our camp against the backdrop of Mount Meru we meet our Tanzanian guides and transfer into locally operated 4WD vehicles. These vehicles have been adapted for safari use and allow excellent viewing and photographic opportunities through the opening roof hatches.

The Ngorongoro/Serengeti excursion takes us via the Masai town of Mtu Wa Mbu (Mosquito River) that lies adjacent to the Lake Manyara National Park and up the Rift Valley Escarpment to the higher lying village of Karatu. Karatu offers magnificent views over the surrounding hills and has many well established wheat farms that add to the picturesque panoramas. We spend the evening at a pleasant campsite in Karatu. The following morning we depart early for the Ngorongoro Conservation area and head into the wildlife rich Ngorongoro Crater. This World Heritage Site boasts some of the best game viewing in Africa – including the elusive Black Rhino.

After our game drive in the Crater, we continue down the Crater rim and past the 'Cradle of Mankind' on our way to the Serengeti National Park. We cross the vast plains as we game drive through the southern and central areas in the park. Tonight we bush camp (no ablutions) in the wild surrounded by the sounds of the African wilderness. In the morning, we head off for another game drive and explore the landscape in search of the resident wildlife. With some luck, we may see some of Africa's 'Big 5'!

After our morning drive, we head back across the plains and the lush Crater rim to our truck at Arusha, where we spend the evening musing over our thrilling wildlife experience.

Gorilla Trek & Tanzania Northbound

Overnight - Karatu (1) Serengeti (1) Arusha (1)
(B:3, L:3, D:3)

Day 11 : Nairobi

Arusha - Nairobi (Kenya). We set off early this morning and make our way to the Tanzania/Kenyan border and the small border town of Namanga. After completing the border formalities, we continue on our journey to the capital city Nairobi and our hotel for the evening. **Overnight - Nairobi (B)**

Days 12-13 : Masai Mara

Included Excursion: Masai Mara Nature Reserve, game drive in the overland truck

Nairobi - Masai Mara. Leaving the hustle and bustle of Nairobi we climb the escarpment to our first stop, a viewpoint overlooking a section of the spectacular Great Rift Valley. Descending into the Rift Valley, we enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, and continue our drive possibly getting a glimpse of some wildlife along the way. We arrive at our campsite, Acacia Camp in the late afternoon. Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve.

The next morning we depart shortly after sunrise on our game drive into the Masai Mara Reserve. The Masai Mara is well known as one of East Africa's best National Reserves and is home to a wide variety of wildlife species. Most famous for the Annual Migration, that consists of the impressive herds of over 1 million wildebeest, zebra and Thomson's gazelle that cross over from the Serengeti National Park in Tanzania; the Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here. Following these herbivores are Africa's

predators that are often seen at a kill during this period. We game drive through a section of the park in search of the 'Big 5'- elephant, rhino, buffalo, lion & leopard; along with the many other species of animals, reptiles and birds who make this wilderness home.

After our game drive, we have the option to visit one of the nearby Masai Manyatta's – this is a traditional hamlet where the Masai still live in their traditional way. This evening we sit around the camp fire, and watch the sun set over this "Garden of Eden". **Overnight - Masai Mara (B:1, L:2, D:2)**

Day 14 : Eldoret

Masai Mara - Eldoret. Leaving the Masai Mara early, we head out of Masai Land and pass through the scenic tea plantations of Kericho before descending the Rift Valley Plateau, on our way to Eldoret - our stop for the evening. We replenish our supplies and overnight here. **Overnight - Eldoret (B, L, D)**

Day 15 : Kampala

Eldoret - Kampala (Uganda). This morning, we cross the border into Uganda where we overnight in the capital city, Kampala. Uganda is a small country of striking physical beauty. Its landscapes vary from the fertile green areas around the northern shores of Lake Victoria to the snow capped Ruwenzori Mountains in the west and the semi-desert region in the north. The political instability that has haunted Uganda in the past has actually had the positive effect of leaving the country free of the over commercialism so common in other parts of Africa. The current administration under President Museveni has devoted considerable effort and funds to return Uganda to its former status as one of Africa's most prosperous and, from a tourist's point of view, one of the most appealing and interesting countries to visit. **Overnight - Kampala (B, L, D)**

Days 16-19 : Lake Bunyoni & Gorilla Trekking

Optional Activity: Gorilla trekking

Kampala - Lake Bunyoni. After an early morning departure from Kampala we drive west into the depths of Uganda to our base at the tranquil Lake Bunyoni. Lake Bunyoni, the deepest Crater Lake in Africa and home to a large and varied number of beautiful birds, is the base from which the optional Gorilla trek takes place. Dependent on where trekking permits are available, we trek in the Magahinga or Bwindi National Parks in Uganda. For further information about gorilla trekking and the costs involved please refer to Gorilla Permits under the Uganda Country Guide section of this document.

Trekking Procedures: The mountain gorilla, of which there are still only about 700 remaining, are one of our closest living relatives. A visit to these gentle giants in their natural environment is a unique and wonderful experience - one you'll never forget. The park rangers monitor the gorillas on a daily basis and have a fairly good idea of where they are. However, they are free roaming animals, and their sighting cannot be guaranteed. As the gorillas share much of our DNA, anyone with even the slightest cold or transferable illness will not be permitted to trek. Trekking is also only open to people over 16 years old.

Due to the restrictions on the daily numbers of visitors to these incredible animals, we depart from our base in Bunyoni in small groups over 3-4 days, depending on the group size. We wind our way through arguably some of the most picturesque scenery in Africa en-route to the National Park. Dependent on where permits are available, we may spend a night in Kisoroen route. The following morning, after packing our picnic lunch, we

are transferred to a ranger's station where the trek commences. Your rangers will lead you through the cultivated lands and then into the dense rain forest and on to a gorilla family. Trekking can take anywhere from 45 minutes to 8 hours (not including transfer time) and it can be quite strenuous, so a reasonable level of fitness is required. To ensure the gorillas do not get too used to the presence of humans and because they share many of our genes (and therefore able to catch our diseases), the maximum time permitted to spend with them is 1 hour. You will have plenty of time to watch their activity and to take photographs. The rangers will be able to provide you with a background to the family you are visiting. Once your hour is up, you trek back out of the rain forest to your meeting point where you will be transferred back to the Lake Bunyoni campsite.

You needn't feel like you're exploiting these animals. The ever-growing number of tourists trekking them each day play a vital role in their survival. For years they have been ruthlessly hunted for their hands and heads, which have been sold as ashtrays and lampshades! In addition, large numbers have been killed whilst trying to stop poachers stealing the babies for sale to zoos, where they have never lived long. 100% of the gorilla permit cost is used to by the parks authorities to finance patrols that are instrumental in protecting the gorillas from poachers and their lethal snares and on promoting these wonderful animals.

Overnight - Lake Bunyoni (B:4, L:4, D:4)

Day 20 : Kampala

Lake Bunyoni - Kampala. After marvelling at the experience of our gorilla encounters and enjoying the peaceful Lake Bunyoni, we begin our drive back to Kampala. We cross the Equator for the second time and stop for the classic "one foot in each hemisphere" photo opportunity. We overnight in Kampala and have the opportunity to sample its night life!

Overnight - Kampala (B, L, D)

Day 21 : Jinja

Optional Activities: include white water rafting, jet boating and bungee jumping

Kampala - Jinja. Today we have the option of visiting the Ngamba Island Chimpanzee

Sanctuary or heading to Jinja for a selection of adventure activities including white water rafting at the source of the White Nile, quad biking or visiting a volunteer and community project. Spend the afternoon relaxing on the banks of the river, or ticking off the wide variety of water birds in this area. **Overnight - Jinja** (B, L, D)

Day 22 : Lake Nakuru

Jinja - Lake Nakuru (Kenya). Departing early, we head back to Kenya, stopping for lunch and supplies en route. We overnight outside Nakuru at a lovely campsite on a local farm. Nakuru is Kenya's 4th largest town and capital of the Rift Valley Province and lies adjacent to the small but wildlife rich Lake Nakuru National Park. Here our overnight campsite will be at EAMO; East African Mission Organization. We will have the chance to interact with the local kids as well as a chance to learn more about this wonderful organization. **Overnight - Lake Nakuru** (B, L, D)

Days 23-24 : Lake Naivasha

Included Activity: Game drives in Lake Nakuru National Park and visit to Lake Naivasha

Lake Nakuru - Lake Naivasha. In the morning on day 23 we begin our exploration of the Lake Nakuru National Park. The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, various antelope and the occasional hippo along the way. After our game drive, we head to Lake Naivasha arriving in the late afternoon.

Lake Naivasha, is home to a multitude of bird life, the most magnificent being the African

Fish Eagle with his regal cry. At 1880m, this is the highest of the Rift Valley lakes. We spend the next day enjoying optional excursions like Elsamere (former home to Joy & George Adamson of Born Free fame), a boat ride to the Crescent Island Game Sanctuary or a bike ride around Hell's Gate National Park. **Overnight - Lake Naivasha** (B:2, L:2, D:2)

Day 25 : Nairobi

Saturday. Lake Naivasha - Nairobi. After breakfast, we head back to Nairobi usually arriving by late morning, or early afternoon. On arrival to Nairobi, we exchange addresses and part ways, having just experienced a trip of a lifetime!(B)

the attractions just 10 minutes' drive away. After a long day of travelling, indulgences such as an infinity pool and guest library are available, as are free Wi-fi and laundry service.

Red Chilli Hideaway

Located on a purpose-built, 5-acre site in a peaceful suburb, the Red Chilli Hideaway offers affordable accommodation ranging from a campsite which we use for our overland safaris to private ensuite rooms for upgrades. Settle down for the day at the Hideaway's saltwater pool, self-catering kitchen, or restaurant & bar. The camp supports sustainable tourism and operates the Steve Willis Memorial Fund, whose proceeds go to providing clean drinking water in the Murchison Falls region.

East Africa Mission Organisation (EAMO)

Established in 1997 by Australian couple Ralph & May Spinks, EAMO is a registered charitable institution which houses hundreds of orphaned Kenyan children. Their goal is to provide these children with dedicated care, nutrition, and education. EAMO has been rapidly expanding over the last two decades, and relies entirely on the generosity of volunteers and sponsors to support its growth.

About Overlanding

- To get the most out of your overland tour of Africa we highly suggest you read the 'About Overland Safaris' page on our website. It can be found under the Africa travel guide section on our

website and is a comprehensive resource for understanding what to expect on an overland tour in Africa

- Overlanding is not considered a luxury holiday but is undoubtedly a lot of fun if camping under the stars and being part of an entirely self-sufficient travelling group is to your liking
- Africa is a vast continent and distances between the highlights we visit can be very far apart, but some early morning starts and late arrivals into camp will ensure that your time is maximised to see as many sights as possible
- We believe that a flexible approach to travel and good sense of humour are essential when undertaking overland safaris, although we trust that any hiccups in the itinerary will be resolved as soon as possible by our trusted partners

Please Note

This tour is operated in conjunction with our trusted partner and you will join travellers from different operators, not solely On The Go.

This itinerary should be used as a guide only and may vary from day to day depending on road & weather conditions, political situations and group decisions.

All prices & Local Payments are subject to change.

Due to Tourism Laws in some of the countries we visit, there may be a truck and crew change during the trip.

For booking purposes please notify our office as soon as possible should you choose not to trek the Mountain Gorillas.

Who's on tour?

People from all over decide that the back to basics and close-up approach to viewing Africa is for them – from Canada to New Zealand to Singapore and the UK. Generally people are 30-50yrs, easy going and happy to participate. They have a love of camping and as some days are long, don't mind a drive. Whilst the truck is purpose built and ideal for this style of safari, for those who require more comfort we suggest you opt for one of our lodge safaris.

Things To Bring

- A rucksack/back pack is the best luggage to bring as your main bag
- A sleeping bag
- For extra comfort, bring a travel pillow
- A towel
- Spare camera batteries/film and dustbag
- Mosquito spray (with active DEET ingredient)
- Your own personal first aid kit
- A torch
- A small daypack for your day-to-day needs.
- Antibacterial wipes
- A photocopy of your passport data pages
- Your Yellow Fever Vaccination Certificate
- Your travel insurance policy details
- Hat, sunglasses & sunscreen
- Warm clothing - raincoat, warm hat, socks, gloves etc as across Africa wet/dry and hot/cool climatic periods change invariably.

Budgeting

Africa is not as cheap as many people believe and we recommend that you budget between US \$50-70 per day for expenses such as drinks, snacks and curios. Budget more if you plan on buying a lot of souvenirs and budget for your optional excursions and visas separately.

Transport on Tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating

space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat

between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. There is no air-conditioning on board, instead vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Meals on Tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home. The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQs and even roasts!

Participation on Tour

All of our overland safaris are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

East Africa Mission Orphanage

About the EAMO

The East African Mission Orphanage was established in 1997 in order to provide a safe home for hundreds of orphans in Kenya including babies and teenage mothers. A registered charitable institution, the EAMO provides children in their care with clothing, health checks and three meals a day with an education programme in place to ensure that the children leave the orphanage with good work prospects.

What to expect when visiting the EAMO

On this overland camping safari we spend a few nights camping in the campsite owned

by the EAMO in Lake Nakuru and include the option to visit the children at the EAMO. The orphanage cannot be compared to the facilities offered at similar institutions in Western countries - the meals, clothing and education the EAMO provide are the best they can do with limited resources. There are still plenty more orphaned children in Kenya and if it's the choice of giving one child at the centre a new pair of shoes or taking in another child from the street and feeding him or her the centre chooses the latter. The number of orphaned children in Kenya is overwhelming and incredibly sad and some will find the plight of these children very upsetting so please consider whether you really do wish to visit. Before you travel it's a good idea to visit their website at www.eamo.co.ke so you can find out more information about the orphanage and the work they do.

KNOW BEFORE YOU GO

Passports & Visas

Please ensure that you have at least two blank pages in your passport, plus an additional blank page for each visa/African country you are visiting. If travelling on one of our longer overland safaris we recommend that you have at least 12 blank pages in your passport.

Please also note that your passport must be valid for a minimum of six months from the end date of your trip.

Any visa information provided in this document is for general guidance purposes only, visa requirements and fees are subject to change. It is essential that you check current entry requirements with each relevant embassy/consulate prior to departure. Visa procurement is the responsibility of the traveller and not of On The Go.

Booking Your Flights

When booking your departure flight you should allow time at the end of your African safari for any unexpected delays. We recommend that you book your onward flight no earlier than 24 hours after the end of your safari. In the case of our longer overland camping safaris (22 days or more) we advise against making any firm arrangements for at least 48 hours after the scheduled departure

date. We can help to arrange post tour accommodation upon request.

Allergies/Likes/Dislikes

Whilst all will be done to accommodate everyone, sometimes the choice available is limited as your cook may be making the best of very limited availability, so some flexibility may be required when encountering something you're not particularly fond of or have chosen not to eat as a lifestyle choice. Should you possess allergies which will result in a medical emergency or a life threatening situation then please ensure you speak to your cook on arrival so you can discuss the options available whilst en-route. This will ensure also that they are fully aware of what you can or cannot eat and make adjustments.

Kenya Country Guide

Visas

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Africa.

South African passport holders do not require a visa to visit Kenya for up to 30 days. Most other nationalities, including UK, USA, Canadian, Australian and New Zealand passport holders, do require a visa to enter Kenya.

Circumstances beyond our control such as changes in local conditions, inclement weather or other reasons could force us to make changes to this itinerary. Please also note that visa requirements are subject to change and are the responsibility of the traveller and not that of On The Go Tours.

Gorilla Trek & Tanzania Northbound

Namanga (Kenya/Tanzania border)
Isebania (Kenya/Tanzania border)

A Yellow Fever Vaccination Certificate is required for travel to Kenya and if travelling from an infected area it must be presented upon arrival in order to be granted entry. Please also note that if you are travelling onward to Uganda and/or Rwanda you will need a Yellow Fever Certificate to produce on arrival in order to be granted entry.

East Africa Tourist Visa

If you are planning on visiting Uganda and/or Rwanda when travelling to Kenya then you can apply for an East Africa tourist visa which will cover all countries. The visa allows multiple entry into these countries and is valid for 90 days. It can be applied for in advance or upon arrival at Nairobi International Airport.

Vaccinations

You should seek medical advice before travelling to Kenya from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A&B and Tetanus is strongly recommended. Rabies and Meningitis are also recommended.

There is the risk of malaria in Kenya so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting. A Yellow Fever Vaccination Certificate is required for travel to Kenya and if travelling from an infected area it must be presented upon arrival in order to be granted entry. Please also note that if you are travelling onward to Uganda and/or Rwanda you will need a Yellow Fever Certificate to produce on arrival in order to be granted entry.

Time & Voltage

Kenya is 3 hours ahead of GMT. Daylight saving time is not observed.

In Kenya the standard voltage is 220-240V. Primary sockets require a 'Type G' - British BS-1363 type, three pin plug. You will need a voltage converter, and plug adapter in order to use U.S. appliances. We recommend packing a universal adapter.

Currency

The currency of Kenya is the Kenyan Shilling (code KES, symbol KSh).

1 KSh = 100 cents. Notes are in denominations of: KSh1,000, 500, 200, 100 and 50.

Coins are in denominations of KSh20, 10 and 5.

Banking hours: Mon-Fri 0900-1500, Sat 0900-1100. You can exchange money in banks or bureau de changes. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes! In major towns/cities most banks have an ATM. American Express, Diners Club, MasterCard and Visa cards are all widely accepted.

Travellers cheques can be changed at banks, these should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Most banks will want to see your passport and proof of purchase receipt before cashing your travellers cheques. Please Note: Travellers cheques can be difficult to cash and often have restrictions of about US\$100 a day maximum. They also tend to attract high commission charges, especially when exchanging for hard currency.

Climate

Kenya is an excellent year round destination with a favourable climate and reasonably low rainfall. In general the hottest months are December to March, although the climate varies enormously from place to place. The lowland coastal areas are tropical, with year round high temperatures and humidity, which is at its peak in April and May, although tempered by monsoon winds. The highlands are more temperate with four seasons. Nairobi has a very pleasant climate throughout the year due to its altitude. Near Lake Victoria, the temperatures are much higher and rainfall can be heavy.

Plastic Bag Ban

Effective August 2017: All passengers arriving into Kenya including tourists can possibly face very heavy fines for using plastic bags in any way, shape or form. Using, manufacture or importation of plastic bags, including garbage bags and shopping bags is illegal. Offenders, including tourists, could face very heavy fines. Visitors/Citizens and Residents alike are advised to avoid packing any plastic bags in their suitcases or in carry-on hand luggage

before flying to Kenya. Items purchased at the airport before boarding the aircraft should be removed from plastic bags. Please check hand luggage before disembarking at entry points and any plastic bags should be left in the plane.

Similarly the transparent "zip-lock" plastic bags that some airlines require passengers to use for keeping liquids, cosmetics, toiletries etc separately in hand luggage are also not permitted to be brought and should be removed and left on the plane before disembarking.

Gorilla Trek & Tanzania Northbound

UK, Irish, Australian, New Zealand, USA, Canadian and RSA citizens require a visa for Tanzania. A single entry visas can be obtained by most nationalities upon arrival at Dar es Salaam, Kilimanjaro and Zanzibar Airport or at Namanga border crossing point, between Tanzania and Kenya. The current visa cost is US\$50 for all nationalities, which can be paid in US\$, GB£ or Euro cash. The three East African countries of Kenya, Tanzania and Uganda have an agreement that you can travel freely between these countries and do not have to get another visa when returning to each. If you exit this region and enter any other country, including Rwanda and the Democratic Republic of Congo, you will need to get new visas to re enter Kenya, Tanzania and Uganda.

The border crossings we use in Tanzania include:

Namanga (Kenya/Tanzania border)
Isebania (Kenya/Tanzania border)
Songwe (Tanzania/Malawi)

Vaccinations

You should seek medical advice before travelling to Tanzania from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A & B, Typhoid and Tetanus is strongly recommended. Meningitis and Rabies are also recommended.

There is the risk of malaria in Tanzania so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting.

A Yellow Fever International Certificate of Vaccination is required from travellers over one, arriving from countries infected with yellow fever or who were in transit through infected areas (unless they remained onboard or at the airport); this is particularly relevant if traveling from neighbouring African countries. If visiting Zanzibar from mainland Tanzania, a yellow fever certificate must be produced to gain entry.

Currency

The currency of Tanzania is the Tanzanian Shilling (code TZS, symbol TSh).

1 TSh = 100 cents. Notes are in denominations of TSh10,000, 5000, 2,000, 1,000 and 500.

Coins are in denominations of TSh200, 100, 50, 20 and 10.

The Tanzanian Shilling is non exportable or importable. You can exchange US Dollars, Pound Sterling or Euro cash at bureau de changes or banks in larger towns/cities. Cash is changed with no commission. Exchange rates vary depending upon the denomination of the note that you want to change and generally smaller notes attract a lower exchange rate than high ones. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes. Alternatively most large towns/cities have an ATM where cash can be withdrawn using Visa or MasterCard. Credit cards are very rarely accepted for making purchases.

Banking hours: Mon-Fri 0830-1230; Sat 0830-1300. Bureaux de change have longer hours and in the cities open on Sundays.

Travellers cheques are more difficult to change and require proof of purchase and often have restrictions of about US\$100 a day maximum. Please note that there is a surcharge when paying by travellers cheques.

Time & Voltage

Tanzania Time Zone - 3 hours ahead of GMT. Daylight saving time is not observed.

Standard voltage is 220-240V. Primary sockets require a Type G British BS-1363 or Type D Indian BS-546 type, three pin plug. You will need a voltage converter, and plug adapter in order to use U.S. appliances. We recommend getting a universal adapter.

Climate

Tanzania is sunny and tropical (accept in the mountain regions). Given the sheer size of the country, the climate varies dramatically in different regions. In coastal regions and on the islands of Zanzibar and Pemba it is hot and humid year-round with higher rainfall, whilst inland, the central plateau is dry and hot and the north-western highlands are cooler. The long rains occur between mid-March and the end of May and there are also short, lighter rains during November and December. The driest months are June to October.

The currency of Uganda is the Uganda Shilling (UGX).

Notes are in denominations of UGX50,000, 20,000, 10,000, 5,000 and 1,000. Coins are in denominations of UGX500, 200, 100, 50, 20, 10, 5, 2 and 1.

The import and export of local currency is prohibited. It is possible to change money and use ATMs in large cities. Please note that travellers cheques are not widely accepted and can only be exchanged in Kampala.

Time & Voltage

Uganda is 3 hours ahead of GMT. Daylight saving time is not observed.

In Uganda the standard voltage is 240V. Primary sockets require a 'Type G' - British BS-1363 type, three pin plug. You will need a voltage converter, and plug adapter in order to use U.S. appliances. We recommend packing a universal adapter.

Climate

Despite being located on the Equator, Uganda is rather temperate, with the lowlands remaining warm year round and temperatures averaging around 26°C. In the mountain regions, due to the high altitude, it is much cooler. The climate in Uganda is tropical and the country has two main wet and dry seasons; it is typically dry from December to February and June to August, and wet from March to May and October to November.

Gorilla Permits

Gorilla trekking is a wonderful experience, allowing you the opportunity to have a close encounter with these gentle giants of the jungle in their natural habitat. The trekking will take place either in Uganda, Rwanda or Democratic Republic of Congo - depending on local conditions and the availability of the gorilla permits.

The cost and availability of gorilla permits varies by country and park. Current permits cost US\$750 in Uganda and the DRC, and from US\$750 to US\$1500 in Rwanda. There is also an additional booking & transfer fee of US\$120-150. You will also need to budget for visa fees (costs vary) and to renew your Kenyan and Ugandan visa upon re-entry should we have to go to Rwanda or DR

Congo. The government often increases the permit and transfer costs without notice, so we ask that you budget for the highest amount, so that you don't suddenly have to find additional money to partake in this wonderful experience. We recommend you budget a total of US\$1000. The Gorilla Permit payment will be collected from you at the Welcome Meeting on day 1 in US dollars cash. We also advise budgeting a little extra for tips for the local guides and rangers.

The reason that we don't include the gorilla trekking excursion in our Gorilla Safaris is because it is offered by a local operator and they are unable to confirm these prices and availability of permits. If we did, we'd have to make allowances for the government's unexpected price increases, and, possibly, charge our passengers far more than the price of the actual permit. This way you get to pay the correct price for the permit.

The reason that the permits are so costly is because each park only issues 10 permits per gorilla family per day, so as to ensure that the gorilla's exposure to humans is limited. 100% of the gorilla permit cost is used to by the government to continue in the excellent work they do in protecting and promoting these wonderful animals.

On The Go are not in control of the price of gorilla permits and therefore cannot be held responsible for any increase in fees.

OPTIONAL ACTIVITIES

We offer a number of locally operated optional activities and excursions on each of our expeditions. We feel that offering optional excursions affords a greater degree of flexibility, independence and choice to our travellers. To help you budget, below is a selection of optional excursions available on this trip.

Please note the following:

All prices are in US Dollars and are subject to change. Where activities occur away from your base, there may be an additional transfer cost. Make sure you have \$US dollars with you before you travel to Africa as it is notoriously difficult to get them here.

Victoria Falls activities (if applicable) - must be paid for in US\$ cash (GBP & ZAR also accepted at a lower rate).

Gorilla Trekking (if applicable) - the price varies dependant on where gorilla trek takes place ie Uganda, DRC or Rwanda.

We offer camping excursions in the Serengeti/ Ngorongoro Crater and Okavango Delta.

All optional excursions are offered by 3rd parties and independently of On The Go Tours. They are undertaken at your own risk and On The Go Tours take no responsibility for personal loss/injury caused.
