Wildlife, Falls and Beaches

Day 2 : Masai Mara

Nairobi - Masai Mara. We enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, and continue our drive possibly getting a glimpse of some wildlife along the way. The main section of road between Nairobi and the Reserve is in a very poor state, so be prepared for a rough ride! We arrive at our campsite, Acacia Camp in the evening.

Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve. The Reserve remains unfenced, allowing wildlife to roam freely across into the surrounding area and if they choose – through our own camp! No need to be afraid, as the local 'Askari' will keep a look out for any unwanted predators. **Overnight - Masai Mara (L, D)**

Day 3 : Masai Mara

Masai Mara NP. We depart shortly after sunrise on our game drive into the Masai Mara Reserve. The Masai Mara is well known as one of East Africa's best National Reserves and is home to a wide variety of wildlife species. Most famous for the Annual Migration, that consists of the impressive herds of over 1 million wildebeest, zebra and Thomson's gazelle that cross over from the Serengeti National Park in Tanzania; the Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here. Following these herbivores are Africa's predators that are often seen at a kill during this period. We game drive through a section of the park in search of the 'Big 5'- elephant, rhino, buffalo, lion & leopard; along with the many other species of animals, reptiles and birds who make call this wilderness home.

After our game drive, we have the option to visit one of the nearby Masai Manyatta's – this is a traditional hamlet where the Masai still live in their traditional way. This evening we sit around the camp fire, and watch the sun set over this "Garden of Eden". **Overnight - Masai Mara (B, L, D)**

Day 4 : Lake Nakuru

Masai Mara - Lake Nakuru. Leaving Masai Mara we head towards our first overnight stop in the area of Lake Nakuru National Park, where our overnight campsite will be at EAMO; East African Mission Organisation. We will have the chance to interact with the local kids as well as a chance to learn more about this wonderful organisation. **Overnight - Lake Nakuru (B, L, D)**

Day 5 : Lake Nakuru

This morning we begin our exploration of the Lake Nakuru National Park. The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, various antelope and the occasional hippo along the way. After our game drive, we head to our campsite, arriving in the late afternoon. **Overnight - Lake Nakuru (B, L, D)**

Day 6 : Kisii & the Gusii Highlands

Masai Mara - Kisii/Kericho Area. After breakfast we leave Lake Nakuru and head to Kisii/Kericho passing through the picturesque tea plantations along the way. These towns are the main commercial centres in the Gusii Highlands, where cash crops like tea and coffee thrive because of its equatorial climate. We replenish our stocks before heading for Tanzania tomorrow. **Overnight - Kisii/Kericho Area (B, L, D)**

Day 7 : Musoma

Kisii/Kericho - Musoma. We depart Kenya and head south into Tanzania. After border formalities, our drive takes us through the scenic granite landscapes adjacent to Africa's largest lake – Lake Victoria. We spend the night at a campsite on the banks of Lake Victoria in the fishing town of Musoma. **Overnight - Musoma (B, L, D)**

Day 8 : Serengeti National Park

Musoma - Serengeti. After stocking up on supplies for the next couple of days, we head to the Serengeti National Park, entering the park after lunch. The Serengeti (Masai for "endless plains") is famous for its enormous concentration of game (especially the big cats) and for the annual migration of millions of wildebeest, zebra and Thomson's gazelles.

Wildlife, Falls and Beaches

The abundance of plains game in this area is truly astounding. We enter the park through the lesser travelled western corridor and game drive en-route to our campsite in the centre of the park. Tonight we bush camp (no ablutions) in the wild surrounded by the sounds of the African bushveld, pierced only by the calls of the nocturnal wildlife.

Overnight - Serengeti National Park (B, L, D)

Day 9 : Ngorongoro Crater

Serengeti - Ngorongoro Crater. After an early start we pack up our camp and continue our game drive through the Serengeti National Park in search of the resident wildlife and head to the southern part of the park where we have the chance to see the endless plains this park is renowned for. With some luck, we may see some of Africa's 'Big 5'! We cross from the Serengeti to the Ngorongoro Conservation area at lunch time and begin our climb up the steep Crater edge. Tonight's camp (basic ablutions) on the crater rim sharply contrasts the warmer plains below - we suggest you bring your winter woollies as it can get very cold at night. **Overnight - Ngorongoro Crater (B, L, D)**

Day 10 : Arusha

Ngorongoro Crater - Arusha. The Ngorongoro Crater with its 600 m high walls and 20 km width is a natural marvel. The Crater's rim offers spectacular views, but the true scale of this caldera is only appreciated from the floor itself where the abundance of its animal inhabitants becomes apparent. It is home to nearly every species of African animal and offers a chance to view an incredible concentration of East African mammals, such as elephant, rhino, buffalo, hippo, lion and plain's game. After spending the morning game driving in The Crater we continue to our campsite outside Arusha where we spend

the evening musing over our thrilling wildlife experience. **Overnight - Arusha (B, L, D)**

Day 11 : Pangani

Arusha - Pangani. This morning we change trucks and head to Arusha to stock up on supplies before continuing on towards Dar es Salaam. On the way we drive through the town of Moshi situated at the magnificent Mount Kilimanjaro – Africa's highest mountain. Moshi is the base for Mount Kilimanjaro climbing expeditions, and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! We pass through vast sisal plantations surrounded by The Usambara and Pare Mountain ranges, before reaching our lovely campsite nestled between these mountains, midway between Arusha and Dar es Salaam. **Overnight - Pangani (B, L, D)**

Day 12 : Dar es Salaam

Pangani to Dar es Salaam. Today we continue on to Dar es Salaam. Travelling through lush scenery and palm trees, we near the warm Indian Ocean. Today's drive time is extended due to the heavier amount of traffic heading in to the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

Overnight - Dar es Salaam (B, L, D)

Days 13-15 : Zanzibar

Included Activity: Zanzibar excursion.
Included Activity: Spice Tour & Dhow cruise excursion.

Dar es Salaam - Zanzibar. A ferry from Dar es Salaam takes us to the "Spice Island," where we spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

Whilst in Zanzibar you'll stay at the Safari Lodge or similar in Stone Town and the 2nd and 3rd night at either Sunset Bungalows or Amaan Bungalows on Nungwe Beach.

PLEASE NOTE: Meals are for your own account whilst on Zanzibar. The Trip Leader joins you while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer, please see the price guide at the end of this document for more details.

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

Overnight - Zanzibar (B:1)

Day 16 : Zanzibar to Mikumi

Zanzibar - Mikumi. Leaving Zanzibar in the morning, we return to the mainland and head west, passing through the Mikumi National Park where it is possible to view a range of wildlife from the roadside, totally impervious to the passing traffic. We will stop in the town of Mikumi for our overnight stay. Arrival to

camp is usually in the late afternoon, or early evening. **Overnight - Mikumi (D)**

Day 17 : Iringa

Mikumi - Iringa. On day 17, departing early this morning we continue towards Iringa where we spend the night in a beautiful rustic campsite famous for its Amarula Hot Chocolates and its steamy showers! Be sure to keep a good book, music and a pack of cards handy as we are covering around 200 km's today.

Overnight - Iringa (B, L, D)

Days 18-20 : Lake Malawi

Iringa - Lake Malawi (Malawi). Depart Iringa at 6am, we wind our way through the beauty of the Tukuuyu tea and banana plantations, we head towards Malawi entering the 'Warm Heart of Africa' through the border post at Songwe. For day 18, keep a good book, music and a pack of cards handy as we are covering around 500 km's today (with border formality's) and will arrive this evening at approx. 8pm.

Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We travel the length of the western side of the lake, stopping off at various bays and inlets over the next 3 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine beaches. Malawi's temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you'll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night you'll see the 'fairy' lights of the fishermen out on the lake. The various beachside campsites along

Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school (see pricing guide at the end of these Trip Notes).

Overnight - Lake Malawi (B:3, L:3, D:3)

Days 21-23 : Luangwa

Lake Malawi - Luangwa - Lusaka Area. Today we head towards South Luangwa National Park. This breath taking park is situated on the Luangwa River in the Eastern part of Zambia, and it is the southernmost of three national parks in this region. South Luangwa was founded in 1938 as a game reserve, 1972 was the year it was declared as a national park, and today it covers over 9000 kilometres squared. Animals such as Giraffe, buffalo and Elephants can be found in abundance. The Luangwa river is home to many a hippo and croc.

Leaving the park on day 23 we make our way down south. As we drive, we pass through a few of the villages and towns of Zambia along the way. Prosperous during the copper boom in the 60's, Zambia was able to build infrastructure at the main mining and farming communities. After the fall of the copper industry, the country was left virtually bankrupt and existing infrastructure was left to fall to ruin. Due to foreign investment and a rise in the mining industry, Zambia is today once again starting to prosper. **Overnight - Luangwa (2) Lusaka Area (1) (B:3, L:3, D:3)**

Day 24 : Livingstone

Lusaka Area - Livingstone. Heading further south, we journey through the southern Zambian towns mostly supporting local agriculture and farming on our way to Livingstone. The Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of

the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Mosi-oa-Tunya National Park, Zambia - a fantastic photo opportunity. Tonight we have the option of enjoying a sunset dinner cruise on the mighty Zambezi.

Overnight - Livingstone (B, L, D)

Day 25 : Chobe National Park

Livingstone - Kasane - Chobe (Botswana). We leave Zambia and cross the border into Botswana at the Kazangula Ferry. Once we've completed the border formalities, we continue to the town of Kasane, situated on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia and is the main water source to the Chobe National Park. After lunch we packed and we leave for our Chobe National Park Overnight Mobile excursion – an overnight experience in the wilds of the Chobe National park. Chobe is one of Botswana's premier game parks, renowned for its large elephant herds. Spend the afternoon in search of wildlife while we game drive to our camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. Look out for the rare Sable and Roan Antelope on your game drive, with their majestic backward slanting horns, or try keep a count of the Lilac Breasted Roller's that swoop by!

Please Note: Should we not be able to stay in Chobe National Park due to lack of availability at the bush camp, this excursion will be replaced with an overnight trip in the bushveld of the Lesoma Valley which is situated in the Kasane Forest Reserve adjacent to the Chobe NP and the Matsetsi Game area of Zimbabwe. Lesoma is equally rich in wildlife and affords a similar experience to the above. **Overnight - Chobe National Park (B, L, D)**

Day 26 : Victoria Falls

Chobe - Victoria Falls (Zimbabwe). After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane. Once we have returned to camp, we

get back on our truck and continue to the border of Zimbabwe. Once we've completed border formalities, we have a short drive to the nearby Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops. A 20 minute walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia.

After our adventure activities briefing (see price guide at the end of these Trip Notes for options), the afternoon is spent relaxing at the campsite's swimming pool, viewing the Victoria Falls, or exploring the many sights and delights of this town! **Overnight - Victoria Falls (B)**

Day 27 : Victoria Falls

Saturday. After breakfast, we exchange addresses and part ways, having just experienced a trip of a lifetime! We suggest booking additional days after your trip to take advantage of the optional excursions available at Victoria Falls.

Optional excursions include a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks. (B)

Wildlife, Falls and Beaches

- Africa is a vast continent and distances between the highlights we visit can be very far apart, but some early morning starts and late arrivals into camp will ensure that your time is maximised to see as many sights as possible
- We believe that a flexible approach to travel and good sense of humour are essential when undertaking overland safaris, although we trust that any hiccups in the itinerary will be resolved as soon as possible by our trusted partners
- Your own personal first aid kit
- A torch
- A small daypack for your day-to-day needs.
- Antibacterial wipes
- A photocopy of your passport data pages
- Your Yellow Fever Vaccination Certificate
- Your travel insurance policy details
- Hat, sunglasses & sunscreen
- Warm clothing - raincoat, warm hat, socks, gloves etc as across Africa wet/dry and hot/cool climatic periods change invariably.

Please Note

This tour is operated in conjunction with our trusted partner and you will join travellers from different operators, not solely On The Go.

This itinerary should be used as a guide only and may vary from day to day depending on road & weather conditions, political situations and group decisions.

All prices & Local Payments are subject to change.

Due to Tourism Laws in some of the countries we visit, there may be a truck and crew change during the trip.

This safari is modular and a portion of this trip may coincide with a family departure which welcomes children aged 6 and over.

Who's on tour?

People from all over decide that the back to basics and close-up approach to viewing Africa is for them – from Canada to New Zealand to Singapore and the UK. Generally people are 30-50yrs, easy going and happy to participate. They have a love of camping and as some days are long, don't mind a drive. Whilst the truck is purpose built and ideal for this style of safari, for those who require more comfort we suggest you opt for one of our lodge safaris.

Things To Bring

- A rucksack/back pack is the best luggage to bring as your main bag
- A sleeping bag
- For extra comfort, bring a travel pillow
- A towel
- Spare camera batteries/film and dustbag
- Mosquito spray (with active DEET ingredient)

if the produce on offer is not of the same selection as what you may be used to back home. The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQs and even roasts!

Participation on Tour

All of our overland safaris are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

East Africa Mission Orphanage

About the EAMO

The East African Mission Orphanage was established in 1997 in order to provide a safe home for hundreds of orphans in Kenya including babies and teenage mothers. A registered charitable institution, the EAMO provides children in their care with clothing, health checks and three meals a day with an education programme in place to ensure that the children leave the orphanage with good work prospects.

What to expect when visiting the EAMO

On this overland camping safari we spend a few nights camping in the campsite owned by the EAMO in Lake Nakuru and include the option to visit the children at the EAMO. The orphanage cannot be compared to the facilities offered at similar institutions in Western countries - the meals, clothing and education the EAMO provide are the best they can do with limited resources. There are still plenty more orphaned children in Kenya and if it's the choice of giving one child at the centre a new pair of shoes or taking in another child from the street and feeding him or her the centre chooses the latter. The number of

Budgeting

Africa is not as cheap as many people believe and we recommend that you budget between US \$50-70 per day for expenses such as drinks, snacks and curios. Budget more if you plan on buying a lot of souvenirs and budget for your optional excursions and visas separately.

Transport on Tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating

space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat

between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. There is no air-conditioning on board, instead vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Meals on Tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available

seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even

KNOW BEFORE YOU GO

Passports & Visas

Please ensure that you have at least two blank pages in your passport, plus an additional blank page for each visa/African country you are visiting. If travelling on one of our longer overland safaris we recommend that you have at least 12 blank pages in your passport.

Please also note that your passport must be valid for a minimum of six months from the end date of your trip.

Any visa information provided in this document is for general guidance purposes only, visa requirements and fees are subject to change. It is essential that you check current entry requirements with each relevant embassy/consulate prior to departure. Visa procurement is the responsibility of the traveller and not of On The Go.

Booking Your Flights

When booking your departure flight you should allow time at the end of your African safari for any unexpected delays. We recommend that you book your onward flight no earlier than 24 hours after the end of your safari. In the case of our longer overland camping safaris (22 days or more) we advise against making any firm arrangements for at least 48 hours after the scheduled departure date. We can help to arrange post tour accommodation upon request.

Allergies/Likes/Dislikes

Whilst all will be done to accommodate everyone, sometimes the choice available is limited as your cook may be making the best of very limited availability, so some flexibility may be required when encountering something you're not particularly fond of or have chosen not to eat as a lifestyle choice. Should you possess allergies which will result in a medical emergency or a life threatening

situation then please ensure you speak to your cook on arrival so you can discuss the options available whilst en-route. This will ensure also that they are fully aware of what you can or cannot eat and make adjustments.

There is the risk of malaria in certain areas of Botswana so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting. A valid Yellow Fever vaccination certificate is also required if travelling into Botswana and you have previously been in an infected country.

Currency & Banking

The currency of Botswana is the Botswana Pulas (BWP) 1 Pula = 100 Thebe. Notes are in denominations of BWP10, 20, 50 and 100.

It is easy to change most forms of currency including US\$, GB£, Euros and South African Rand. The best place to change money in Botswana is the bureau de changes as banks charge commission to change either cash or travellers cheques. temperatures of around 30 Celsius and higher. The rainy season (typically lasting from January to March) can be hot with temperatures still in the mid 30's and only dropping to around the mid 20's overnight. Winter (May-September) brings a cool change yet is still reasonably warm and mostly pleasant with an average temperature of around 25°C. Early mornings and evenings may be cold and frosty especially in the Kalahari region. The amount of rainfall decreases the further you travel west or southwards during the winter and rainy season months.

Travelling with children in Botswana

The Ministry of Nationality, Immigration and Gender Affairs informs the general public that it has imposed requirements for minors (children under 18) travelling through the country's ports of entry.

Effective from the 1st October 2016 minors travelling through the country's borders will be required to produce certified copies of unabridged birth certificates in addition to their valid passports. In the event that one parent is not travelling with the child, the other parent's affidavit consenting to such travel should be availed. However, an affidavit will not be required if the father's name does not appear on the child's birth certificate."

To summarise the above, should families be travelling with children below the age of 18 they will require the following:

- Valid Passports
- Certified unabridged birth certificates for all minors below the age of 18
- An Affidavit signed by the non-travelling parent should the minor be travelling with one parent.

Unfortunately these regulations are very strict therefore we urge all parents travelling to Africa with their children to contact all relevant embassies well prior to departure to ensure they have the correct documentation as if you do not, there is a high chance you will be denied entry.

Climate

Kenya is an excellent year round destination with a favourable climate and reasonably low rainfall. In general the hottest months are December to March, although the climate varies enormously from place to place. The lowland coastal areas are tropical, with year round high temperatures and humidity, which is at its peak in April and May, although tempered by monsoon winds. The highlands are more temperate with four seasons. Nairobi has a very pleasant climate throughout the year due to its altitude. Near Lake Victoria, the temperatures are much higher and rainfall can be heavy.

Plastic Bag Ban

Effective August 2017: All passengers arriving into Kenya including tourists can possibly face very heavy fines for using plastic bags in any way, shape or form. Using, manufacture or importation of plastic bags, including garbage bags and shopping bags is illegal. Offenders, including tourists, could face very heavy fines. Visitors/Citizens and Residents alike are advised to avoid packing any plastic bags in their suitcases or in carry-on hand luggage before flying to Kenya. Items purchased at the airport before boarding the aircraft should be removed from plastic bags. Please check hand luggage before disembarking at entry points and any plastic bags should be left in the plane.

Similarly the transparent "zip-lock" plastic bags that some airlines require passengers to use for keeping liquids, cosmetics, toiletries etc separately in hand luggage are also not permitted to be brought and should be removed and left on the plane before disembarking.

The Tanzanian Shilling is non exportable or importable. You can exchange US Dollars, Pound Sterling or Euro cash at bureau de changes or banks in larger towns/cities. In Zimbabwe a malarial risk exists from November to June in all areas below 1200m and throughout the year in the Zambezi Valley. We strongly recommend that you take your anti-malaria medication. Other precautionary measures to prevent contact with mosquitoes include: insect repellent, cover up at sundown, sleep under a mosquito net and wear long sleeve clothing and long trousers in the evenings.

Yellow fever: A yellow fever vaccination certificate is required from travellers over one year of age coming from infected areas.

Currency

The Zimbabwean Dollar was abandoned in April 2009. The country has adopted a multi-currency scheme; the US Dollar and South African Rand can be used for domestic transactions.

Zimbabwe is essentially a cash-only society now with ATMs pretty useless for the foreigner. Credit cards only used in a handful of places, however all major hotels will now accept this payment. We recommend bringing enough cash to cover your stay in Zimbabwe (in either USD or ZAR) especially in the smaller denominations (US\$1-20 and ZAR10 - 200) as there is always a shortage of change and shopkeepers will often refuse larger bills. Please also be aware it is illegal to leave Zimbabwe with over \$1000 (or equivalent) in cash.

Zimbabwe introduced Bond Notes into circulation on 28 November 2017 which will be used alongside the US dollar and other currencies. These Bond Notes will be at a 1:1 parity with the US dollar. However, they are only legal tender within Zimbabwe and as such can only be used there. These Bond notes will be in \$2 and \$5 denominations and there will also be a new \$1 Bond coin.

Climate

Although located in the tropics, temperate conditions prevail all year round in Zimbabwe as the climate is moderated by altitude and the inland position of the country.

Zimbabwe has a rainy season from November/December to March, during this time days are hot and sunny with possible afternoon thunderstorms. By April and May most of the rain is gone, skies are clear and days are sunny and warm. Night time temperatures drop dramatically between June and August although daytime temperatures remain pleasantly warm. Late August sees the start of the hot and dry season which continues until October.
