The rest of the day is free to relax or those arriving early can opt to join our optional Backstreets of Cairo tour which departs the hotel at 10am. Tonight, your Welcome Meeting will be held at 7pm. Note: For those arriving a day or two earlier than Day One of the tour, one of our staff will be on hand to advise on where best to enjoy your extra time in Cairo in advance of the tour commencing. **Overnight - Cairo**

Day 2 : Pyramids & Saqqara

Today we visit the stunning pyramids and the Sphinx at Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction. Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stone cutters carried out the job of building the pyramids. 100,000 workers were used for the backbreaking task of moving and laying the stones of the largest pyramid-Cheops and around 2.5 million limestone blocks, quarried locally and weighing in excess of 6 million tonnes, were used in its construction.

Leaving the Pyramids of Giza, we visit a government supervised papyrus emporium where you can buy genuine papyrus at quite reasonable prices. Continuing to the necropolis of Saqqara, we can explore the myriad tombs and temples at this site and see Zoser's step pyramid - constructed by

Imhotep, the pharaoh's chief architect in 2700 BC. **Overnight - Cairo (B)**

Day 3 : Grand Egyptian Museum

Cairo - Aswan. Today we have a guided tour of Grand Egyptian Museum, which houses a giant exhibition containing the treasures of King Tutankhamun. In this incredible 490,000 sq.m complex many of the exhibits are being displayed for the first time and artefacts have been brought together from across Egypt and the world.

Then we head over to the National Museum of Egyptian Civilization to visit the fascinating Royal Mummies' Hall where the mummies of ancient Egyptian kings and queens are on now display. This incredible hall contains 20 mummies in total and some are so well preserved that they still have thick locks of hair, visible finger nails and smooth blackened skin! At this museum please note that we will only visit the Royal Mummies' Hall, which is the highlight, allowing enough time to relax back at the hotel and have dinner before we board the night train to Aswan this evening. **Overnight - Sleeper Train (B)**

Days 4-5 : Aswan & the Philae Temple

Arriving into Aswan this morning we enjoy a short boat trip to Agilika Island for a guided tour of the beautiful Philae Temple - dedicated to the goddess Isis. The temple dates from the 4th century BC but, the Ptolemies and the Romans up to 3rd century AD built most of the existing structures.

Returning to Aswan we visit a perfume oil emporium. The use of essential

and perfumed oils in Egypt dates back to 2700BC. Perfumed oils were used by women, pharaohs and by temple priests for worship who offered a melange of 6 perfumes called Kyphi to the Sun God at dawn, noon and dusk. At the perfumery, there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. For those that are not interested there is a supermarket nearby where you can use the opportunity to purchase snacks and incidentals.

Later, free time to perhaps enjoy some shopping in the colourful souks and markets or simply relax in this attractive town which straddles the River Nile.

Back at the hotel there will be time to rest before we depart at around midnight on our coach journey to the Temples of Abu Simbel. **Overnight - Aswan Hotel/Coach Journey to Abu Simbel (B:2)**

Day 6 : ABU SIMBEL SUN FESTIVAL

22 February. Abu Simbel - Aswan - Nile Felucca Cruise. Possibly the most awe-inspiring temple of all ancient Egypt, with its gargantuan rock-cut façade, the great Sun Temple of King Ramses II at Abu Simbel was created to revere the mighty pharaonic ruler King Ramses II and the gods Amun-Re, Re-Herakhte and Ptah.

Guarding the entrance to the temple (built between 1290 and 1224 BC) hewn into the side of a mountain are four famous colossal statues of the pharaoh himself, which sit majestically staring out across the desert. Over

Abu Simbel Sun Festival Feb 2023

the centuries the desert sands shifted until only a small part of the colossal temple peeked above the sand. It was rediscovered by chance in 1813 by a Swiss explorer called John Lewis Burkhart and it wasn't until the British starting excavating that the full glory of the temple of Abu Simbel was revealed to the modern world. The other rock cut temple at Abu Simbel is the Temple of Hathor, which is fronted by six massive standing statues. Four of them represent King Ramses II, whilst the other two are of his beloved wife, Queen Nefertari.

Ramses II had the entire temple carefully angled so the sun's rays would align twice a year on his date of his ascension to the throne (21 February) and on his birthday (21 October) and illuminate the inner sanctum of the temple. This incredible natural phenomenon provides for a most spectacular sight, which has come to be referred to as the Sun Festival of King Ramses II.

Famously, the temple was re-located in a multi-million dollar operation in 1972, further up from the shoreline of Lake Nasser, which had threatened to erode the foundations of this monolithic temple complex. For this reason, the sun now strikes a day later than Ramses had originally planned, though the event this morning itself is no less stunning.

Gathering in the temple before sunrise we watch the shafts of light slowly creeping through the rock hewn inner Hypostyle Hall (replete with further statues of the king) and through to the Sanctuary. As we are lead through the temple there will be time to pause for a moment to watch the sun illuminating the statues of Amun-Re, Re-Herakhte and Ramses the god, whilst the statute of Ptah - the god of darkness - remains in the shadows.

After the event, there will also be plenty of time to explore the Sun Temple of

King Ramses II and also the Temple of Hathor and take plenty of pictures.

Upon arrival in Aswan at approximately 1pm we board our wind-powered Nile felucca for a 2-night voyage on the River Nile downstream. Docking close to Daraw we take a motor boat to visit the temple before returning to the felucca for the night. Feluccas are simple sailboats based on a unique design and have plied the mighty Nile since ancient times. Our feluccas are proudly owned and crewed by friendly local sailors and they have been adapted to comfortably carry our travellers.

NOTE: As feluccas are wind-powered, our itinerary cannot be rigidly defined. A felucca support boat accompanies your felucca providing toilets, hand washing facilities and a cosy dining area. The felucca sails during the day, and prior to sundown the anchor is dropped and we moor at the riverside for the night. The craft carries between 8-12 passengers comfortably and the deck is strewn with soft colourful cushions and rugs and equipped with a canopy that offers shade and protection from the elements. Nothing beats the experience of sleeping under a blanket of stars. You need to bring a towel with you and can opt to bring a sleeping bag/sleeping sheet if you wish, though we suggest hiring locally a freshly laundered winter warmth blanket for USD\$15 (total) for the 2 night stay. Soft drinks, water and beer can be purchased aboard.

THE NILE FELUCCA EXCURSION: Before boarding the felucca, it is important you prepare a day bag - taking care to pack things you feel you'll need during the cruise, as your large bag will be placed below in below deck storage. NOTE: As this tour includes an overnight stay onboard a felucca for 2 nights, clients who are unable to swim are still able to undertake this tour, though need to book the Nile cruise upgrade version for this particular leg of the journey. This needs to be arranged

prior to travel at time of booking to secure your reservation and can not be booked locally during this busy time.

Overnight - Felucca Cruise (B, L, D)

Day 7 : Felucca Sailing & Kom Ombo

Nile Felucca Sailing. Relax, go for a swim or just chill out in the sun on deck. Let your troubles melt away, as the felucca plies its route and Egyptian life carries on all around you. In the afternoon, we dock near Kom Ombo and take a motorboat to visit the temple before returning to the felucca for the night.

Overnight - Felucca Cruise (B, L, D)

Day 8 : Luxor

This morning we disembark and drive north to Luxor. Home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at its best. Checking into our 5 star hotel the afternoon is free for swimming or relaxing by the pool.

Tonight, we have the opportunity to visit Luxor Temple with dinner afterwards. Built by Amenophis III, Luxor Temple looks stunning at night when it's illuminated by hundreds of lights. Book/pay locally at approx USD\$25pp including entrance fees and buffet dinner. Remainder of the evening is at leisure. **Overnight - Luxor (B)**

Day 9 : Valley of the Kings

Luxor - Cairo. Early this morning we travel to the awesome Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which represent the remains of the Temple of the hedonistic Amenophis III.

The Valley of the Kings is studded with often highly decorated pharaoh's tombs, three of which you can enter. Some of the tombs are so well preserved, the colours of the incredible pharaonic friezes are still as vibrant as when they were first painted.

The best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamun (additional fees apply for entry to King Tutankhamun's tomb). Beyond the Valley of the Kings is Deir al- Bahri, otherwise known as the Temple of Queen Hatshepsut. Rising out of the desert plain, in a series of terraces, it is one of Egypt's finest and most photographed monuments.

Note: The Valley of the Kings ticket includes entry to 3 tombs. A subset of the 64 tombs at the site are open at any point in time and your guide will offer advice on the best ones to visit on the day. The tomb of King Tutankhamun is nearly always open and requires an additional entrance fee to visit (book/pay locally).

Next we have a short stop at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic times. Carving the stone is a trade passed on generation after generation, for most residents of

the West Bank and is their sole trade and income.

We return to the East Bank around midday, where we have a chance to relax by the hotel pool. Mid afternoon, we visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt's Middle and New Kingdom rulers. Tonight, we return by overnight train to Cairo. **Overnight - Sleeper Train (B)**

Day 10 : Day at leisure in Cairo

This morning we arrive back into Cairo and transfer to our hotel. Today is free for you to independently explore Cairo, or you could book locally our optional visit to the bustling Khan el Khalili Bazaar where you shop for souvenirs.

Overnight - Cairo (B)

Day 11 : Cairo

Monday 27th February 2023. Our Egyptian adventure comes to an end today. Included departure transfer to the airport later today in time for your international flight. **Overnight - Cairo (B)**

Entrance fees

Entry fees to sites of antiquity are not included, although reasonably priced. In Egypt, we collect entrance fees on Day 2 of the tour (the amount is noted under exclusions on the first page of this document). A breakdown of the entrance fee total is provided upon arrival. Entrance fees and optional excursions that you may wish to undertake are payable in local currency – Egyptian Pounds (EGP).

Tours that travel onwards:

To Jordan – Entrance fees in Jordan are payable at the Welcome Meeting in Jordan, in Jordanian Dinar (JD).

To Israel – On our *Pyramids Petra Promised Lands* tour, entrance fees are included.

Tip kitty

At the start of your tour we will collect a tip kitty (the amount is noted under exclusions) from all tour participants to cover tips throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, train conductors and other support staff throughout the tour. Your tip kitty in Egypt is collected in Egyptian Pounds (EGP).

If you are travelling to Jordan, the tip kitty for this part of your holiday is collected in Jordanian Dinar (JD). If you are travelling to Israel we do not collect a tipping kitty.

This amount does not include a tip for your tour guide. For a job well done, we suggest USD\$5-7 per day, per traveller for your guide. Tipping your guide and crew is an entirely personal gesture and ultimately the amount is up to you.

Travelling by overnight Train

For journeys between Cairo and Aswan and/or Luxor on our Signature tours, and from Luxor to Cairo on our Budget tours, we utilise the overnight 1st class sleeper train service (excludes *Treasures of the Nile* tour). The train cabins are equipped with two beds

(one above the other), a basin, electric points, air conditioning and are lockable. Freshly laundered bedding is provided and in the early evening an attendant will come round and make up your bed for you. A simple dinner and breakfast is included on the service. The dinner that is served within an hour of boarding is of a very average standard, so we recommend that you eat dinner prior to boarding. A basic breakfast is served in the morning and tea and coffee is offered complimentary. Toilets are located at the end of each carriage and a bar carriage is located toward the centre of the train where hot and cold beverages can be purchased, and sometimes alcohol.

The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard. We always request cabins to be side by side in the same carriage, though ultimately the location of our cabins, and whether they are together rests with the rail authority.

If you are a solo traveller and have opted to share a room for your tour and not pay the single supplement you will be sharing a cabin with another On The Go traveller, or if this isn't possible, a member of the public (of the same gender).

It's not like home, what to expect & Ramadan

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Please visit www.onthegotours.com/Egypt/Travel-tips-and-useful-info for what to wear, local customs, currency, WiFi, Ramadan and other helpful information to prepare you for your holiday.

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Many shops (excluding those which cater mainly to tourists) and attractions close earlier, as such we will start our tour earlier to make the best use of time and itineraries may be slightly altered to ensure we visit all attractions, leisure time will be offered in the afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street. NOTE: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are: 22 Mar - 20 Apr 2023 & 10 Mar - 8 Apr 2024 (approx)

For those that enjoy shopping, Egypt is a virtual Aladdin's Cave. Top buys include - perfume concentrate, rugs, backgammon boards, shisha pipes, Egyptian cotton clothing and authentic papyrus. When bartering for goods, set your budget, don't be swayed and remember the caveat - 'let the buyer beware.'

In the tourism industry it's common practice for commission to be offered in exchange for recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they been carefully selected based upon positive feedback from On The Go travellers. You are under no obligation to partake in a listed shopping experience and you are most welcome to wait inside or outside the premises.

Although we only visit reputable retailers, please note that we cannot explicitly guarantee the quality of their products. All purchases made whilst on holiday with us are at your own discretion. Please make sure that you are completely happy with your purchase. On The Go cannot be held responsible for any items that you buy if they fail to meet expectation, or any shipping arrangements. Proceed with caution.
