Overnight - Cairo

Day 2 : Pyramids of Giza & the Sphinx

Today we visit the legendary Pyramids of Giza and the iconic Sphinx at the Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stone cutters carried out the job of building the pyramids. 100,000 workers were used to carry out the backbreaking task of moving and laying the stones of the largest pyramid-Cheops. About 2.5 million limestone blocks, quarried locally and weighing in excess of 6 million tonnes, were used in the construction of Cheops.

We then visit a government supervised papyrus emporium where you can buy genuine papyrus at quite reasonable prices.

Continuing to the necropolis of Saqqara, we can explore the myriad tombs and temples at this site and see Zoser's step pyramid - constructed by Imhotep, the pharaoh's chief architect in 2700 BC! **Overnight - Cairo (B)**

Day 3 : The Egyptian Museum

Cairo - Aswan. We take a guided tour of the vast new Grand Egyptian Museum in Giza this morning. In this incredible 490,000 sq.m complex we'll discover a mind-boggling array of relics and antiquities from almost every period of ancient Egyptian history, including the treasures of King Tutankhamun.

Note: the Grand Egyptian Museum is set to open in 2020. An official date has yet to be released. If travelling prior to the opening of the new facility we'll visit the Egyptian Museum this morning.

There is time to relax before we board the night train to Aswan this evening. **Overnight - Sleeper Train (B)**

Day 4 : Aswan & the Philae Temple

Arrive into Aswan and check into our hotel. We enjoy a short boat trip to Agilika Island for Philae Temple - dedicated to the goddess Isis. The temple dates from 4th century BC but the Ptolemies and the Romans up to 3rd century AD built most of the existing structures.

Upon returning to Aswan we visit a perfume oil emporium. The use of essential and perfumed oils in Egypt dates back to 2700BC. Perfumed oils were used by women, pharaohs and by temple priests for worship who offered a melange of 6 perfumes called Kyphi to the Sun God at dawn, noon and dusk. At the perfumery, there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. For those that are not interested there is a supermarket nearby where you can use the opportunity to purchase snacks and incidentals.

Later, free time to perhaps enjoy some shopping in the colourful souks and markets or simply relax in this attractive town which straddles the River Nile. **Overnight - Aswan (B)**

Day 5 : Felucca sailing & Abu Simbel

Aswan – Nile felucca cruise - Kom Ombo. Optional early morning excursion to Abu Simbel. Travelling due south through the vast sandy desert we arrive at the site. Abu Simbel - the gargantuan rock-cut temple of King Ramses II, the Great Builder is possibly the most awe-inspiring temple of all ancient Egypt, with its mammoth rock-cut façade. Abu Simbel was created to revere the mighty pharaonic ruler King Ramses II. Guarding the entrance to the temple, the four famous colossal statues of Ramses II sit majestically, staring out across the desert, seemingly since time began. In a multi-million dollar operation in 1972, the temple was famously re-located further up from the shoreline of Lake Nasser, which had threatened to erode the foundations of this monolithic temple complex.

If you choose not to embark upon this optional excursion, there is plenty to do in Aswan, before our early afternoon departure on our Nile felucca cruise. You can relax at the hotel, explore Aswan and its beautiful shoreline and corniche or perhaps do a spot of shopping. This afternoon, we board our wind-powered Nile felucca for a 2-night voyage on the River Nile downstream to Daraw and onward by road to Kom Ombo. Feluccas are simple sailboats based on a unique design and have plied the mighty Nile since ancient times.

Our feluccas are proudly owned and crewed by friendly local sailors and they have been adapted to comfortably carry our travellers.

King Tutankhamun

NOTE: As feluccas are wind-powered, our itinerary cannot be rigidly defined. A felucca support boat accompanies your felucca providing toilets, hand washing facilities and a cosy dining area. The felucca sails during the day, and prior to sundown, the anchor is dropped and we moor at the riverside for the night. The craft carries between 8-12 passengers comfortably and the deck is strewn with soft colourful cushions and rugs and equipped with a canopy that offers shade and protection from the elements. Nothing beats the experience of sleeping under a blanket of stars. You need to bring a towel with you and can opt to bring a sleeping bag/sleeping sheet if you wish, though we suggest hiring locally a freshly laundered winter warmth blanket for USD\$15 (total) for the 2 night stay. Soft drinks, water and beer can be purchased aboard.

THE NILE FELUCCA CRUISE: Before boarding the felucca, it is important you prepare a day bag - taking care to pack things you feel you'll need during the cruise, as your large bag will be placed below in below deck storage. If you are unable to swim, you must advise your tour guide before boarding the felucca.

5 STAR NILE CRUISER: Guests who have paid the supplement to travel aboard the 5 Star Nile cruiser will be provided with their cruising schedule upon arrival to Aswan. Cruise schedules vary. Boarding of the cruise ship will be on day 4 for a period of 3 nights, or on day 5 for a period of 3 nights. The optional excursion to Abu Simbel is also available to those that have elected to upgrade to the cruiser (the cruiser remains in port until your return from Abu Simbel. On a rare occasion the ship may have already set sail and in such situations you'll be transferred by road to the nearest dock to rendezvous with your cruiser).

Your cruiser will sail for a total period of 8 - 12 hours covering a distance of 212km (split between 2 of the 3 days you are on board). The remainder of the time the boat is in dock in either Aswan, Luxor or at sightseeing stops en route. Views will be obstructed whilst the cruiser is in dock as ships dock side by side. You may also need to cross the reception of other boats the reach your vessel. Free time

is offered during this time to independently explore whilst docked when sightseeing is not included. **Overnight - Felucca Cruise** (B, L, D)

Day 6 : Felucca Sailing & Kom Ombo

Nile Felucca Sailing - Kom Ombo. Relax, go for a swim or just chill out in the sun on deck. Let your troubles melt away, as the felucca plies its route. In the afternoon we dock near Kom Ombo and take a motorboat to visit the temple, which is dedicated to the crocodile headed god - Sobek, before returning to the felucca for the night. **Overnight - Felucca Cruise** (B, L, D)

Day 7 : Luxor & optional visit to Luxor Temple

Kom Ombo - Luxor. This morning we disembark and drive north to Luxor, home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at its best. Checking into our 5 star hotel the afternoon is free for swimming or relaxing by the pool. Tonight, we have the opportunity to visit Luxor Temple with dinner afterwards. Built by Amenophis III, Luxor Temple looks stunning at night when it's illuminated by hundreds of lights. Book/pay locally at approx USD\$25 including entrance fees and buffet dinner. Remainder of the evening is at leisure. **Overnight - Luxor** (B)

Day 8 : Valley of the Kings

Luxor - Cairo. This morning we cross to the West Bank of the Nile for the day's touring. An early start allows us to avoid some of the fierce heat as we venture to the awesome Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which represent the remains of the temple of the hedonistic Amenophis III.

The Valley of the Kings is studded with often highly decorated pharaoh's tombs, some of which you can enter. Some of the tombs are so well preserved; the colours of the incredible pharaonic friezes are still as vibrant as when they were first painted. The best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamun.

After the Valley of the Kings we visit Deir al- Bahri, otherwise known as the Temple of Queen Hatshepsut. Rising out of the desert plain, in a series of terraces, it is one of Egypt's finest and most photographed monuments.

A short stop will also be made at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic times. Carving the stone is a trade passed on generation after generation, for most residents of the west bank and is their sole trade and income.

We return to the East Bank around midday, where we have a chance to relax by the hotel pool. Meeting up mid afternoon, we visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt's Middle and

The tomb of King Tutankhamun is nearly always open and requires an additional entrance fee to visit. **Overnight - Sleeper Train (B)**

Day 9 : Free time in Cairo

We arrive into Cairo this morning and transfer to our hotel. The rest of the day is free to relax by the hotel pool, shop or explore.

This afternoon there is an optional excursion to Khan el Khalili Market and a perfumed oil emporium (if not already visited in Aswan). Khan el Khalili is great for last minute souvenir shopping and at the perfumery there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. **Overnight - Cairo (B)**

The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard. We always request cabins to be side by side in the same carriage, though ultimately the location of our cabins, and whether they are together rests with the rail authority.

Currency. The currency of Egypt is the Egyptian Pound (EGP). Pound Sterling, US Dollars, Euro and other major currencies can be exchanged in Egypt. Exchange facilities are available at most hotels and all major towns have ATMs. It's advisable to request notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended as they are difficult to exchange.

It's not like home & etiquette

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Etiquette - Despite the inevitable ups and downs of travelling abroad, you will generally be shown great hospitality in Egypt. In return, please demonstrate sensitivity and respect for the local customs. Egypt is a Muslim country; so care should be taken to dress respectfully in large cities and towns, for example, when at markets and in public places.

- Ladies should avoid wearing 'clingy, tight or suggestive' attire, and stick to cool, flowing, cottons in busy city areas and markets
- Take care to dress conservatively and ensure that limbs are covered and remove footwear prior to entering a mosque
- Ex-military style clothing should not be worn
- Ask permission before taking photographs of people
- The standard form of greeting is a handshake. Men and women do not kiss at any time as a form of greeting

Troubleshooting

These things will most likely never happen, but it's good to be prepared if they ever do. Crime in Egypt is no worse than anywhere

else in the world. Here are a few tips to keep your trip hassle-free:

- Leave valuables in the hotel safe or better still, at home
- Keep bags locked at all times with a combination/padlock. Bags should also be locked when being transferred in vehicles, on-board the train, felucca or when taking a flight
- Carry your passport on your person. Bring spare passport photos and a photocopy of your passport
- Carry your bag close to your person rather than over your shoulder
- Travel in a group or pair, especially if you are female

Shopping

For those that enjoy shopping, Egypt is a virtual Aladdin's Cave. Top buys include - perfume concentrate, rugs, backgammon boards, shisha pipes, Egyptian cotton clothing and authentic papyrus. When bartering for goods, set your budget, don't be swayed and remember the caveat – 'let the buyer beware.'

In the tourism industry it's common practice for commission to be offered in exchange for recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they have been carefully selected based upon positive feedback from On The Go travellers. You are under no obligation to partake in a listed shopping experience and you are most welcome to wait inside or outside the premises.

Although we only visit reputable retailers, please note that we cannot explicitly guarantee the quality of their products. All purchases made whilst on holiday with us are at your own discretion. Please make sure that you are completely happy with your purchase. On The Go cannot be held responsible for any items that you buy if they fail to meet

expectation, or any shipping arrangements. Proceed with caution.

Camera fees

At some sites there is an additional fee for use of a camera or video. Camera/video (not professional) fees range between USD \$3 – 30 per site. There is no fee for taking photographs at the Pyramids of Giza and Saqqara. The cost for using camera inside Valley of the Kings (though not permitted inside the tombs) is approx. USD\$20. The cost for photographing the treasures inside the Egyptian Museum is generally USD\$6.

Ramadan

The majority of the Egyptian population is Muslim (approx 86%), with a small minority of Jews and Christians. Ramadan is a month of fasting observed by Muslims in Egypt and throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As such we will start our tour earlier during this period to make the best use of time and itineraries will be slightly altered to ensure we visit all attractions, leisure time will be offered in the late afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street.

Note: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are as follows, (approximate) - 12 April to 11 May 2021

King Tutankhamun - 10 days
