Arrival Transfers

A complimentary airport arrival transfer is included in your tour. Upon arrival at Cairo Airport you will be met by a representative

from On The Go Tours either just before immigration or in the baggage hall near the luggage belt of your respective arriving flight. The prominent sign depicting our company logo easily identifies our representative. Please have your tour voucher handy and make it available to our representative. After collecting your luggage you will be escorted to our awaiting transportation.

If, for any reason you have trouble locating our representative (after waiting 20 minutes in the arrival hall) or your flight to Egypt is delayed, please call or send a text message to the emergency contact number as stated on your tour voucher.

Tipping

Tipping is an essential part of the culture. For a job well done, we would suggest for your tour guide: USD\$5 - 6 per person for each day of sightseeing.

For your driver and On The Go representative we'd recommend USD\$2 - 3 per person for each day of service. Tipping is an entirely personal gesture and ultimately the amount is up to you.

KNOW BEFORE YOU GO

Entrance Fees & Local Payment

Entry fees to sites of antiquity are not included, although reasonably priced. In Egypt, we collect entrance fees on Day 2 of the tour (the amount is noted under exclusions). A breakdown of the entrance fee total is provided upon arrival. Entrance fees and optional excursions that you may wish to undertake are payable in local currency - Egyptian Pounds (EGP).

If travelling on a Budget tour, a Local Payment of cash GBP150pp (or USD equivalent as per the Egyptian bank rate of the day), if applicable to your tour and noted under the exclusions is also payable on day 2. On tours that also travel to Jordan, entrance fees there are payable in Jordanian Dinar (JD). In Israel (on our Pyramids Petra Promised Land tour) entrance fees are included.

Tip Kitty

At the start of your tour we will collect a tip kitty (the amount is noted under exclusions) from all tour participants to cover tips throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, train conductors and other support staff throughout the tour.

This amount does not include a tip for your tour guide. For a job well done, we would suggest USD\$5 - 7 per day for your tour guide. Tipping your guide and crew is an entirely personal gesture and ultimately the amount is up to you.

Your tip kitty in Egypt is collected in Egyptian Pounds (EGP). If you are travelling to Jordan, the tip kitty for this part of your holiday is collected in Jordanian Dinar (JD).

In Israel we do not collect a tipping kitty. As a guideline we recommend that you budget USD\$5-7 per day per traveller for your guide and USD\$2-3 per day per traveller for your driver.

Travelling By Overnight Train

For journeys between Cairo and Aswan and/or Luxor on our Signature tours, and from Luxor to Cairo on our Budget tours, we utilise the overnight 1st class sleeper train service (excluding Treasures of the Nile). On the train the two berth cabins are lockable, equipped with bunk beds, linen, washbasin and towel, allowing passengers to relax and stretch out. A simple dinner and breakfast is included on the service. Dinner, served within an hour of your boarding is of a very average standard and we recommend that you eat dinner prior to boarding the train. A basis breakfast is served in the morning and tea and coffee is offered complimentary. There is a bar carriage located toward the centre of the train where hot and cold beverages can be purchased, and sometimes alcohol. The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard.

We always request our cabins to be side by side in the same carriage, though ultimately

Currency

The currency of Egypt is the Egyptian Pound.

Pound Sterling, US Dollars, Euro and other major currencies can be exchanged in Egypt. Exchange facilities are available at most hotels and all major towns have ATMs. It's advisable to request notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended as they're often difficult to exchange.

Health Requirements

You should seek medical advice before travelling to Egypt from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Tetanus, Diphtheria, Typhoid, Hepatitis A and Rabies are strongly recommended. As tap water is not safe to drink in Egypt, only drink bottled mineral water which is readily available in hotels, shops and restaurants.

Climate

Temperatures in Egypt are generally high (25 - 30 degrees) and even hotter in the summer months from May to September, when the sun can be fierce and temperatures soar, so pack light comfortable clothing, sunscreen and a hat.

In Cairo and the Nile Delta region, winter (October to February) can be cooler - so take a jacket, long-sleeved tops and trousers for the cooler evenings. The south remains warm during this time but again, temperatures do drop in the evenings. Rainfall is negligible with the most falling along Egypt's Mediterranean coastline.

Time & Voltage

Egypt is 2 hours ahead of Greenwich Mean Time (GMT). Standard voltage is 220 volts. Primary sockets require the European, 2 pronged variety. We recommend that you pack a universal travel adaptor. You will need a voltage converter, and plug adaptor in order to use U.S. appliances.

Camera Fees

At some sites there is an additional fee for use of a camera or video. Camera/video (not professional) fees range between USD\$3 – 30 per site. There is no fee for taking as many photographs as you like at the Pyramids and Saqqara. The cost for using camera inside Valley of the Kings (though not permitted inside the tombs) is approx. USD\$18. The cost for photographing the treasures inside the Egyptian Museum is USD\$6

Essential Packing

- Towel for the felucca (if applicable to your chosen tour)
- Lightweight cotton garments
- Comfortable walking shoes for the Pyramids and Valley of the Kings. Pack flip flops/thongs/jandals to wear aboard the Nile felucca or Nile Cruiser
- DEET based mosquito repellent and antihistamine cream
- 2 pin, European electrical adaptor
- A small daypack for your day-to-day needs
- Sunglasses, hat, sunscreen, swim costume and torch
- Sleep sheet or sleeping bag if travelling with us on the felucca or onward to Jordan.

Felucca (Egypt): We suggest hiring locally a freshly laundered winter warmth blanket for USD\$15 (total) for the 2 night stay.

Wadi Rum Camp (Jordan): All bedding (which is freshly laundered) is provided at Wadi Rum and therefore bringing a sleeping bag is not a necessity but your own personal choice.

If doing a felucca cruise or travelling between November and March, pack warm clothes (i.e. – fleece, jacket, trousers, jeans, hat and scarf) as temperatures plummet at night.

Troubleshooting

These things will most likely never happen, but it's good to be prepared if they ever

do. Here are a few tips to keep your trip hassle-free. Egypt is no worse than anywhere else when it comes to crime. Minimise your chances of being robbed with these tips:

- Leave valuables in the hotel safe deposit or better still, at home
- Keep bags locked at all times with a combination/padlock. Bags should also be locked when being transferred in vehicles, onboard the train, felucca or when taking a flight.
- Carry your passport on your person
- Carry spare passport photos & a photocopy of your passport
- Carry your bag close to your person rather than over your shoulder
- Travel in a group or pair, especially if you are female

Please note On The Go Tours will not be held liable for loss or damage to personal property under any circumstances.

Etiquette

Despite the inevitable ups and downs of travelling abroad, you will generally be shown great hospitality in Egypt. In return, please demonstrate sensitivity and respect for the local customs. Egypt is a Muslim country; so care should be taken to dress respectfully in large cities and towns, for example, when at markets and in public places.

- Ladies should avoid wearing 'clingy, tight or suggestive' attire, and stick to cool, flowing, cottons in busy city areas and markets
- Take care to dress conservatively and ensure that limbs are covered and remove footwear prior to entering a mosque
- Ex-military style clothing should not be worn
- Ask permission before taking photographs of people
- The standard form of greeting is a handshake. Men and women do not kiss at any time as a form of greeting.

Ramadan

The majority of the Egyptian population is Muslim (approx 86%), with a small minority of Jews and Christians. Ramadan is a month of fasting observed by Muslims in Egypt and throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan

culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As such we will start our tour earlier during this period to make the best use of time and itineraries will be slightly altered to ensure we visit all attractions, leisure time will be offered in the late afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street.

Note: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are as follows, (approximate) -

23 April – 23 May 2020

12 April – 11 May 2021

It's not like home

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Shopping

Egypt is a virtual Aladdin's Cave. While Cairo's Khan al-Khalili bazaar is cavernous and full of unusual and everyday objects, smaller souqs and bazaars abound in other towns, too. Top buys include - perfume concentrate, carpets and rugs in innumerable hand-loomed designs, backgammon boards, hand-crafted shisha pipes, Pharaonic objects fashioned in marble and alabaster, Egyptian cotton clothing and of course - authentic papyrus.

IMPORTANT: Set your budget and don't be swayed, remember the caveat – 'Let the buyer beware'. Any purchases made whilst on holiday with us, irrespective of whether the store is recommended by us or other,

Cairo to Amman

Pound Sterling, US Dollars, Euro and other major currencies can be exchanged in Jordan. Exchange facilities are available at various bureau de changes and all major towns have ATMs. It's advisable to request bank notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended.

Time & Voltage

Jordan is 2 hours ahead of Greenwich Meantime (GMT). From the last Sunday in March to the last Sunday in October Jordan observes Daylight Saving and is 3 hours ahead of GMT. Standard voltage is 220 volts. Primary sockets require 3 pin UK and often European, 2 pronged variety. In Israel the preferred variety is European 2 prong. We recommend that you pack a universal travel adaptor. You will need a voltage converter, and plug adaptor in order to use U.S. appliances.

Climate

The maximum daily temperature in Amman ranges from 12°C in January to 32°C in August. The weather in the Jordan Valley (Petra) and south of the country is very hot during the summer months of April through to September. At this time of year daytime temperatures can exceed 38°C and increase to as high as 49°C. The sun can be fierce so it is advised to apply plenty of sunscreen, especially at the Dead Sea.

In winter (December to February) temperatures can range from 0°C to 12°C. If visiting during winter you will need to pack warm clothes for sightseeing, although the Dead Sea region will still be quite warm. If your holiday includes a stay in the Wadi Rum desert, winter wear items such as hat, scarf and gloves are also advised.

Essential Packing

- Camping at Wadi Rum - All bedding (of a well-laundered standard) is provided at our Bedouin camp. It is of a personal choice should you wish to bring your own sleep sheet or sleeping bag

- Pack insect repellent and a torch or headlamp if staying in Wadi Rum
- If visiting in winter pack warm clothes and an umbrella
- In summer bring lightweight clothing, sunscreen and a hat
- UK 3 pin and European 2 prong (European more so for Israel) electrical adaptors as the sockets vary from one hotel to another
- A copy of your travel insurance policy, spare passport photos and a photocopy of your passport
- Proper walking shoes (joggers/ trainers) for sightseeing in Petra
- If visiting Wadi Mujib Siq trail/canyon you'll need clothing and footwear that can get wet. Ideally a t-shirt & shorts or swimmers and trainers/walking shoes that will spend most of the walk submerged
- Binoculars IMPORTANT - are considered as surveillance equipment. Should you be carrying binoculars expect that you'll be asked to hand these over briefly at times (with your passport) by police or military for inspection. You should not be concerned by the event, as this is merely a routine inspection of the item

Petra Park Services Charge

The cost of the entrance ticket to Petra includes a compulsory 7JD fee to ride an Arabian horse. This Government-approved directive is in support of the local Bedouin who own the horses and also live in the surrounding town of Wadi Musa. As you have paid this obligatory charge, you are indeed entitled to ride a horse 800 metres down to the entrance gate at Petra. However, please be aware that you'll need to tip the horse handler an extra 2JD. IMPORTANT- On The Go Tours only recommends that you do so if you are an experienced rider. The decision to ride a horse is a personal one.

Shopping

Jordan offers a range of quality souvenirs. Look out for high-quality artefacts including rugs, pottery, paintings, jewellery, embroidery and woven items produced by local Jordanian women under the auspices of the Noor-Al Hussein Foundation and the Queen Alia Fund. A popular form of ceramic ware is 'Jerusalem Pottery'. Platters are highly decorated with biblically-inspired designs

including fish, peacocks, grapes and goblets of wine. Known as Hebron glass, colourful handmade glassware in brilliant colours is a nice buy, as is silver jewellery crafted by the Bedouin people. Dead Sea products of all guises, olive oil and soaps, sweetmeats and olive wood objects are also uniquely Jordanian souvenirs.

IMPORTANT: Set your budget and don't be swayed, remember the caveat – 'Let the buyer beware'. Any purchases made whilst on holiday with us, irrespective of whether the store is recommended by us or other, are at your own discretion. Please make sure that you are completely happy with the product you are purchasing and the delivery arrangements (we would recommend you take away with you any purchases rather than rely on shipping services).
