## DETAILED ITINERARY

### Day 1 : Nairobi

Monday. Welcome to Nairobi! You will be met in Nairobi Airport arrivals hall by our representative holding an On The Go tours/ Africa Travel Company sign and transferred to our in Nairobi. Tonight you will stay in shared dorms. Today there is a pre departure meeting at 17:00. **Overnight - Nairobi**

### Day 2 : Masai Mara

Nairobi - Masai Mara. Today we make our way through rolling grasslands to the Masai Mara National Reserve, where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, hopefully catching a glimpse of wildlife along the way.

The main section of road between Nairobi and the Reserve is in a very poor state, so be prepared for a rough ride as we make our way to our campsite which looks on to the Meguarra hills. Arriving in the evening, we enjoy the sounds of the wilds with an evening at leisure. The Reserve remains unfenced, allowing wildlife to roam freely across into the surrounding area and if they choose – through our own camp! No need to be afraid, as the local 'Askari' will keep a look out for any unwanted predators.

# Best of Kenya & Tanzania

**Included activity:** Masai Mara Game Reserve excursion

**Overnight - Masai Mara** (L, D)

## Day 3 : Masai Mara

Masai Mara. The Masai Mara, well known as one of East Africa's best National Reserves, is ours to explore today. Departing shortly after sunrise, we enjoy a game drive into the Reserve, most famous for the Annual Migration, when hundreds of thousands of wildebeest, zebra and Thomson's gazelles cross over from the Serengeti National Park in Tanzania. The Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here, and Africa's predators are not too far behind, often seen at a kill during this period. We search of the 'Big 5'- elephant, rhino, buffalo, lion & leopard, along with the many other species of animals, reptiles and birds which call this wilderness home. **Overnight - Masai Mara** (B, L, D)

## Day 4 : Lake Nakuru

Masai Mara - Lake Nakuru. Leaving Masai Mara we head towards our first overnight stop in the area of Lake Nakuru National Park.

**Overnight - Lake Nakuru** (B, L, D)

## Day 5 : Lake Nakuru

Lake Nakuru. This morning we begin our exploration of the Lake Nakuru National Park. The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, and various antelope. After our game drive, we head back to our camp for the night.

**Included activity:** Game drives in Lake Nakuru National Park

**Overnight - Lake Nakuru** (B, L, D)

## Day 6 : Kisii & the Gusii Highlands

Lake Nakuru - Kisii/Kericho Area. After breakfast we leave the Lake Nakuru and head to Kisii/Kericho passing through the picturesque tea plantations along the way. These towns are the main commercial centres in the Gusii Highlands, where cash crops like tea and coffee thrive because of its equatorial climate. We replenish our stocks before heading for Tanzania tomorrow. **Overnight - Kisii/Kericho Area** (B, L, D)

## Day 7 : Musoma

Kisii/Kericho - Musoma. We depart Kenya and head south into Tanzania. After border formalities, our drive takes us through the scenic granite landscapes adjacent to Africa's largest lake – Lake Victoria. We spend the night at a campsite on the banks of Lake Victoria in the fishing town of Musoma.

**Border crossing:** Isebania border to Tanzania  
**Overnight - Musoma** (B, L, D)

## Day 8 : Serengeti National Park

Musoma - Serengeti. After stocking up on supplies for the next couple of days, we head to the Serengeti National Park, entering the

park after lunch. The Serengeti (Masai for "endless plains") is famous for its enormous concentration of game (especially the big cats) and for the annual migration of millions of wildebeest, zebra and Thomson's gazelles. The abundance of plains game in this area is truly astounding. We enter the park through the lesser travelled western corridor and game drive en-route to our campsite in the centre of the park. Tonight we bush camp (no ablutions) in the wild surrounded by the sounds of the African bushveld, pierced only by the calls of the nocturnal wildlife.

**Included activity:** Excursion to Serengeti National Park

**Overnight - Serengeti National Park** (B, L, D)

## Day 9 : Ngorongoro Crater

Serengeti - Ngorongoro Crater. After an early start we pack up our camp and continue our game drive through the Serengeti National Park in search of the resident wildlife and head to the southern part of the park where we have the chance to see the endless plains this park is renowned for. With some luck, we may see some of Africa's 'Big 5'! We cross from the Serengeti to the Ngorongoro Conservation area at lunch time and begin our climb up the steep Crater edge. Tonight's camp (basic ablutions) on the crater rim sharply contrasts the warmer plains below - we suggest you bring your winter woollies as it can get very cold at night.

**Overnight - Ngorongoro Crater** (B, L, D)

## Day 10 : Arusha

Ngorongoro Crater - Arusha. The Ngorongoro Crater with its 600 m high walls and 20 km width is a natural marvel. The Crater's rim offers spectacular views, but the true scale of this caldera is only appreciated from the floor itself where the abundance of its animal inhabitants becomes apparent. It is home to nearly every species of African animal and offers a chance to view an incredible concentration of East African mammals, such as elephant, rhino, buffalo, hippo, lion and plain's game. After spending the morning game driving in The Crater we continue to our campsite outside Arusha where we spend the evening musing over our thrilling wildlife experience. **Overnight - Arusha** (B, L, D)

## Day 11 : Nairobi

Arusha - Nairobi. After breakfast, we begin our journey back to Nairobi. On arrival in the late afternoon, we exchange addresses and part ways, having just experienced a trip of a lifetime!

**Border crossing:** Namanga border to Kenya (B)

### About Overlanding

- To get the most out of your overland tour of Africa we highly suggest you read the 'About Overland Safaris' page on our website. It can be found under the Africa travel guide section on our website and is a comprehensive resource for understanding what to expect on an overland tour in Africa
- Overlanding is not considered a luxury holiday but is undoubtedly a lot of fun if camping under the stars and being part of an entirely self-sufficient travelling group is to your liking
- Africa is a vast continent and distances between the highlights we visit can be very far apart, but some early morning starts and late arrivals into camp will ensure that your time is maximised to see as many sights as possible
- We believe that a flexible approach to travel and good sense of humour are essential when undertaking overland safaris, although we trust that any hiccups in the itinerary will be resolved as soon as possible by our trusted partners

### Tour Leaders and Groups

Our longest Overland Camping Safari we offer is our Great African Expedition - 57 Days, generally all other safaris we offer are sectors of this larger safari or similarly a fragment of one of the another safari's we offer. As such, on your holiday you may have travellers join you part way through your safari and also there may be travellers who end their safari when you continue on. There may also be times when there is a change of crew and truck (changed to suit group size or local road conditions).

### Please Note

**This tour is operated in conjunction with our trusted partner and you will join travellers from different operators, not solely On The Go.**

This itinerary should be used as a guide only and may vary from day to day depending on road & weather conditions, political situations and group decisions.

All prices & Local Payments are subject to change.

Due to Tourism Laws in some of the countries we visit, there may be a truck and crew change during the trip.

### Family Friendly Departures

Parents with children and teens aged 6 to 17 are welcome on select departure dates of this trip. Children under 12 get 5% off the trip price but there is no reduction to the local payment. To see which departure dates are family friendly please refer to our website.

### Who's on tour?

People from all over decide that the back to basics and close-up approach to viewing Africa is for them – from Canada to New Zealand to Singapore and the UK. Generally people are 30-50yrs, easy going and happy to participate. They have a love of camping and as some days are long, don't mind a drive. Whilst the truck is purpose built and ideal for this style of safari, for those who require more comfort we suggest you opt for one of our lodge safaris.

### Things To Bring

- A rucksack/back pack is the best luggage to bring as your main bag
- A sleeping bag
- For extra comfort, bring a travel pillow
- A towel
- Spare camera batteries/film and dustbag
- Mosquito spray (with active DEET ingredient)
- Your own personal first aid kit

- Your travel insurance policy details
- Hat, sunglasses & sunscreen
- Warm clothing - raincoat, warm hat, socks, gloves etc as across Africa wet/dry and hot/cool climatic periods change invariably.

## Budgeting

Africa is not as cheap as many people believe and we recommend that you budget between US \$50-70 per day for expenses such as drinks, snacks and curios. Budget more if you plan on buying a lot of souvenirs and budget for your optional excursions and visas separately.

## Transport on Tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. There is no air-conditioning on board, instead vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

## Meals on Tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home. The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients

available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQs and even roasts!

## Participation on Tour

All of our overland safaris are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

### KNOW BEFORE YOU GO

## Passports & Visas

Please ensure that you have at least two blank pages in your passport, plus an additional blank page for each visa/African country you are visiting. If travelling on one of our longer overland safaris we recommend that you have at least 12 blank pages in your passport.

Please also note that your passport must be valid for a minimum of six months from the end date of your trip.

Any visa information provided in this document is for general guidance purposes only, visa requirements and fees are subject to change. It is essential that you check current entry requirements with each relevant embassy/consulate prior to departure. Visa procurement is the responsibility of the traveller and not of On The Go.

## Booking Your Flights

When booking your departure flight you should allow time at the end of your African safari for any unexpected delays. We recommend that you book your onward flight no earlier than 24 hours after the end of your safari. In the case of our longer overland camping safaris (22 days or more) we advise against making any firm arrangements for at least 48 hours after the scheduled departure date. Your tour leader

can help to arrange post tour accommodation locally upon request.

## Allergies/Likes/Dislikes

Whilst all will be done to accommodate everyone, sometimes the choice available is limited as your cook may be making the best of very limited availability, so some flexibility may be required when encountering something you're not particularly fond of or have chosen not to eat as a lifestyle choice. Should you possess allergies which will result in a medical emergency or a life threatening situation then please ensure you speak to your cook on arrival so you can discuss the options available whilst en-route. This will ensure also that they are fully aware of what you can or cannot eat and make adjustments.

The visa allows multiple entry into these countries and is valid for 90 days. It can be applied for in advance or upon arrival at Nairobi International Airport.

## Vaccinations

You should seek medical advice before travelling to Kenya from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A&B and Tetanus is strongly recommended. Rabies and Meningitis are also recommended.

There is the risk of malaria in Kenya so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting. A Yellow Fever Vaccination Certificate is required for travel to Kenya and if travelling from an infected area it must be presented upon arrival in order to be granted entry. Please also note that if you are travelling onward to Uganda and/or Rwanda you will need a Yellow Fever Certificate to produce on arrival in order to be granted entry.

## Time & Voltage

Kenya is 3 hours ahead of GMT. Daylight saving time is not observed.

In Kenya the standard voltage is 220-240V. Primary sockets require a 'Type G' - British BS-1363 type, three pin plug. You will need

a voltage converter, and plug adapter in order to use U.S. appliances. We recommend packing a universal adapter.

## Currency

The currency of Kenya is the Kenyan Shilling (code KES, symbol KSh).

1 KSh = 100 cents. Notes are in denominations of: KSh1,000, 500, 200, 100 and 50.

Coins are in denominations of KSh20, 10 and 5.

Banking hours: Mon-Fri 0900-1500, Sat 0900-1100. You can exchange money in banks or bureau de changes. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes! In major towns/cities most banks have an ATM. American Express, Diners Club, MasterCard and Visa cards are all widely accepted.

Travellers cheques can be changed at banks, these should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Most banks will want to see your passport and proof of purchase receipt before cashing your travellers cheques. Please Note: Travellers cheques can be difficult to cash and often have restrictions of about US\$100 a day maximum. They also tend to attract high commission charges, especially when exchanging for hard currency.

## Climate

Kenya is an excellent year round destination with a favourable climate and reasonably low rainfall. In general the hottest months are December to March, although the climate varies enormously from place to place. The lowland coastal areas are tropical, with year round high temperatures and humidity, which is at its peak in April and May, although tempered by monsoon winds. The highlands are more temperate with four seasons. Nairobi has a very pleasant climate throughout the year due to its altitude. Near Lake Victoria, the temperatures are much higher and rainfall can be heavy.

## Plastic Bag Ban

Effective August 2017: All passengers arriving into Kenya including tourists can possibly face

very heavy fines for using plastic bags in any way, shape or form. Using, manufacture or importation of plastic bags, including garbage bags and shopping bags is illegal. Offenders, including tourists, could face very heavy fines. Visitors/Citizens and Residents alike are advised to avoid packing any plastic bags in their suitcases or in carry-on hand luggage before flying to Kenya. Items purchased at the airport before boarding the aircraft should be removed from plastic bags. Please check hand luggage before disembarking at entry points and any plastic bags should be left in the plane.

Similarly the transparent "zip-lock" plastic bags that some airlines require passengers to use for keeping liquids, cosmetics, toiletries etc separately in hand luggage are also not permitted to be brought and should be removed and left on the plane before disembarking.

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Africa.

UK, Irish, Australian, New Zealand, USA, Canadian and RSA citizens require a visa for Tanzania. A single entry visas can be obtained by most nationalities upon arrival at Dar es Salaam, Kilimanjaro and Zanzibar Airport or at Namanga border crossing point, between Tanzania and Kenya. The current visa cost is US\$50 for all nationalities, which can be paid in US\$, GB£ or Euro cash. The three East African countries of Kenya, Tanzania and Uganda have an agreement that you can travel freely between these countries and do not have to get another visa when returning to each. If you exit this region and enter any other country, including Rwanda and the Democratic Republic of Congo, you will need to get new visas to re enter Kenya, Tanzania and Uganda.

The border crossings we use in Tanzania include:

Namanga (Kenya/Tanzania border)  
Isebania (Kenya/Tanzania border)  
Songwe (Tanzania/Malawi)

## Vaccinations

You should seek medical advice before travelling to Tanzania from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A & B, Typhoid and Tetanus is strongly recommended. Meningitis and Rabies are also recommended.

There is the risk of malaria in Tanzania so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting.

A Yellow Fever International Certificate of Vaccination is required from travellers over one, arriving from countries infected with yellow fever or who were in transit through

infected areas (unless they remained onboard or at the airport); this is particularly relevant if traveling from neighbouring African countries. If visiting Zanzibar from mainland Tanzania, a yellow fever certificate must be produced to gain entry.

## Currency

The currency of Tanzania is the Tanzanian Shilling (code TZS, symbol TSh).

1 TSh = 100 cents. Notes are in denominations of TSh10,000, 5000, 2,000, 1,000 and 500. Coins are in denominations of TSh200, 100, 50, 20 and 10.

The Tanzanian Shilling is non exportable or importable. You can exchange US Dollars, Pound Sterling or Euro cash at bureau de changes or banks in larger towns/cities. Cash is changed with no commission. Exchange rates vary depending upon the denomination of the note that you want to change and generally smaller notes attract a lower exchange rate than high ones. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes. Alternatively most large towns/cities have an ATM where cash can be withdrawn using Visa or MasterCard. Credit cards are very rarely accepted for making purchases.

Banking hours: Mon-Fri 0830-1230; Sat 0830-1300. Bureaux de change have longer hours and in the cities open on Sundays.

Travellers cheques are more difficult to change and require proof of purchase and often have restrictions of about US\$100 a day maximum. Please note that there is a surcharge when paying by travellers cheques.

## Time & Voltage

Standard voltage is 220-240V. Primary sockets require a Type G British BS-1363 or Type D Indian BS-546 type, three pin plug. You will need a voltage converter, and plug adapter in order to use U.S. appliances. We recommend getting a universal adapter.

## Climate

Tanzania is sunny and tropical (accept in the mountain regions). Given the sheer size of the country, the climate varies dramatically in different regions. In coastal regions and on the islands of Zanzibar and Pemba it is hot and humid year-round with higher rainfall, whilst inland, the central plateau is dry and hot and the north-western highlands are cooler. The long rains occur between mid-March and the end of May and there are also short, lighter rains during November and December. The driest months are June to October.
