Cairo, Cruise & Red Sea

Day 2 : Breathtaking Pyramids & Saqqara

This morning visit the only remaining ancient wonder of the world, the impressive Pyramids at the Giza Plateau. Gaze in awe at Cheops (Khufu) - the largest of the three great pyramids. Constructed from over 2.5 million limestone blocks, it is thought to have taken more than 20 years to construct. The other two - Chephren and Mycerinus are equally breathtaking, and all three Pyramids are truly a sight that can only be fully appreciated in person. Your tour continues to Memphis to see the colossal statue of Ramses II. Afterward, tour the tomb-strewn necropolis of Saqqara, featuring King Zoser's step pyramid. Constructed by Imhotep, the pharaoh's chief architect in 2700 BC and the template for all future pyramid construction. **Overnight - Cairo (B)**

Day 3 : Egyptian Museums & Islamic Cairo

Visit the Grand Egyptian Museum this morning which houses a giant exhibition containing the treasures of King Tutankhamun. Many pieces on show are being displayed for the first time and artefacts have been brought together from across Egypt and the world to this one location. The museum also makes use of new technology including virtual reality. After your guided tour head over to the National Museum of Egyptian Civilization to see the mummies of mighty pharaohs on display in the Royal Mummies' Hall. At this museum you will not have a full tour, just a short visit to the Royal Mummies' Hall which is the highlight.

This afternoon visit the world famous Khan El Khalili Bazaar, with trinkets and delights to be found amongst the many shops and stalls located here. Then continue to The Citadel. This monumental Islamic-era fortification, in the heart of Cairo, was once the seat of government from the 13th to the 19th centuries. Here, you'll visit the beautiful Mosque of Muhammed Ali built in the 1830's, this impressive structure is made from alabaster stone and is a smaller version of the Blue Mosque found in Istanbul.

Please Note: the Grand Egyptian Museum is scheduled to open in late 2022, though an official opening date has yet to be released. If travelling prior to the opening of the new facility we'll visit the Egyptian Museum instead.

Overnight - Cairo (B)

Day 4 : Philae Temple & the High Dam

Cairo - Aswan. After breakfast, take a short flight south to Aswan and transfer to your hotel. This afternoon visit Philae Temple and Aswan High Dam. Philae Temple, dedicated to the goddess Isis, was rescued in an enormous UNESCO effort in the 1970s. Due to high water levels in the reservoir created by the Old Aswan Dam and further aquatic drama due to the creation of the mighty High Dam, Philae Temple was relocated stone by stone to higher ground on nearby Agilika Island. **Overnight - Aswan (B)**

Day 5 : Awe-inspiring Abu Simbel

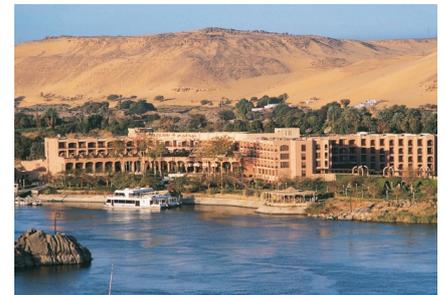

Aswan - Abu Simbel - Aswan. It's an early start today as you board a short flight down south to explore the temples of Abu Simbel, created to revere the mighty pharaonic ruler King Ramses II. Guarding the entrance to the temple (built between 1290 and 1224 BC) hewn into the side of a mountain are four famous colossal statues of the pharaoh himself. In a fit of architectural wisdom, Ramses II had the entire temple carefully angled and oriented

in order that the sun's rays would align twice a year on his date of ascension to the throne (in February) and on his birthday (in October) and illuminate the inner sanctum of the temple. The other rock cut temple at Abu Simbel is the Temple of Hathor, which is fronted by six massive standing statues. Four of them represent King Ramses II, the other two are of his beloved wife - Queen Nefertari. Famously, both temples were re-located in a multi-million dollar operation in 1972, further up from the shoreline of Lake Nasser.

Returning to Aswan, you have free time to perhaps do some shopping in the colourful souqs and markets or simply relax in this attractive town which straddles the River Nile. This afternoon board your **luxury Nile cruiser** for a three night cruise on the River Nile.

Overnight - Nile Cruising (B, L, D)

Days 6-7 : Nile Cruising & R&R

Spend the next two days relaxing aboard your luxury Nile cruiser, taking in the riverside village views from the top deck and exploring some of the exciting historical sites located along this stretch of the Nile. On day 6 moor up at the riverside and enjoy a visit to the waterside Temple of Kom Ombo. Consisting of two temples, one dedicated to the Crocodile-headed god Sobek and the other dedicated to the falcon god Horus. On Day 7, you will reach the west bank of Luxor and explore the best of Ancient Thebes - the tomb strewn Valley of the Kings, the Temple of Hatshepsut and the Colossi

unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Please visit www.onthegotours.com/Egypt/Travel-tips-and-useful-info for what to wear, local customs, currency, WiFi, Ramadan and other helpful information to prepare you for your holiday.

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Many shops (excluding those which cater mainly to tourists) and attractions close earlier, as such we will start our tour earlier to make the best use of time and itineraries may be slightly altered to ensure we visit all attractions, leisure time will be offered in the afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street. NOTE: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are: 22 Mar - 20 Apr 2023 & 10 Mar - 8 Apr 2024 (approx)

Shopping in Egypt

For those that enjoy shopping, Egypt is a virtual Aladdin's Cave. Top buys include - perfume concentrate, rugs, backgammon boards, shisha pipes, Egyptian cotton clothing and authentic papyrus. When bartering for goods, set your budget, don't be swayed and remember the caveat - 'let the buyer beware.'

In the tourism industry it's common practice for commission to be offered

in exchange for recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they have been carefully selected based upon positive feedback from On The Go travellers. You are under no obligation to partake in a listed shopping experience and you are most welcome to wait inside or outside the premises.

Although we only visit reputable retailers, please note that we cannot explicitly guarantee the quality of their products. All purchases made whilst on holiday with us are at your own discretion. Please make sure that you are completely happy with your purchase. On The Go cannot be held responsible for any items that you buy if they fail to meet expectation, or any shipping arrangements. Proceed with caution.
