Treasures of the Nile

Islamic Cairo, Garbage City and the incredible Cave Church of St. Simon. **Overnight - Cairo**

Day 2 : Egyptian Museum

Cairo. This morning enjoy a guided visit to the Egyptian Museum. A mind-boggling array of relics and antiquities from almost every period of ancient Egyptian history are housed in the museum, making it one of the foremost in the world. Arguably the most famous exhibit is the solid gold funerary mask of King Tutankhamun. Made of solid gold and weighing 11kg, the mask was found covering the head of the mummy, where it lay inside a series of 3 sarcophagi. Opt to see also the Royal Mummies, if you wish. **Overnight - Cairo (B)**

Day 3 : Pyramids of Giza

Cairo – Luxor. Today we travel beyond Cairo to Giza to visit the famous pyramids and lion-headed Sphinx. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stonecutters did the job of building the Pyramids. 100,000 slaves were used to carry out the backbreaking task of moving and laying the stones of the largest pyramid-

Cheops. About 2.5 million limestone blocks, quarried locally and weighing in excess of 6 million tonnes, were used in the construction of Cheops. Leaving the Pyramids of Giza, we'll sometimes drop into a Government supervised papyrus emporium. Here, you can buy genuine papyrus at quite reasonable prices.

Continuing to the necropolis of Saqqara, we can explore the myriad tombs and temples at this site and see Zoser's step pyramid - constructed by Imhotep, the pharaoh's chief architect in 2700 BC! Later we transfer to the airport for our flight to Luxor. Upon arrival, transfer to our hotel.

Please note: On most departures your tour guide will not accompany you on the flight instead he will take the overnight sleeper train with other travellers later this evening. You will rendezvous with your guide in Luxor tomorrow morning. **Overnight - Luxor (B)**

Day 4 : Valley of the Kings

This morning we visit the incredible Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which represent the remains of the temple of the hedonistic Amenophis III. The Valley of the Kings is studded with often highly decorated tombs, constructed to once house the regal sarcophagi enclosed mummies of the mighty pharaohs awaiting their passage into the after-life. Some of the best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamen. Further highlights include the Temple of Queen Hatshepsut.

A short stop will be made at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic

times. Carving the stone is a trade passed on generation after generation, for most residents of the west bank and is their sole trade and income.

Returning to Luxor, we check-in aboard our Nile 5 star cruiser, where we enjoy lunch and then have time to relax until our early evening visit to the Temple of Luxor. The Luxor Temple, is a strikingly graceful piece of architecture built by the New Kingdom pharaoh Amenophis III, which was originally joined to Karnak by an avenue of sphinxes. Luxor temple looks stunning at dusk and is beautifully illuminated at night.

Note: Dependent upon Nile Cruiser scheduling it may be required that we also undertake our excursion to Karnak Temple this afternoon. Should this occur, day 5 will be spent at leisure.

Note: The Valley of the Kings ticket includes entry to 3 tombs. A subset of the 64 tombs at the site are open at any point in time and your guide will offer advice on the best ones to visit on the day. The tomb of King Tutankhamen is nearly always open and requires an additional entrance fee to visit.

Your cruiser will sail for a total period of 8 - 12 hours covering a distance of 212km (split between 2 of the 4 days you are on board). The remainder of the time the boat is in dock in either Luxor, Aswan or at sightseeing stops en route. Views will be obstructed whilst the cruiser is in dock as ships dock side by side. You may also need to cross the reception of other boats the reach your vessel. Free time is offered during this time to independently explore whilst docked when sight-seeing is not included. **Overnight - Nile Cruising (B, L, D)**

Treasures of the Nile

Day 5 : Luxor & Nile Cruising

Luxor - Nile cruising. This morning we tour the ancient city of Thebes (the East Bank), taking in the magnificent Temple of Karnak. More than a temple, Karnak is a gigantic and stunning complex of sanctuaries and pylons dedicated to the Theban gods. Anchors away this afternoon as we set sail downstream.

Visiting the Temple of Edfu is included in your itinerary however you may want to read our notes below before you decide.

The only mode of transport available to visit the Edfu temple is by locally managed horse and carriages. As a responsible travel focused business, animal welfare is extremely important to us and we want to ensure that we are not promoting any activities where the working animals are not properly cared for. Unfortunately, some operators of the Horse and Carriages have been found to be in breach of our animal welfare guidelines and it is, for this reason, we will no longer including the visit the Edfu Temple.

In addition to the animal welfare concerns, we have had a substantial amount of feedback suggesting that the experience itself is quite uncomfortable due to the pushy nature of the vendors and local suppliers outside the site. While we recommend that you do not use the horse and carriage to visit the Temple, the decision is ultimately up to you. Edfu is an included port stop on the Nile River cruise schedule. **Overnight - Nile Cruising** (B, L, D)

Day 6 : Cruising & Kom Ombo

Nile cruising. Relax as we sail the Nile. Later today, we visit the Temple of Kom Ombo. A unique riverside temple, it is unusual in that everything architecturally is doubled and perfectly symmetrical along the main axis of the temple including twin halls, courts, colonnades, sanctuaries and entrances. Arrive Aswan, a prosperous town at the crossroads of the ancient caravan routes late evening. **Overnight - Nile Cruising** (B, L, D)

Day 7 : The Philae Temple

Aswan. Today, we enjoy a short boat trip to Agilika Island for Philae Temple - dedicated to the goddess Isis. The temple dates from 4th century BC but the Ptolemies and the Romans up to 3rd century AD built most of the existing structures.

In danger of being completely submerged by the rising water of Lake Nasser, in 1972 UNESCO stepped in and an 8-year rescue effort was undertaken to relocate the entire temple 20m higher on nearby Agilika Island. After lunch, we visit the mighty High Dam. Constructed with 18 times the material used to create the Great pyramid of Cheops, the controversial High Dam is 3600m across, 111m high and 980m wide. Colossal in proportion, it took 35,000 people to build this gigantic structure. When it was completed, the water that collected behind the dam, became Lake

Nasser, the world's largest artificial lake! Later, we enjoy a felucca sailing trip to Elephantine and Kitchener Island.

Upon returning to Aswan we visit a perfume oil emporium. The use of essential and perfumed oils in Egypt dates back to 2700BC. Perfumed oils were used by women, pharaohs and by temple priests for worship who offered a melange of 6 perfumes called Kyphi to the Sun God at dawn, noon and dusk. At the perfumery, there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. For those that are not interested there is a supermarket nearby where you can use the opportunity to purchase snacks and incidentals.

The evening free to enjoy shopping in the colourful souks and markets or simply relax in this attractive town which straddles the River Nile. **Overnight - Nile Cruising** (B, L, D)

Day 8 : Optional excursion to Abu Simbel

Optional early morning excursion by road to famous Abu Simbel - the gargantuan rock-cut temple of King Ramses II, the Great Builder (details of this optional excursion are featured in our brochure and online).

Possibly the most awe-inspiring temple of all ancient Egypt, with its gargantuan rock-cut façade, Abu Simbel was created to revere the mighty pharaonic ruler King Ramses II. Guarding the entrance to the temple, the four famous colossal statues of Ramses II sit majestically, staring out across the desert, seemingly since time began.

If you choose not to embark upon this optional excursion, you can spend the day at leisure. Consider a visit to the Old Cataract Hotel,

KNOW BEFORE YOU GO

Entrance Fees & Local Payment

Entry fees to sites of antiquity are not included, although reasonably priced. In Egypt, we collect entrance fees on Day 2 of the tour (the amount is noted under exclusions). A breakdown of the entrance fee total is provided upon arrival. Entrance fees and optional excursions that you may wish to undertake are payable in local currency - Egyptian Pounds (EGP).

If travelling on a Budget tour, a Local Payment of cash GBP150pp (or USD equivalent as per the Egyptian bank rate of the day), if applicable to your tour and noted under the exclusions is also payable on day 2.

On tours that also travel to Jordan, entrance fees there are payable in Jordanian Dinar (JD). In Israel (on our Pyramids Petra Promised Land tour) entrance fees are included.

Tip Kitty

At the start of your tour we will collect a tip kitty (the amount is noted under exclusions) from all tour participants to cover tips throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, train conductors and other support staff throughout the tour.

This amount does not include a tip for your tour guide. For a job well done, we would suggest USD\$5 - 7 per day for your tour guide. Tipping your guide and crew is an entirely

personal gesture and ultimately the amount is up to you.

Your tip kitty in Egypt is collected in Egyptian Pounds (EGP). If you are travelling to Jordan, the tip kitty for this part of your holiday is collected in Jordanian Dinar (JD).

In Israel we do not collect a tipping kitty. As a guideline we recommend that you budget USD\$5-7 per day per traveller for your guide and USD\$2-3 per day per traveller for your driver.

Travelling By Overnight Train

For journeys between Cairo and Aswan and/or Luxor on our Signature tours, and from Luxor to Cairo on our Budget tours, we utilise the overnight 1st class sleeper train service (excluding Treasures of the Nile). On the train the two berth cabins are lockable, equipped with bunk beds, linen, washbasin and towel, allowing passengers to relax and stretch out. A simple dinner and breakfast is included on the service. Dinner, served within an hour of your boarding is of a very average standard and we recommend that you eat dinner prior to boarding the train. A basis breakfast is served in the morning and tea and coffee is offered complimentary. There is a bar carriage located toward the centre of the train where hot and cold beverages can be purchased, and sometimes alcohol. The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard.

We always request our cabins to be side by side in the same carriage, though ultimately the location of our cabins, and whether they are together rests with the rail authority.

If you are a solo traveller and have opted to share a room for your tour and not pay the single supplement you will be sharing a cabin with another On The Go traveller, or if this isn't possible, a member of the public (of the same sex).

Arrival Transfers

A complimentary airport arrival transfer is included in your tour. Upon arrival at Cairo Airport you will be met by a representative from On The Go Tours PRIOR to immigration.

The currency of Egypt is the Egyptian Pound.

Pound Sterling, US Dollars, Euro and other major currencies can be exchanged in Egypt. Exchange facilities are available at most hotels and all major towns have ATMs. It's advisable to request notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller's Cheques are not recommended as they're often difficult to exchange.

Health Requirements

You should seek medical advice before travelling to Egypt from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Tetanus, Diphtheria, Typhoid, Hepatitis A and Rabies are strongly recommended. As tap water is not safe to drink in Egypt, only drink bottled mineral water which is readily available in hotels, shops and restaurants.

Climate

Temperatures in Egypt are generally high (25 - 30 degrees) and even hotter in the summer months from May to September, when the sun can be fierce and temperatures soar, so pack light comfortable clothing, sunscreen and a hat.

In Cairo and the Nile Delta region, winter (October to February) can be cooler - so take a jacket, long-sleeved tops and trousers for the cooler evenings. The south remains warm during this time but again, temperatures do drop in the evenings. Rainfall is negligible with the most falling along Egypt's Mediterranean coastline.

Time & Voltage

Egypt is 2 hours ahead of Greenwich Mean Time (GMT). Standard voltage is 220 volts. Primary sockets require the European, 2 pronged variety. We recommend that you pack a universal travel adaptor. You will need a voltage converter, and plug adaptor in order to use U.S. appliances.

Camera Fees

At some sites there is an additional fee for use of a camera or video. Camera/video (not professional) fees range between USD\$3 -

Troubleshooting

These things will most likely never happen, but it's good to be prepared if they ever do. Here are a few tips to keep your trip hassle-free. Egypt is no worse than anywhere else when it comes to crime. Minimise your chances of being robbed with these tips:

- Leave valuables in the hotel safe deposit or better still, at home
- Keep bags locked at all times with a combination/padlock. Bags should also be locked when being transferred in vehicles, onboard the train, felucca or when taking a flight.
- Carry your passport on your person

- Carry spare passport photos & a photocopy of your passport
 - Carry your bag close to your person rather than over your shoulder
 - Travel in a group or pair, especially if you are female
- Please note On The Go Tours will not be held liable for loss or damage to personal property under any circumstances.

Etiquette

Despite the inevitable ups and downs of travelling abroad, you will generally be shown great hospitality in Egypt. In return, please demonstrate sensitivity and respect for the local customs. Egypt is a Muslim country; so care should be taken to dress respectfully in large cities and towns, for example, when at markets and in public places.

- Ladies should avoid wearing 'clingy, tight or suggestive' attire, and stick to cool, flowing, cottons in busy city areas and markets
- Take care to dress conservatively and ensure that limbs are covered and remove footwear prior to entering a mosque
- Ex-military style clothing should not be worn
- Ask permission before taking photographs of people
- The standard form of greeting is a handshake. Men and women do not kiss at any time as a form of greeting.

Ramadan

The majority of the Egyptian population is Muslim (approx 86%), with a small minority of Jews and Christians. Ramadan is a month of fasting observed by Muslims in Egypt and throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As such we will start our tour earlier during this period to make the best use of time and itineraries will be slightly altered to ensure we visit all attractions, leisure time will be offered in the late afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street.

Note: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are as follows, (approximate) -

23 April – 23 May 2020

12 April – 11 May 2021

It's not like home

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Shopping

Egypt is a virtual Aladdin's Cave. While Cairo's Khan al-Khalili bazaar is cavernous and full of unusual and everyday objects, smaller souqs and bazaars abound in other towns, too. Top buys include - perfume concentrate, carpets and rugs in innumerable hand-loomed designs, backgammon boards, hand-crafted shisha pipes, Pharaonic objects fashioned in marble and alabaster, Egyptian cotton clothing and of course - authentic papyrus.

IMPORTANT: Set your budget and don't be swayed, remember the caveat – 'Let the buyer beware'. Any purchases made whilst on holiday with us, irrespective of whether the store is recommended by us or other, are at your own discretion. Please make sure that you are completely happy with the product you are purchasing and the delivery arrangements (we would recommend you take away with you any purchases rather than rely on shipping services). On The Go cannot be held responsible or accountable for items bought in country or shipping arrangements. Proceed with caution.
