Day 3 : Gariep River

Cederberg - Gariep River. From the Cederberg we travel further north through the region known as Namaqualand, well known for its prolific display of Namaqua wildflowers that occur each spring. After stopping for supplies in the small mining town of Springbok, we continue on through the desert area of the Richtersveld to the Gariep River, the natural land border between South Africa and Namibia, where we camp at a beautiful campsite on the South African bank of the river. **Overnight - Gariep River (B, L, D)**

Day 4 : Fish River Canyon

Gariep River - Fish River Canyon (Namibia). This morning we take a half-day canoe trip on the beautiful Gariep River, affording us the

opportunity of some bird watching or just a scenic and relaxing paddle. After lunch we cross into Namibia where, after a short drive, we reach the Fish River Canyon. At 161 km long, 27 km wide and about 550 m deep, it's the second largest canyon in the world. The outer canyon was formed by tectonic activity, while the erosion of the Fish River formed the inner canyon. A road follows the eastern rim, giving us access to several viewing points from where we can take in the spectacular vistas.

Included Activity: Canoeing on the Gariep River and a visit to the Fish River Canyon

Please note: If you booked before 1st October 2019 date then the cost of the canoeing activity is included. For bookings after 1st October 2019 date the cost of this excursion needs to be paid locally. **Overnight - Fish River Canyon (B, L, D)**

Day 5 : Sesriem

Fish River Canyon - Sesriem. An early start today, heading north we enter the area of the Namib-Naukluft desert, one of the oldest in the world. We base ourselves at Sesriem, a good place to experience the Namib and its many moods. A short distance away is Sossusvlei, surrounded by a dramatic sea of sand dunes reputed to be the highest in the world. Days 7-8 : Swakopmund

Sesriem - Swakopmund. After breakfast on day 7 we head off in a north-westerly direction to meet the Atlantic Ocean at Walvis Bay. Our drive takes us across the Tropic of Capricorn – the 'imaginary line' that shows the southernmost point of direct sun, and signals the southern hemisphere's mid-summer day. From Walvis Bay, we follow the coast for some 35 km to arrive at Namibia's prime holiday resort - Swakopmund where we enjoy 2 nights of rest, relaxation and a little bit of adrenalin for those that are keen!

Accommodation will be in dormitories for the next 2 nights, upgrades into private rooms are possible, but depend on availability and can be booked with your trip leader.

Founded by the Germans in 1892, their colonial influence is still evident today. Swakopmund has a selection of excellent coffee shops, restaurants & bars as well as many arts and crafts shops selling Namibian curios. There are fine beaches to walk along as well as a great museum, aquarium and galleries to visit. Alternatively, the lovely beach and promenade make for a great relaxing walk – though bathing in the ocean waters may be somewhat chilly! Situated around the Etosha Pan with a large variety of animal and bird life, the extensive network of gravel roads affords us the opportunity of accessing even the most remote areas of the park. After lunch, and once it has cooled off a bit, we spend the remainder of the day exploring the park's southern area. Keep an eye out for the striking Oryx and Springbok as these are endemic to desert National Parks! Tonight's camp is situated just outside the parks boundaries, only 10kms from Anderson Gate. Perhaps a quick dip in the pool or a sun downer on the deck before dinner, followed by a relaxing evening in this interesting bar.

Optional Activity: Etosha Game Drive (day 11) **Overnight - Etosha National Park area** (B:2, L:2, D:2)

Day 12 : Etosha National Park

Today we make our way 150 km across the park, keeping a look out for the many

different mammals, reptiles, birds and insects in the various regions. As the vegetation types change, so does the animal and bird life that relies on it, and so different sections of the Park offer a variety of different game options. After a full day of game viewing, we spend the evening relaxing at our camp in the north of the park, at Namutoni. After dinner why not head to the waterhole where you can sit and observe the animals may come to drink in the evenings.

Continuing on day 15 we head to Maun - our base for the Okavango Delta. Tonight we prepare our provisions and packs for our 1 night excursion. Day 16 : Okavango Delta

Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.

Here we take a 2 Day / 1 Night Drive In Mokoro Excursion into the Delta. After an early rise, we pack our expedition vehicle and from Maun we drive north for a couple of hours to reach the mokoro poler's station. The Delta region is studded with many local villages where many families live in a traditional way. Some of the villages are very remote and can only be reached by the traditional mode of transport – the Mokoro. Mokoros are dugout canoes manoeuvred through the waterways by local guides who "pole" them through the reeds. At the Mokoro station, we meet our 'Polers' and pack our supplies before heading out into the waterways. After a couple of hours along the waterways, we arrive at our mobile tented camp situated in the heart of the Okavango.

On arrival you will meet the local staff who will be your host during your stay. A brief introduction to the camp will show you your dome tent with twin beds and a bush ensuite bathroom – long drop toilet and a bucket shower. Relax in the tent with a cold drink or take a paddle in the Delta in a canoe. The activities at the camp include Mokoro trails and guided walking.

Included Activity: Okavango Delta Excursion **Overnight - Okavango Delta** (B, L, D)

Day 17 : Maun

The next morning we have a chance to sleep in or explore the town of Kasane.

Once we are packed and prepared on day 20, we leave for our Chobe National Park overnight mobile excursion – an overnight experience in the wilds of the Chobe National park. Included Activity: Chobe Overnight Mobile Excursion **Overnight - Kasane (1), Chobe (1)** (B:2, L:2, D:2)

Days 21-23 : Victoria Falls

Chobe - Victoria Falls (Zimbabwe). After our night in the bush, we head out early to continue our search for wildlife, before packing up the camp and heading back to Kasane, and Victoria Falls. Once returning to camp, we get back on our truck and continue to the border of Zimbabwe. Once we've completed border formalities, we have a short drive to the nearby Victoria Falls. Named after the famous World Heritage site and Water Falls, the town of Victoria Falls is situated on the Zambezi River and surrounded by the Victoria Falls National Park. Our campsite is

conveniently situated in the centre of town, and within walking distance of the adventure booking agents, restaurants and shops. A 20 minute walk down the main road takes you to the entry point to view the falls, which are situated between Zimbabwe and Zambia. Victoria Falls, or Mosi-oa-Tunya (the Smoke that Thunders), was named by David Livingstone on his explorations, and is one of the Seven Natural Wonders of the World. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! After our adventure activities briefing (see price guide at the end of this document for options), the afternoon is spent relaxing at the campsite's swimming pool, viewing the Victoria Falls, or exploring the many sights and delights of this town.

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions. Some of our fellow passengers will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trip.

Optional excursions include horseback safaris, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

Included Activity: Entrance to Victoria Falls **Overnight - Victoria Falls (B:3)**

Days 24-25 : Chobe NP & Livingstone

We stop off in the capital, Lilongwe, a small city distinctively divided into the old town and the new administrative centre. Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We camp first at the central Lake, and then in the northern area over the next 3 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine beaches. Malawi's temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you'll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night you'll see the 'fairy' lights of the fishermen out on the lake. The various beachside campsites along Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school (see pricing guide at the end of this document).

Day 32 : Iringa

Lake Malawi - Iringa (Tanzania). After a few relaxing days, we leave Malawi, entering Tanzania through the border post at Songwe. Day 33 : Dar es Salaam

Iringa - Dar es Salaam. This morning we head off early and make our way to Dar es Salaam. We pass through the Mikumi National Park where it is possible to view a range of wildlife from the roadside, totally impervious to the passing traffic. Today's drive time is extended due to the heavier amount of traffic heading in to the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam, we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning. **Overnight - Dar es Salaam** (B, L, D)

Days 34-36 : Zanzibar

Dar es Salaam - Zanzibar. A ferry from Dar es Salaam takes us to the "Spice Island," where we spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood

lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

Whilst in Zanzibar you'll stay at the Safari Lodge or similar in Stone Town and the 2nd and 3rd night at either Sunset Bungalows or Amaan Bungalows on Nungwe Beach.

Included Activity: Zanzibar excursion.

Included Activity: Spice Tour & Dhow cruise excursion.

you travel. It can be found under the Africa travel guide section on our website and is a comprehensive resource for understanding what to expect on an overland tour in Africa

- Overlanding is not considered a luxury holiday but is undoubtedly a lot of fun if camping under the stars and being part of an entirely self-sufficient travelling group is to your liking
- Africa is a vast continent and distances between the highlights we visit can be very far apart, but some early morning starts and late arrivals into camp will ensure that your time is maximised to see as many sights as possible
- We believe that a flexible approach to travel and good sense of humour are essential when undertaking overland safaris, although we trust that any hiccups in the itinerary will be resolved as soon as possible by our trusted partners

Tour Leaders and Groups

Our longest Overland Camping Safari we offer is our Great African Expedition - 57 Days, generally all other safaris we offer are sectors of this larger safari or similarly a fragment of one of the another safari's we offer. As such, on your holiday you may have travellers join you part way through your safari and also there may be travellers who end their safari when you continue on. There may also be times when there is a change of crew and truck (changed to suit group size or local road conditions).

Please Note

This tour is operated in conjunction with our trusted partner and you will join travellers from different operators, not solely On The Go.

This itinerary should be used as a guide only and may vary from day to day depending on road & weather conditions, political situations and group decisions.

All prices & Local Payments are subject to change.

Due to Tourism Laws in some of the countries we visit, there may be a truck and crew change during the trip.

Who's on Tour?

People from all over decide that the back to basics and close-up approach to viewing Africa is for them – from Canada to New Zealand to Singapore and the UK. Generally people are 30-50yrs, easy going and happy to participate. They have a love of camping and as some days are long, don't mind a drive. Whilst the truck is purpose built and ideal for this style of safari, for those who require more comfort we suggest you opt for one of our lodge safaris.

Things To Bring

- A rucksack/back pack is the best luggage to bring as your main bag
- A sleeping bag
- For extra comfort, bring a travel pillow
- A towel
- Spare camera batteries/film and dustbag
- Mosquito spray (with active DEET ingredient)
- Your own personal first aid kit
- A torch
- A small daypack for your day-to-day needs.
- Antibacterial wipes
- A photocopy of your passport data pages
- Your Yellow Fever Vaccination Certificate
- Your travel insurance policy details
- Hat, sunglasses & sunscreen
- Warm clothing - raincoat, warm hat, socks, gloves etc as across Africa wet/dry and hot/cool climatic periods change invariably.

Budgeting

Africa is not as cheap as many people believe and we recommend that you budget between US \$50-70 per day for expenses such as drinks, snacks and curios. Budget more if you plan on buying a lot of souvenirs and budget for your optional excursions and visas separately.

Transport on Tour

Our overland vehicles are custom built converted Mercedes Benz or MAN trucks that have seating space for our passengers and a storage areas for luggage and all trip equipment. The trucks seat between 27-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward,

backward and some inward facing seats with tables. There is no air-conditioning onboard, instead vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Meals on Tour

Meals and menus vary as food is purchased en-route, and is subject to produce that is available

seasonally in the areas we travel through. As we support the local communities along the way, fresh produce is mostly purchased direct from the producer or local grower and therefore has an organic appearance. Our safari cooks are able to offer a wide variety of menus with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home. The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas, BBQs and even roasts!

Participation on Tour

All of our overland safaris are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

overland safaris we recommend that you have at least 12 blank pages in your passport.

Please also note that your passport must be valid for a minimum of six months from the end date of your trip.

Any visa information provided in this document is for general guidance purposes only, visa requirements and fees are subject to change. It is essential that you check current entry requirements with each relevant embassy/consulate prior to departure. Visa procurement is the responsibility of the traveller and not of On The Go.

Booking Your Flights

When booking your departure flight you should allow time at the end of your African safari for any unexpected delays. We recommend that you book your onward flight no earlier than 24 hours after the end of your safari. In the case of our longer overland camping safaris (22 days or more) we advise against making any firm arrangements for at least 48 hours after the scheduled departure date. We can help to arrange post tour accommodation upon request.

Allergies/Likes/Dislikes

Whilst all will be done to accommodate everyone, sometimes the choice available is limited as your cook may be making the best of very limited availability, so some flexibility may be required when encountering something you're not particularly fond of or have chosen not to eat as a lifestyle choice. Should you possess allergies which will result in a medical emergency or a life threatening situation then please ensure you speak to your cook on arrival so you can discuss the options available whilst en-route. This will ensure also that they are fully aware of what you can or cannot eat and make adjustments.

Visa

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the

embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Africa.

UK, Ireland, Australian, New Zealand, USA, Canadian and South African citizens do not require a visa for entrance into Botswana.

The few countries that do require visas; mostly Eastern European and Asian Nationals, need to obtain them prior to arrival at the border. Visas are not issued at Botswana ports of entry, if you arrive without a visa, immigration officials will refuse you entry to Botswana.

The border crossings we use in Botswana include:

Muhembo (Botswana/Namibia border)
Kazangula (Botswana/Zimbabwe or Zambia border)
Groblerberg/Martin's Drift (South Africa/Botswana)

Botswana Tourism Levy from 1st June 2017 - postponed until further notice

From the 1st June 2017 a tourism levy of \$30USD is payable when entering Botswana. Payment is taken at the border in US dollars cash, debit or credit card. The Levy is valid for a 30 day period and can be used for multiple entry.

Please note this Levy has been postponed until further notice.

Vaccinations

You should seek medical advice before travelling to Botswana from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A and Tetanus is strongly recommended. Rabies may also be recommended.

There is the risk of malaria in certain areas of Botswana so it is very important to check with your doctor before you go, to see whether malarial medication is required for the areas you are visiting. A valid Yellow Fever vaccination certificate is also required if travelling into Botswana and you have previously been in an infected country.

Currency & Banking

The currency of Botswana is the Botswana Pulas (BWP) 1 Pula = 100 Thebe. Notes are in denominations of BWP10, 20, 50 and 100.

Coins are in denominations of BWP1, 50, 25, 10, 5, 1.

There are no restrictions on the import of local or foreign currencies, provided they are declared on arrival. Export of local currency is limited to BWP50 and foreign currencies up to the amount declared on arrival. It is easy to change most forms of currency including US\$, GB£, Euros and South African Rand. The best place to change money in Botswana is the bureau de changes as banks charge commission to change either cash or travellers cheques. ATMs are available in all main towns, cities, shopping centres and most petrol stations. MasterCard, Visa, American Express and Diners Club are all widely accepted.

Travellers cheques should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Proof of identity may be requested in some instances, so it's useful to carry a passport or some form of photo identification. In large cities travellers cheques can incur a high surcharge.

Banking hours: Mon-Fri 0900-1530, Sat 0830-1100.

Time & Voltage

Time Zone - Botswana is 2 hours ahead of GMT. Daylight saving time is not observed.

The standard voltage is 220 - 240V. Primary sockets require a 'Type M' - South African, electrical plug which has three thick circular pins. You will need a voltage converter, and plug adapter in order to use U.S. appliances.

Climate

Botswana's climate is mainly temperate. During the summer months (October-April) the weather can be very hot with daytime temperatures of around 30 Celsius and higher. The rainy season (typically lasting from January to March) can be hot with temperatures still in the mid 30's and only dropping to around the mid 20's overnight. Winter (May-September) brings a cool change yet is still reasonably warm and mostly

Travelling with children in Botswana

The Ministry of Nationality, Immigration and Gender Affairs informs the general public that it has imposed requirements for minors (children under 18) travelling through the country's ports of entry.

Effective from the 1st October 2016 minors travelling through the country's borders will be required to produce certified copies of unabridged birth certificates in addition to their valid passports. In the event that one parent is not travelling with the child, the other parent's affidavit consenting to such travel should be availed. However, an affidavit will not be required if the father's name does not appear on the child's birth certificate."

To summarise the above, should families be travelling with children below the age of 18 they will require the following:

- Valid Passports
- Certified unabridged birth certificates for all minors below the age of 18
- An Affidavit signed by the non-travelling parent should the minor be travelling with one parent

Unfortunately these regulations are very strict therefore we urge all parents travelling to Africa with their children to contact all relevant embassies well prior to departure to ensure they have the correct documentation as if you do not, there is a high chance you will be denied entry.

that your passport is valid for at least 6 months from your planned date of departure from Africa.

As of the 1st October 2015 passport holders of (but not limited to) UK, USA, Canada, Australia and New Zealand will be charged a visa fee at the border into Malawi. The cost is \$50 for a 7 day transit visa and \$75 for a 90 day single entry visa.

Please check with your local Malawi Embassy or High Commission prior to departure.

The border crossings we use in Malawi include:

Machinji (Malawi/Zambia border)
Songwe (Malawi/Tanzania border)

Vaccinations

Seek advice from your doctor or travel clinic at least six weeks prior to departure about what vaccinations you require. Typically the list includes typhoid, tetanus, polio, hepatitis A and B and meningitis.

A malaria risk exists throughout the country, we strongly recommend that you take anti-malaria medication.

A Yellow Fever Vaccination Certificate is required from travellers over one year of age coming from infected areas.

Currency

The currency of Malawi is the Malawian Kwacha (MKW, symbol MK).

1 MKW = 100 tambala.

Notes are in denominations of Mk500, 200, 100, 50, 20, 10 and 5.

Coins are in denominations of Mk1 and 20, 10, 5, 2 and 1 tambala.

On arrival in Lilongwe you will be able to convert money into MKW. The bureau de changes are the easiest place to change money, and US\$ and GB£ are accepted in both cash and travellers cheque format. Travellers cheques attract a commission charge and a lower exchange rate than cash, which is changed with no commission.

If coming south from Tanzania, MKW can be purchased on the border using US\$ cash.

ATMs are effectively non-existent for foreign cards in Malawi.

Time & Voltage

Time Zone - Malawi is 2 hours ahead of GMT. Daylight saving time is not observed

Standard voltage is 220-240V. Electrical sockets in Malawi are the "Type G " British BS-1363 type. You will need a voltage converter, and plug adapter in order to use U.S. appliances

Climate

There are three seasons in Malawi. The rainy season extends from November to April, the cool season from May to July and the dry season from August to October. Temperatures and rainfall are greatly influenced by Lake Malawi and altitude, which varies from 37 metres (in the Lower Shire Valley) to 3050 metres (Mount Mulanje). Along the lakeshore, the mean annual temperature is 24°C, and humidity can be high during the rainy season.

Under 18s Travelling to Namibia

Parents travelling to Namibia with children (under 18) will be asked to show the child's unabridged (full) birth certificate which lists the child's details and both parents' details. The abridged (short) birth certificate which only lists the child's details won't be accepted. Uncertified copies of birth certificates will not be accepted.

Where only one parent is accompanying a child, parental or legal consent for the child to travel (eg an affidavit from the other parent or – if applicable – a death certificate) is required and there are other requirements for children travelling unaccompanied or with adults who are not their parents.

If you are travelling with children (under 18) it is essential that you contact your Namibian Embassy for further information relating to these regulations. The Rand and Namibian dollar are tied to each other on an equal level and as such the Rand and Namibian dollar can be used interchangeably in Namibia. However Namibian dollars are not accepted in South Africa.

All unused Namibian Dollars need to be exchanged to South African Rand before leaving Namibia. The Rand can then be used in Botswana or South Africa. Namibian Dollars can be changed to Rand at banks and bureau de changes and swapped over in some shops.

Temperatures are cooler along the coast and on the central plateau. Rainfall is typically low in Namibia and normally only occurs during the summer months from December to March, mostly in the form of heavy thunderstorms. tourists can possibly face very heavy fines for using plastic bags in any way, shape or form. Using, manufacture or importation of plastic bags, including garbage bags and shopping bags is illegal. Offenders, including tourists, could face very heavy fines.

Visitors/Citizens and Residents alike are advised to avoid packing any plastic bags in their suitcases or in carry-on hand luggage before flying to Tanzania. Items purchased at the airport before boarding the aircraft should be removed from plastic bags. Please check hand luggage before disembarking at entry points and any plastic bags should be left in the plane.

Similarly the transparent "zip-lock" plastic bags that some airlines require passengers to use for keeping liquids, cosmetics, toiletries etc separately in hand luggage are also not permitted to be brought and should be removed and left on the plane before disembarking.

Visas

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Vaccinations

You should seek medical advice before travelling to Tanzania from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Polio, Diphtheria, Hepatitis A & B, Typhoid and Tetanus is strongly recommended. Meningitis and Rabies are also recommended.

A Yellow Fever International Certificate of Vaccination is required from travellers over one, arriving from countries infected with yellow fever or who were in transit through infected areas (unless they remained onboard or at the airport); this is particularly relevant if traveling from neighbouring African countries. If visiting Zanzibar from mainland Tanzania, a yellow fever certificate must be produced to gain entry.

Currency

The currency of Tanzania is the Tanzanian Shilling (code TZS, symbol TSh).

1 TSh = 100 cents. Notes are in denominations of TSh10,000, 5000, 2,000, 1,000 and 500. Coins are in denominations of TSh200, 100, 50, 20 and 10.

The Tanzanian Shilling is non exportable or importable. You can exchange US Dollars, Pound Sterling or Euro cash at bureau de changes or banks in larger towns/cities. Cash is changed with no commission. Exchange rates vary depending upon the denomination of the note that you want to change and generally smaller notes attract a lower exchange rate than high ones. Be aware that old pre-2010 US\$ banknotes or torn or marked banknotes are difficult to exchange in Africa so make sure you take crisp new notes. Alternatively most large towns/cities have an ATM where cash can be withdrawn using Visa

or MasterCard. Credit cards are very rarely accepted for making purchases.

Banking hours: Mon-Fri 0830-1230; Sat 0830-1300. Bureaux de change have longer hours and in the cities open on Sundays.

Travellers cheques are more difficult to change and require proof of purchase and often have restrictions of about US\$100 a day maximum. Please note that there is a surcharge when paying by travellers cheques.

Time & Voltage

Tanzania Time Zone - 3 hours ahead of GMT. Daylight saving time is not observed.

Standard voltage is 220-240V. Primary sockets require a Type G British BS-1363 or Type D Indian BS-546 type, three pin plug. You will need a voltage converter, and plug adapter in order to use U.S. appliances. We recommend getting a universal adapter.

Climate

Tanzania is sunny and tropical (accept in the mountain regions). Given the sheer size of the country, the climate varies dramatically in different regions. In coastal regions and on the islands of Zanzibar and Pemba it is hot and humid year-round with higher rainfall, whilst inland, the central plateau is dry and hot and the north-western highlands are cooler. The long rains occur between mid-March and the end of May and there are also short, lighter rains during November and December. The driest months are June to October.

You should seek medical advice before travelling to South Africa from your local health practitioner and ensure that all you receive all of the appropriate vaccinations. As a guide tetanus, diphtheria, polio, hepatitis A (for stays over 4 weeks) and hepatitis B (for stays over 3 months) are recommended.

A yellow fever vaccination certificate is required from travellers over one, coming from infected areas.

A low malaria risk occurs in northern parts of Mpumalanga (as well as Kruger National park, northern and northeastern parts of KwaZulu-Natal). If travelling to these regions and/or the countries north of South Africa, where there is a high malaria risk, we strongly recommend that you take anti-malaria medication. Precautionary measures to take to prevent contact with mosquitoes include: insect repellent, cover up at sundown, sleep under a mosquito net and wear long sleeve clothing and long trousers in the evenings.

Currency

The currency in South Africa is Rand (ZAR; symbol R)

1 Rand = 100 cents. Notes are in denominations of R200, 100, 50, 20 and 10. Coins are in denominations of R5, 2 and 1, and 50, 20, 10 and 5 cents.

Vaccinations

Seek advice from your doctor or travel clinic at least six weeks prior to departure about what vaccinations you require. Typically the

list includes typhoid, tetanus, diphtheria, polio, hepatitis A and B (for stays over 4 weeks).

In Zimbabwe a malarial risk exists from November to June in all areas below 1200m and throughout the year in the Zambezi Valley. We strongly recommend that you take your anti-malaria medication. Other precautionary measures to prevent contact with mosquitoes include: insect repellent, cover up at sundown, sleep under a mosquito net and wear long sleeve clothing and long trousers in the evenings.

Yellow fever: A yellow fever vaccination certificate is required from travellers over one year of age coming from infected areas.

Currency

The Zimbabwean Dollar was abandoned in April 2009. The country has adopted a multi-currency scheme; the US Dollar and South African Rand can be used for domestic transactions.

Zimbabwe is essentially a cash-only society now with ATMs pretty useless for the foreigner. Credit cards only used in a handful of places, however all major hotels will now accept this payment. We recommend bringing enough cash to cover your stay in Zimbabwe (in either USD or ZAR) especially in the smaller denominations (US\$1-20 and ZAR10 - 200) as there is always a shortage of change and shopkeepers will often refuse larger bills. Please also be aware it is illegal to leave Zimbabwe with over \$1000 (or equivalent) in cash.

Zimbabwe introduced Bond Notes into circulation on 28 November 2017 which will be used alongside the US dollar and other currencies. These Bond Notes will be at a 1:1 parity with the US dollar. However, they are only legal tender within Zimbabwe and as such can only be used there. These Bond notes will be in \$2 and \$5 denominations and there will also be a new \$1 Bond coin.

Banking hours: Mon, Tues, Thurs, Fri - 0800-1500, Wed 0800-1300 and Sat - 0800-1130. In major towns/cities most banks have an ATM. American Express, Diners Club and Visa cards are widely accepted.

Major foreign currencies can be exchanged at bureaux de change and banks at the official exchange rate. Please also be aware it is illegal to leave Zimbabwe with over \$1000 (or equivalent). As of June 2016 it is becoming increasingly difficult to withdraw money from ATMs in Zimbabwe. There is a cash limit of \$500 per day - however a lot of banks are not replenishing the ATMs. It is strongly advised that you bring enough money with you before you enter Zimbabwe and don't rely on getting any whilst there.

Travellers cheques are accepted at banks, these should be in US Dollars or Pound Sterling to avoid additional exchange rate charges. Most banks will want to see your passport and proof of purchase receipt before cashing your travellers cheques. Please Note: Travellers cheques can be difficult to cash so do not rely upon them as your sole source of funds.

Time & Voltage

Standard voltage is 220-240V. Primary sockets require a 'Type G' - British plug, or 'Type D' - old English plug or Indian plug. You will need a voltage converter and plug adapter in order to use U.S. appliances.

Zimbabwe is 2 hours ahead of GMT. Daylight saving time is not observed.

Climate

Although located in the tropics, temperate conditions prevail all year round in Zimbabwe as the climate is moderated by altitude and the inland position of the country.

Zimbabwe has a rainy season from November/December to March, during this time days are hot and sunny with possible afternoon thunderstorms. By April and May most of the rain is gone, skies are clear and days are sunny and warm. Night time temperatures drop dramatically between June and August although daytime temperatures remain pleasantly warm. Late August sees the start of the hot and dry season which continues until October.

Zambian Airport Departure Tax

NOTES FOR THOSE FLYING OUT OF LIVINGSTONE AIRPORT IN ZAMBIA

An airport departure tax is in place for all flights departing from Zambian airports. It will no longer be included on the ticket and will now be collected in Zambian Kwacha cash direct from the passenger. The amount payable is currently K28,000 for Domestic Flights and K56,000 for International Flights and is payable on departure from all Zambian airports. Passengers need to have ZMK cash available for this tax. Please note, departure taxes are subject to change.
