DETAILED ITINERARY

Day 1 : Cairo
Sunday. Welcome to Egypt and the start of your holiday! Upon arrival at Cairo Airport you will be met by a representative from On The Go Tours. The prominent sign depicting our company logo easily identifies our representative. Cairo International Airport can appear to be a little chaotic to the uninitiated, this is normal. Upon exiting the airport you will be escorted to our awaiting transportation and transferred to your hotel. Here, your Egyptian adventure begins!

Enjoy a free day in Cairo your way – relax after your flight or head out and explore. Perhaps relax by the hotel pool or for those that are arriving before 8.30am, join our optional Backstreets of Cairo tour which departs the hotel at 10am (best booked prior with your travel consultant). This optional tour takes you off the beaten track in Egypt's bustling capital, visiting Downtown Cairo, the exquisite mosques and monuments of El Moez Street in Islamic Cairo, Garbage City and the incredible Cave Church of St. Simon.

At 7pm this evening meet your guide and the rest of the group at the Welcome Meeting. For those arriving a day or two earlier than Day One of the tour, one of our staff will be on hand to advise on where you can best enjoy your extra time in Cairo, in advance of the tour commencing. We also have an Alexandria Day
Trip available to book for the Saturday before your tour starts.

**Overnight - Cairo**

### Day 2 : Pyramids of Giza

After a good night's rest, we enjoy a full day of touring. Our first stop this morning is the famous pyramids and the iconic Sphinx at the Giza Plateau. Sole survivors from the ancient Greek, listed as one of the Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction. Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (in 5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stone cutters carried out the job of building the pyramids. 100,000 workers were used to carry out the back-breaking task of moving and laying the stones of the largest pyramid - Cheops and about 2.5 million limestone blocks, quarried locally and weighing in excess of 6 million tonnes were used to construct it. Leaving the Pyramids of Giza, we stop at a government supervised papyrus emporium where you can buy genuine papyrus at quite reasonable prices.

Continuing to the necropolis of Saqqara, we explore the myriad tombs and temples at this site and see Zhoser's Step Pyramid which constructed by Imhotep, the pharaoh's chief architect in 2700 BC. The remainder of today is free to relax or explore Egypt's capital at leisure. Perhaps head to Khan el Khalili Bazaar, the ideal place for souvenir shopping.

**Overnight - Cairo (B)**

### Day 3 : Egyptian Museum

Cairo - Luxor. We take a guided tour of the vast new Grand Egyptian Museum in Giza this morning. In this incredible 490,000 square meter complex, we’ll discover a mind-boggling array of relics and antiquities from almost every period of ancient Egyptian history, including the treasures of King Tutankhamun. The afternoon is free to relax by the pool at the hotel or independently explore before we board the overnight sleeper train to Luxor this evening.

Note: The Grand Egyptian Museum is set to open in 2020, though an official date has yet to be released. If travelling prior to the opening of the new facility we’ll visit the Egyptian Museum this morning.

**Overnight - Sleeper Train (B)**

### Day 4 : Luxor & Dendera

We arrive into Luxor this morning and drop our bags off at the hotel. There’s time to freshen up in the hotel lobby before we drive to Dendera, which is one of Egypt's best preserved temple complexes, located 60km north of Luxor. This vast complex covers 40,000 square metres and its temples, chapels and shrines were gradually built over thousands of years. Dendera's crowning glory is the 2000 year old Temple of Hathor with its exquisitely decorated ceiling, adorned with astronomical representations. After our guided tour of this incredible site we return to Luxor where you can spend the afternoon at leisure, relaxing by the pool.

This evening at 5.30pm there is an optional visit to the Temple of Luxor available. The excursion is booked/paid locally at approx. USD$25pp including entrance fees and buffet dinner. Luxor Temple is a strikingly beautiful piece of architecture built by the New Kingdom pharaoh Amenhotep III, and was originally joined to Karnak by an avenue of sphinxes. The temple comprises a striking array of great halls, courts, splendid columns and colonnades decorated with colossal statues of great pharaohs including Ramses II. An obelisk, one of a pair, remains at the temple. Its towering counterpart now stands in the Place de la Concorde in Paris, France. At night the temple is beautifully illuminated with powerful lights, making the temple all the more evocative as the artificial light creates an eerie spectacle as shadow and light play off the colossal statues and reliefs.

For those not opting for the optional excursion, there is time to relax and go for dinner. As we have an early start tomorrow, you might want to retire early but if you have energy there are plenty of bars and late night entertainment options available at all the big hotels.

**Overnight - Luxor (B)**

### Day 5 : Valley of the Kings

4000 year-old Luxor is ancient Egypt at its very best and this morning we visit Luxor’s famous West Bank. An early start allows us to avoid some of the fierce heat as we venture to the awesome Valley of the Kings. The Valley of the Kings is studded with often highly decorated tombs. Some of the best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamen. Discovered intact in 1922 by Howard Carter, it was possibly one of the most dazzling archaeological finds ever. King Tutankhamen’s solid gold funerary mask and his priceless cache of treasures entombed with him for his journey to the afterlife are now on display at the world famous Egyptian Museum in Cairo. In all, more than 60 tombs have been excavated, though possibly the greatest find since the tomb of King Tutankhamen is that of the largest tomb believed to be the burial place of more than 50 sons of Ramses II. So far, more
Cairo to Luxor Explorer

than 110 chambers and corridors have been discovered, coupled with 4 mummies!

Note: The Valley of the Kings ticket includes entry to 3 tombs. A subset of the 64 tombs at the site are open at any point in time and your guide will offer advice on the best ones to visit on the day. The tomb of King Tutankhamen is nearly always open and requires an additional entrance fee to visit.

Beyond the Valley of the Kings we visit the Valley of the Queens and Deir al-Bahari, otherwise known as the famous Temple of Queen Hatshepsut. Rising out of the desert plain in a series of terraces, the Temple of Queen Hatshepsut is one of Egypt’s finest and most photographed monuments. Hatshepsut, the 3rd Queen ever to rule ancient Egypt, eventually declared herself a pharaoh. The last stop we make before leaving the West Bank is to see the imposing 18m-high Colossi of Memnon, which is all that remains of the temple of the hedonistic Amenophis III.

A short stop will be made at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic times and the trade has been passed on generation after generation. For most residents of the West Bank this is their sole trade and income.

Returning to the East Bank around midday, we have a chance to relax by the pool for a while. Meeting up mid-afternoon, we visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt’s Middle and New Kingdom rulers. Karnak is gigantic in proportion at over 1.5km by 800m and almost every pharaoh left his (or her) mark here with evolving artistic and architectural styles.

Groups & Guides

Groups: The longest Signature Tour we offer that travellers to Dendera is our Cairo, Cruise & Coast – 13 days. All other tours in the region are sectors or parts of this larger tour. As such on your holiday you will not be with the
To Jordan - On our Pyramids Petra Promised Lands tour, entrance fees are included.

**Tip kitty**
At the start of your tour we will collect a tip kitty (the amount is noted under exclusions) from all tour participants to cover tips throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, train conductors and other support staff throughout the tour. Your tip kitty in Egypt is collected in Egyptian Pounds (EGP).

If you are travelling to Jordan, the tip kitty for this part of your holiday is collected in Jordanian Dinar (JD). If you are travelling to Israel we do not collect a tipping kitty.

This amount does not include a tip for your tour guide. For a job well done, we suggest USD$5-7 per traveller for your guide. Tipping your guide and crew is an entirely personal gesture and ultimately the amount is up to you.

**Travelling by overnight Train**
For journeys between Cairo and Aswan and/ or Luxor on our Signature tours, and from Luxor to Cairo on our Budget tours, we utilise the overnight 1st class sleeper train service (excludes Treasures of the Nile tour). The train cabins are equipped with two beds (one above the other), a basin, electric points, air conditioning and are lockable. Freshly laundered bedding is provided and in the early evening an attendant will come round and make up your bed for you. A simple dinner and breakfast is included on the service. The dinner that is served within an hour of boarding is of a very average standard, so we recommend that you eat dinner prior to boarding. A basic breakfast is served in the morning and tea and coffee is offered complimentary. Toilets are located at the end of each carriage and a bar carriage is located towards the centre of the train where hot and cold beverages can be purchased, and sometimes alcohol.

The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard. We always request cabins to be side by side in the same carriage, though ultimately the location of our cabins, and whether they are together rests with the rail authority.

If you are a solo traveller and have opted to share a room for your tour and not pay the single supplement you will be sharing a cabin with another On The Go traveller, or if this isn’t possible, a member of the public (of the same gender).

RAMADAN
Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Many shops (excluding those which cater mainly to tourists) and attractions close earlier, as such we will start our tour earlier to make the best use of time and itineraries may be slightly altered to ensure we visit all attractions, leisure time will be offered in the afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street.

NOTE: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are: 12 Apr – 11 May 2021 (approx)

Shopping in Egypt
For those that enjoy shopping, Egypt is a virtual Aladdin’s Cave. Top buys include - perfume concentrate, rugs, backgammon boards, shisha pipes, Egyptian cotton clothing and authentic papyrus. When bartering for goods, set your budget, don’t be swayed and remember the caveat – ‘let the buyer beware.’

In the tourism industry it’s common practice for commission to be offered in exchange for recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they are under no obligation to partake in a listed shopping experience and you are most welcome to wait inside or outside the premises.

Although we only visit reputable retailers, please note that we cannot explicitly guarantee the quality of their products. All purchases made whilst on holiday with us are at your own discretion. Please make sure that you are completely happy with your purchase.

Camera fees
At some sites there is an additional fee for use of a camera or video. Camera/video (not professional) fees range between USD $3–30 per site. There is no fee for taking photographs at the Pyramids of Giza and Saqqara. The cost for using camera inside Valley of the Kings (though not permitted inside the tombs) is approx. USD $20. The cost for photographing the treasures inside the Egyptian Museum is generally USD $6.
