ITINERARY

Day 1 : Nairobi

Monday. Welcome to Nairobi! We'll be there to collect you at Nairobi Airport and transfer you to the Kenya Comfort Hotel in Nairobi. Tonight you will stay in shared dorms. There will be a pre departure meeting at 17.00. **Overnight - Nairobi**

Day 2 : Masai Mara

Nairobi - Masai Mara. Today we make our way through rolling grasslands to the Masai Mara National Reserve, where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, hopefully catching a glimpse of wildlife along the way.

The main section of road between Nairobi and the Reserve is in a very poor state, so be prepared for a rough ride as we make our way to our campsite which looks on to the Meguarra hills. Arriving in the evening, we enjoy the sounds of the wilds with an evening at leisure. The Reserve remains unfenced,

allowing wildlife to roam freely across into the surrounding area and if they choose – through our own camp! No need to be afraid, as the local 'Askari' will keep a look out for any unwanted predators.

Overnight - Masai Mara (L, D)

Day 3 : Masai Mara

Masai Mara. The Masai Mara, well known as one of East Africa's best National Reserves, is ours to explore today. Departing shortly after sunrise, we enjoy a game drive into the Reserve, most famous for the Annual Migration, when hundreds of thousands of wildebeest, zebra and Thomson's gazelles cross over from the Serengeti National Park in Tanzania. The Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here, and Africa's predators are not too far behind, often seen at a kill during this period. We search of the 'Big 5'- elephant, rhino, buffalo, lion & leopard, along with the many other species of animals, reptiles and birds which call this wilderness home. **Overnight - Masai Mara (B, L, D)**

Day 4 : Lake Nakuru

Masai Mara - Lake Nakuru. Leaving Masai Mara we head towards our first overnight stop in the area of Lake Nakuru National Park, one of Kenya's most popular parks. **Overnight - Lake Nakuru (B, L, D)**

Day 5 : Lake Nakuru

Lake Nakuru. This morning we begin our exploration of the Lake Nakuru National Park. The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, and

various antelope. **Overnight - Lake Nakuru (B, L, D)**

Day 6 : Kisii & the Gusii Highlands

Lake Nakuru - Kisii/Kericho Area. After breakfast we leave the Lake Nakuru and head to Kisii/Kericho passing through the picturesque tea plantations along the way. These towns are the main commercial centres in the Gusii Highlands, where cash crops like tea and coffee thrive because of its equatorial climate. We replenish our stocks before heading for Tanzania tomorrow. **Overnight - Kisii/Kericho Area (B, L, D)**

Day 7 : Musoma

Kisii/Kericho - Musoma. We depart Kenya and head south into Tanzania. After border formalities, our drive takes us through the scenic granite landscapes adjacent to Africa's largest lake – Lake Victoria. We spend the night at a campsite on the banks of Lake Victoria in the fishing town of Musoma. **Overnight - Musoma (B, L, D)**

Day 8 : Serengeti National Park

Musoma - Serengeti. Today we head to the Serengeti National Park, entering the park after lunch. The Serengeti (Masai for "endless plains") is famous for its enormous concentration of game (especially the big

cats) and for the annual migration of millions of wildebeest, zebra and Thomson's gazelles. The abundance of plains game in this area is truly astounding. We enter the park through the lesser travelled western corridor and game drive en-route to our campsite in the centre of the park. Tonight we bush camp (no ablutions) in the wild surrounded by the sounds of the African bushveld, pierced only by the calls of the nocturnal wildlife. **Overnight - Serengeti National Park (B, L, D)**

Day 9 : Ngorongoro Crater

Serengeti - Ngorongoro Crater. After an early start we pack up our camp and continue our game drive through the Serengeti National Park in search of the resident wildlife and head to the southern part of the park where we have the chance to see the endless plains this park is renowned for. With some luck, we may see some of Africa's 'Big 5'! We cross from the Serengeti to the Ngorongoro Conservation area at lunch time and begin our climb up the steep Crater edge. Tonight's camp (basic ablutions) on the crater rim sharply contrasts the warmer plains below - we suggest you bring your winter woollies as it can get very cold at night. **Overnight - Ngorongoro Crater (B, L, D)**

Day 10 : Arusha

Ngorongoro Crater - Arusha. The Ngorongoro Crater with its 600 m high walls and 20 km width is a natural marvel. The Crater's rim

offers spectacular views, but the true scale of this caldera is only appreciated from the floor itself where the abundance of its animal inhabitants becomes apparent. It is home to nearly every species of African animal and offers a chance to view an incredible concentration of East African mammals, such as elephant, rhino, buffalo, hippo, lion and plain's game. After spending the morning game driving in The Crater we continue to our campsite outside Arusha where we spend the evening musing over our thrilling wildlife experience. **Overnight - Arusha** (B, L, D)

Day 11 : Nairobi

Arusha - Nairobi. After breakfast, we begin our journey back to Nairobi. On arrival in the late afternoon, we exchange addresses and part ways, having just experienced a trip of a lifetime! (B)
