Day 2 : Pyramids & Saqqara

This morning we tour the famous pyramids and iconic Sphinx at Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stone cutters carried out the job of building the pyramids. It is believed that 100,000 workers undertook the backbreaking task of moving and laying the stones of the largest pyramid-Cheops, and around 2.5 million limestone blocks, weighing in excess of 6 million tonnes, were used in its construction.

We then visit a government supervised papyrus emporium where you can buy genuine papyrus at quite reasonable prices. Our next stop is the necropolis of Saqqara, we explore the myriad tombs and temples at this site and see Zhosser's Step Pyramid - constructed by Imhotep, the pharaoh's chief architect in 2700 BC!

Today's lunch break will take place prior to our tour of Saqqara or after depending on the heat and time of year you are travelling and traffic on the day - your guide will keep you updated. This evening offers free time or you can opt to attend the Pyramids Sound and Light Show. Entrance fees and tip kitty will be collected this morning by your guide at the welcome meeting.

Overnight - Cairo (B)

Day 3 : The Grand Egyptian Museum

Cairo - Aswan. Today we visit the new Grand Egyptian Museum, which houses a giant exhibition containing the treasures of King Tutankhamun. In this incredible 490,000 sq.m complex many of the exhibits are being displayed for the first time and artefacts have been brought together from across Egypt and the world. The museum also makes use of new technology including virtual reality.

After our guided tour of the Grand Egyptian Museum we head over to the National Museum of Egyptian Civilization to visit the fascinating Royal Mummies' Hall where the mummies of ancient Egyptian kings and queens are on now display. This incredible hall contains 20 mummies in total and some are so well preserved that they still have thick locks of hair, visible finger nails and smooth blackened skin! At this museum please note that we will only visit the Royal Mummies' Hall, which is the highlight, allowing enough time to relax back at the hotel and have dinner before we board the night train to Aswan this evening.

Please Note: the Grand Egyptian Museum is set to open late 2021, an official date has yet to be released. If travelling prior to the opening of the new facility we'll visit the Egyptian Museum instead. **Overnight - Sleeper train (B)**

Day 4 : Philae Temple

Arrive into Aswan and check into our hotel. We then enjoy a short boat trip to Agilika Island for Philae Temple - dedicated to the goddess Isis. The temple dates from 4th century BC but the Ptolemies and the Romans, up to 3rd century AD built most of the existing structures.

Upon returning to Aswan we visit a perfume oil emporium. The use of essential and perfumed oils in Egypt dates back to 2700BC. Perfumed oils were used by women, pharaohs and by temple priests for worship, who offered a melange of 6 perfumes called Kyphi to the Sun God at dawn, noon and dusk. At the perfumery, there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. For those that are not interested there is a supermarket nearby where you can use the opportunity to purchase snacks and incidentals.

Later, free time to perhaps enjoy some shopping in the colourful souks and markets or simply relax in this attractive town which straddles the River Nile.

Overnight - Aswan (B)

Day 5 : Sailing the Nile & optional excursion to Abu Simbel

Aswan - Nile felucca sailing. Optional early morning excursion to Abu Simbel. Travelling due-south through the vast sandy desert we arrive at Abu Simbel. The gargantuan rock-cut temple of King Ramses II, the Great Builder is possibly the most awe-inspiring temple of all ancient Egypt, with its mammoth rock-cut façade. Abu Simbel was created to revere the mighty pharaonic ruler King Ramses II. Guarding the entrance to the temple are the four famous colossal statues of Ramses II which sit majestically, staring out across the desert, seemingly since time began. In a multi-million dollar operation in 1972, the temple was famously re-located further up from the shoreline of Lake Nasser, which had threatened to erode the foundations of this monolithic temple complex.

Festive King Tut

If you choose not to embark upon this optional excursion, there is plenty to do in Aswan before our early afternoon departure on our Nile felucca cruise. You can relax at the hotel, explore Aswan and its beautiful shoreline and corniche or perhaps do a spot of shopping. This afternoon, we board our wind-powered Nile felucca for a 2-night voyage on the River Nile downstream to Daraw and onward by road to Kom Ombo. Feluccas are simple sailboats based on a unique design and have plied the mighty Nile since ancient times.

THE NILE FELUCCA CRUISE: Before boarding the felucca, it is important you prepare a day bag - taking care to pack things you feel you'll need during the cruise, as your large bag will be placed in the deck storage below. If you are unable to swim, you must advise your tour guide before boarding the felucca.

Our feluccas are proudly owned and crewed by friendly local sailors and they have been adapted to comfortably carry our travellers.

NOTE: As feluccas are wind-powered, our itinerary cannot be rigidly defined. A felucca support boat accompanies your felucca providing toilets, hand washing facilities and a cosy dining area. The felucca sails during the day, and prior to sundown, the anchor is dropped and we moor at the riverside for the night. The craft carries between 8-12 passengers comfortably and the deck is strewn with soft colourful cushions and rugs and equipped with a canopy that offers shade and protection from the elements. Nothing beats the experience of sleeping under a blanket of stars. You need to bring a towel with you and can opt to bring a sleeping bag/sleeping sheet if you wish, though we suggest hiring locally a freshly laundered winter warmth blanket for USD\$15 (total) for the 2 night stay. Soft drinks, water and beer can be purchased aboard.

5 STAR NILE CRUISER: For guests who have opted and paid for the supplement to travel aboard the 5 Star Nile cruiser, you will board the cruise on day 4 for a period of 3 nights. You will have a tour guide escorting you on the cruise who will keep you up informed of the cruise schedule. And a copy of the

schedule can always be found in the lobby of the cruiser.

Overnight - Felucca Cruise (B, L, D)

Day 6 : Felucca sailing & Kom Ombo

Nile felucca sailing - Kom Ombo. Relax, go for a swim or just chill out in the sun on deck. Let your troubles melt away, as the felucca plies its route. In the afternoon we dock near Kom Ombo and take a motorboat to visit the temple before returning to the felucca for the night.

Overnight - Felucca Cruise (B, L, D)

Day 7 : Luxor

Kom Ombo - Luxor. This morning we disembark and drive north to Luxor - home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at its best. Check-in to our 5 star hotel, the afternoon is free for swimming or relaxing by the pool.

Tonight, we have the opportunity to visit Luxor Temple with dinner afterwards. Built by Amenhotep III, Luxor Temple looks stunning at night when it's illuminated by hundreds of coloured lights. Book/pay locally at approx USD\$25 including entrance fees and buffet dinner. Remainder of the evening at leisure.

Overnight - Luxor (B)

Day 8 : Valley of the Kings

Luxor - Cairo. Today we tour the West Bank of the Nile, an early start allows us to avoid some of the fierce heat as we venture to the awesome Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which are all that remains of the temple of the hedonistic Amenophis III.

The Valley of the Kings is studded with often highly decorated pharaoh's tombs, some of which you can enter. Some of the tombs are so well preserved, the colours of the incredible pharaonic friezes are still as vibrant as when they were first painted. The best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamun.

Note: The Valley of the Kings ticket includes entry to 3 tombs. A subset of the 64 tombs at the site are open at any point in time and your guide will offer advice on the best ones to visit on the day. The tomb of King Tutankhamun is nearly always open and requires an additional entrance fee to visit.

Travelling beyond the Valley of the Kings we visit Deir al- Bahri, otherwise known as the Temple of Queen Hatshepsut. Rising out of the desert plain, in a series of terraces, it is one of Egypt's finest and most photographed monuments.

A short stop will also be made at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic times. Carving the stone is a trade passed on generation after generation for most residents of the West Bank and is their sole trade and income.

Returning to the East Bank around midday, there's chance to relax by the hotel pool. We meet up again mid-afternoon to visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt's Middle and New Kingdom rulers. Tonight we return by overnight sleeper train to Cairo.

Overnight - Sleeper Train (B)

Day 9 : Free time in Cairo

We arrive into Cairo this morning and transfer to our hotel. The rest of the day is free to relax by the hotel pool, shop or explore.

This afternoon there is an optional excursion to Khan el Khalili Market and a perfumed oil emporium (if not already visited in Aswan). Khan el Khalili is great for last minute souvenir shopping and at the perfumery there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift.

It's not like home, what to expect & Ramadan

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect

or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Please visit www.onthegotours.com/Egypt/Travel-tips-and-useful-info for what to wear, local customs, currency, WiFi, Ramadan and other helpful information to prepare you for your holiday.

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Many shops (excluding those which cater mainly to tourists) and attractions close earlier, as such we will start our tour earlier to make the best use of time and itineraries may be slightly altered to ensure we visit all attractions, leisure time will be offered in the afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street. NOTE: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are: 2 Apr – 1 May 2022 & 22 Mar - 20 Apr 2022 (approx)

Shopping in Egypt

For those that enjoy shopping, Egypt is a virtual Aladdin's Cave. Top buys include - perfume concentrate, rugs, backgammon boards, shisha pipes, Egyptian cotton clothing and authentic papyrus. When bartering for goods, set your budget, don't be swayed and remember the caveat – 'let the buyer beware.'

In the tourism industry it's common practice for commission to be offered in exchange for recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they have been carefully selected based upon positive feedback from On The Go travellers. You
